

Appendix

Definitions of General Technical Skills¹

Equipment Maintenance — Performing routine maintenance on equipment and determining when and what kind of maintenance is needed.

Equipment Selection — Determining the kind of tools and equipment needed to do a job.

Installation — Installing equipment, machines, wiring, or programs to meet specifications.

Operation and Control — Controlling operations of equipment or systems.

Operation Monitoring — Watching gauges, dials, or other indicators to make sure a machine is working properly.

Operations Analysis — Analyzing needs and product requirements to create a design.

Programming — Writing computer programs for various purposes.

Quality Control Analysis — Conducting tests and inspections of products, services, or processes to evaluate quality or performance.

Repairing — Repairing machines or systems using the needed tools.

Technology Design — Generating or adapting equipment and technology to serve user needs.

Troubleshooting — Determining causes of operating errors and deciding what to do about it.

Definitions of Knowledge²

Administration and Management — Knowledge of business and management principles involved in strategic planning, resource allocation, human resources modeling, leadership technique, production methods, and coordination of people and resources.

Biology — Knowledge of plant and animal organisms, their tissues, cells, functions, interdependencies, and interactions with each other and the environment.

Building and Construction — Knowledge of materials, methods, and the tools involved in the construction or repair of houses, buildings, or other structures such as highways and roads.

Chemistry — Knowledge of the chemical composition, structure, and properties of substances and of the chemical processes and transformations that they undergo. This includes uses of chemicals and their interactions, danger signs, production techniques, and disposal methods.

Clerical — Knowledge of administrative and clerical procedures and systems such as word processing, managing files and records, stenography and transcription, designing forms, and other office procedures and terminology.

Communications and Media — Knowledge of media production, communication, and dissemination techniques and methods. This includes alternative ways to inform and entertain via written, oral, and visual media.

Computers and Electronics — Knowledge of circuit boards, processors, chips, electronic equipment, and computer hardware and software, including applications and programming.

Customer and Personal Service — Knowledge of principles and processes for providing customer and personal services. This includes customer needs assessment, meeting quality standards for services, and evaluation of customer satisfaction.

Design — Knowledge of design techniques, tools, and principles involved in production of precision technical plans, blueprints, drawings, and models.

Economics and Accounting — Knowledge of economic and accounting principles and practices, the financial markets, banking and the analysis and reporting of financial data.

Education and Training — Knowledge of principles and methods for curriculum and training design, teaching and instruction for individuals and groups, and the measurement of training effects.

Engineering and Technology — Knowledge of the practical application of engineering science and technology. This includes applying principles, techniques, procedures, and equipment to the design and production of various goods and services.

English Language — Knowledge of the structure and content of the English language including the meaning and spelling of words, rules of composition, and grammar.

Fine Arts — Knowledge of the theory and techniques required to compose, produce, and perform works of music, dance, visual arts, drama, and sculpture.

Food Production — Knowledge of techniques and equipment for planting, growing, and harvesting food products (both plant and animal) for consumption, including storage/handling techniques.

Foreign Language — Knowledge of the structure and content of a foreign (non-English) language including the meaning and spelling of words, rules of composition and grammar, and pronunciation.

Geography — Knowledge of principles and methods for describing the features of land, sea, and air masses, including their physical characteristics, locations, interrelationships, and distribution of plant, animal, and human life.

History and Archeology — Knowledge of historical events and their causes, indicators, and effects on civilizations and cultures.

Law and Government — Knowledge of laws, legal codes, court procedures, precedents, government regulations, executive orders, agency rules, and the democratic political process.

Mathematics — Knowledge of arithmetic, algebra, geometry, calculus, statistics, and their applications.

Mechanical — Knowledge of machines and tools, including their designs, uses, repair, and maintenance.

Medicine and Dentistry — Knowledge of the information and techniques needed to diagnose and treat human injuries, diseases, and deformities. This includes symptoms, treatment alternatives, drug properties and interactions, and preventive health-care measures.

Personnel and Human Resources — Knowledge of principles and procedures for personnel recruitment, selection, training, compensation and benefits, labor relations and negotiation, and personnel information systems.

Philosophy and Theology — Knowledge of different philosophical systems and religions. This includes their basic principles, values, ethics, ways of thinking, customs, practices, and their impact on human culture.

Physics — Knowledge and prediction of physical principles, laws, their interrelationships, and applications to understanding fluid, material, and atmospheric dynamics, and mechanical, electrical, atomic and sub- atomic structures and processes.

Production and Processing — Knowledge of raw materials, production processes, quality control, costs, and other techniques for maximizing the effective manufacture and distribution of goods.

Psychology — Knowledge of human behavior and performance; individual differences in ability, personality, and interests; learning and motivation; psychological research methods; and the assessment and treatment of behavioral and affective disorders.

Public Safety and Security — Knowledge of relevant equipment, policies, procedures, and strategies to promote effective local, state, or national security operations for the protection of people, data, property, and institutions.

Sales and Marketing — Knowledge of principles and methods for showing, promoting, and selling products or services. This includes marketing strategy and tactics, product demonstration, sales techniques, and sales control systems.

Sociology and Anthropology — Knowledge of group behavior and dynamics, societal trends and influences, human migrations, ethnicity, cultures and their history and origins.

Telecommunications — Knowledge of transmission, broadcasting, switching, control, and operation of telecommunications systems.

Therapy and Counseling — Knowledge of principles, methods, and procedures for diagnosis, treatment, and rehabilitation of physical and mental dysfunctions, and for career counseling and guidance.

Transportation — Knowledge of principles and methods for moving people or goods by air, rail, sea, or road, including the relative costs and benefits.

Examples of Software³

Access software - Example: Citrix

Accounting software - Example: ComputerEase Construction Accounting

Action games - Example: Biometrics video game software

Administration software - Example: SolarWinds

Analytical or scientific software - Example: Lyris HQ Web-Analytics Solution

Application server software - Example: GitHub

Audit software - Example: PCG Software Virtual Examiner

Authentication server software - Example: Diameter

Aviation ground support software - Example: Bornemann Associates Flight Plan

Backup or archival software - Example: Veritas NetBackup

Bar coding software - Example: Barcode reader software

Bridge software - Example: Network bridge software

Business intelligence and data analysis software - Example: IBM Cognos Impromptu

Calendar and scheduling software - Example: Scheduling software

Categorization or classification software - Example: American Medical Association CodeManager

Charting software - Example: AASoftTech Web Organization Chart

Clustering software - Example: Clustering software

Communications server software - Example: IBM Domino

Compiler and decompiler software - Example: Greenhills Ada compilers

Compliance software - Example: Pilgrim Quality Solutions SmartSolve

Computer aided design CAD and computer aided manufacturing CAM system - Example: Edgcam

Computer aided design CAD software - Example: Autodesk AutoCAD

Computer aided manufacturing CAM software - Example: CNC Mastercam

Computer based training software - Example: Training software

Configuration management software - Example: Puppet

Contact center software - Example: Multi-channel contact center software

Content workflow software - Example: Atlassian JIRA

Customer relationship management CRM software - Example: Blackbaud The Raiser's Edge

Data base management system software - Example: Relational database management software

Data base reporting software - Example: Database reporting software

Data base user interface and query software - Example: AdSense Tracker

Data compression software - Example: File compression software

Data conversion software - Example: Data conversion software

Data mining software - Example: Datawatch Monarch

Desktop communications software - Example: CrossTec NetOp Remote Control

Desktop publishing software - Example: Microsoft Publisher

Development environment software - Example: Microsoft Visual Basic

Device drivers or system software - Example: Microsoft DirectX

Dictionary software - Example: American Sign Language ASL browser

Document management software - Example: Adobe Systems Adobe Acrobat

Electronic mail software - Example: Email software

Enterprise application integration software - Example: Extensible markup language XML

Enterprise resource planning ERP software - Example: Enterprise resource planning ERP software

Enterprise system management software - Example: IBM Power Systems software

Expert system software - Example: Oracle Beehive

Facilities management software - Example: InnQuest Software roomMaster

Fax software - Example: Open Text Fax Server, RightFax Edition

File versioning software - Example: Git

Filesystem software - Example: File transfer protocol FTP software

Financial analysis software - Example: Microsoft FRx

Flight control software - Example: Leica AEROPLAN LiDAR

Foreign language software - Example: Computer assisted language learning CALL software

Gateway software - Example: Secure web gateway software

Graphical user interface development software - Example: TKSoftware

Graphics card driver software - Example: Graphics card driver software

Graphics or photo imaging software - Example: Graphic presentation software

Helpdesk or call center software - Example: Help desk software

Human resources software - Example: Halogen e360

Industrial control software - Example: Supervisory control and data acquisition SCADA software

Information retrieval or search software - Example: LexisNexis

Instant messaging software - Example: Twitter

Interactive voice response software - Example: Computerized voice stress analyzer CVSA software

Internet browser software - Example: Web browser software

Internet directory services software - Example: Active directory software

Internet protocol IP multimedia subsystem software - Example: Voice over internet protocol VoIP system software

Inventory management software - Example: Inventory management software

Label making software - Example: ABOL Manifest Systems

LAN software - Example: LAN software

Legal management software - Example: Courtroom scheduling software

Library software - Example: Computer access catalog software

License management software - Example: ConEst Permit Trac

Mailing and shipping software - Example: Shipment processing software

Manufacturing execution system MES software - Example: CA Easytrieve Report Generator

Map creation software - Example: Geographic information system GIS software

Materials requirements planning logistics and supply chain software - Example: LSA Visual Easy Lean

Medical software - Example: Dynamic Energy Systems MedAct

Metadata management software - Example: CA Erwin Data Modeler

Mobile location based services software - Example: Transportation management system TMS software

Mobile messaging service software - Example: Unified messaging software

Mobile operator specific application software - Example: Mobile application software

Multi-media educational software - Example: Turning Technologies TurningPoint

Music or sound editing software - Example: Windows Media Player

Network conferencing software - Example: Microsoft Office SharePoint Server MOSS

Network connectivity terminal emulation software - Example: Telnet programs software

Network monitoring software - Example: Nagios

Network operating system enhancement software - Example: Management information base MIB software

Network operation system software - Example: SunGard NotiFind

Network security and virtual private network VPN equipment software - Example: Firewall software

Network security or virtual private network VPN management software - Example: Intrusion prevention system IPS

Object or component oriented development software - Example: R

Object oriented data base management software - Example: PostgreSQL

Office suite software - Example: Microsoft Office

Operating system software - Example: Apple macOS

Optical character reader OCR or scanning software - Example: Document scanning software

Optical network management software - Example: Optical network management software

Pattern design software - Example: Flow chart software

Platform interconnectivity software - Example: IBM iSeries Access

Point of sale POS software - Example: Point of sale POS software

Portal server software - Example: Apache HTTP Server

Presentation software - Example: Microsoft PowerPoint

Printer driver software - Example: Printer driver software

Procedure management software - Example: Hexagon Metrology PC-DMIS

Procurement software - Example: Ariba Spend Management Suite

Program testing software - Example: Hewlett Packard LoadRunner

Project management software - Example: HCSS HeavyBid

Requirements analysis and system architecture software - Example: Unified modeling language UML

Route navigation software - Example: ALK Technologies FleetSuite

Sales and marketing software - Example: Google AdWords

Spell checkers - Example: Hand held spell checkers

Spreadsheet software - Example: Microsoft Excel

Storage media loading software - Example: Intel Data Migration Software

Storage networking software - Example: Storage area network SAN software

Switch or router software - Example: Border Gateway Protocol BGP

Tax preparation software - Example: Tax accounting software

Text to speech conversion software - Example: Text to speech software

Time accounting software - Example: Exact Software Macola ES Labor Performance

Transaction security and virus protection software - Example: McAfee

Transaction server software - Example: Customer information control system CICS

Video conferencing software - Example: Teleconferencing software

Video creation and editing software - Example: Apple Final Cut Pro

Voice recognition software - Example: Voice activated software

Voice synthesizer and recognition software - Example: Voice picking software

WAN switching software and firmware - Example: Cisco Systems WAN Manager

Web page creation and editing software - Example: Facebook

Web platform development software - Example: PHP: Hypertext Preprocessor

Wireless software - Example: Mobile wireless network infrastructure software

Word processing software - Example: Microsoft Word

Examples of Tools⁴

⁴ Source: O*NET (<https://www.onetcenter.org/database.html#individual-files>)

Abdominal retractors - Example: Richardson retractors
 Abrasive cloth - Example: Emery cloths
 Abrasive discs - Example: Abrasive disc wheels
 Abrasive drums - Example: Abrasive wheels
 Abrasive polishers - Example: Orbit polishers
 Abrasive stones - Example: Rubbing stones
 Absorbent booms - Example: Curtain booms
 Absorbent pillows - Example: Chemical pillows
 Accessories for stringed instruments - Example: Capos
 Accounting machines - Example: Billing machines
 Acoustic sensors - Example: Surface acoustic wave sensors
 SAWS
 Acoustic testing rooms - Example: Reverberant auditory test chambers
 Acupuncture magnet pellet or seed - Example: Therapeutic acupuncture magnets
 Acupuncture needle - Example: Ear tacks
 Acute care fetal or maternal monitoring units or accessories - Example: Fetal monitors
 Adaptive communication switches for the physically challenged - Example: Jellybean switches
 Addressing machines - Example: Mail addressing machines
 Adhesive or glue application systems - Example: Wallpaper pasting machines
 Adhesive rollers - Example: Hand rollers for adhesives
 Adjustable angle plate - Example: Angle plates
 Adjustable forks - Example: Brick carrier forks
 Adjustable wrenches - Example: Adjustable hand wrenches
 Adult or pediatric intensive care ventilators - Example: Assist-control ventilation equipment
 Aerial cameras - Example: Airborne imaging systems
 Aerial working platform truck - Example: Boom trucks
 Aerospace cockpit display panels - Example: Electronic flight instrument systems EFIS
 Aerospace head up display HUDs - Example: Head-up guidance systems HGS
 Ageing ovens - Example: Accelerated ageing testers
 Aggregate spreaders - Example: Hydraulic material spreaders
 Agricultural helicopters - Example: Forestry helicopters
 Agricultural rollers - Example: Field rollers
 Agricultural tractors - Example: Multipurpose tractors
 Air bags for loading - Example: Air bag lifting systems
 Air brushes - Example: Artists' air brushes
 Air cleaners - Example: Dust collectors
 Air compressors - Example: Portable air compressors
 Air conditioners - Example: Air conditioning units
 Air conveyors - Example: Pneumatic conveyors
 Air dryers - Example: Grain dryers
 Air exhausters - Example: Local exhaust ventilation LEV systems
 Air filters - Example: Biofilters
 Air hammer forging machine - Example: Hammer forging machinery
 Air lift pump - Example: Airlift pumps
 Air or gas tanks or cylinders - Example: Lecture bottles

Air pollutant samplers - Example: Microbial contaminant measurement devices
 Air pumps - Example: Aeration pumps
 Air rifles or air handguns - Example: Dart guns
 Air samplers or collectors - Example: Air monitoring equipment
 Air sampling pumps - Example: Sampling pumps
 Air velocity and temperature monitors - Example: Temperature monitors
 Aircraft anti skid controls - Example: Anti-skid control systems
 Aircraft braking systems - Example: Autobrakes
 Aircraft cargo handling equipment - Example: Aircraft loaders
 Aircraft communication systems - Example: Digital communications display units DCDU
 Aircraft cooling fans - Example: Equipment cooling controls
 Aircraft deicing equipment - Example: De-icing equipment
 Aircraft drag chutes - Example: Brake pedals
 Aircraft engine compressors - Example: Axial flow compressor facilities
 Aircraft environment controllers - Example: Pressurization control systems
 Aircraft environment regulators - Example: Air conditioning systems
 Aircraft escape or ejection systems - Example: Emergency exit slides
 Aircraft fire control or extinguishing systems - Example: Fire suppression and control systems
 Aircraft flight simulators or trainers - Example: Flight simulators
 Aircraft fuel management systems - Example: Fuel control systems
 Aircraft guidance systems - Example: DroneDeploy
 Aircraft hydraulic systems - Example: Hydraulic actuators
 Aircraft navigation beacons - Example: Nondirectional radio beacon markers
 Aircraft onboard defrosting or defogging systems - Example: Engine anti-ice systems
 Aircraft oxygen equipment - Example: Continuous flow emergency oxygen systems
 Aircraft power supply units - Example: Power generation and distribution control systems
 Aircraft pushback or tow tractors - Example: Tow tractors
 Aircraft steering controls - Example: Aileron trim switches
 Aircraft warning systems - Example: Airborne collision avoidance systems ACAS
 Airfreight conveyor truck - Example: Airport cargo conveyor trucks
 Airline ticket or boarding pass ATB printers - Example: Airline ticket printers
 Airplane baggage tug or tractor - Example: Airplane baggage tuggers
 Airships - Example: Fixed wing unmanned aerial vehicles UAV
 Alarm systems - Example: Emergency alarm systems
 Alcohol analysers - Example: Breathalyzers
 Alcohol lamp - Example: Alcohol lamps

Alignment jig - Example: Vertical transfer jigs
 All terrain cranes - Example: 10-ton crawlers
 All terrain vehicles tracked or wheeled - Example: All terrain vehicles ATV
 Allen wrench - Example: Allen wrenches
 Alternating current AC arc welder - Example: Electric arc welding equipment
 Ammeters - Example: Amp clamp meters
 Ammonia removal equipment - Example: Denitrification equipment
 Ammonium nitrate and fuel oil ANFO loading machinery - Example: Ammonium nitrate fuel oil ANFO loaders
 Amplifiers - Example: Bio-signal amplifiers
 Ampoule filling equipment - Example: Ampoule filling machines
 Anaerobic chamber - Example: Anaerobic growth chambers
 Anaerobic jars or accessories - Example: Anaerobic jars
 Analgesic infusion sets or kits - Example: Infusion sets
 Analytical balances - Example: Laboratory analytical balances
 Anatomical human mannequins for medical education or training - Example: Anatomical models
 Anatomical human models for medical education or training - Example: Plastic eye models
 Anchor chocks - Example: Ship anchor chocks
 Anchor lines - Example: Anchor chains
 Anchor retrievers - Example: Anchor release hooks
 Anchor rollers - Example: Electric windlasses
 Anchor setting tools - Example: Stud drivers
 Androgeny and fertility automated counter - Example: Semen analyzers
 Anemometers - Example: Micro anemometers
 Anesthesia inhalers or inhaler units or accessories - Example: Calibrated vaporizers
 Angiography contrast medium delivery set - Example: Angiography catheters
 Angioplasty balloon catheter - Example: Angioplasty balloon catheters
 Angioscopes or accessories - Example: Heart probes
 Angle brackets - Example: Adjustable roof brackets
 Angle cutter - Example: Undercut tools
 Angle gauge - Example: Tree height angle gauges
 Angle grinder - Example: Angle grinders
 Angle measuring instrument - Example: Degree gauges
 Animal calls - Example: Animal sound lures
 Animal catching devices - Example: Animal catching poles
 Animal collars - Example: Dog training collars
 Animal control traps - Example: Animal traps
 Animal husbandry equipment - Example: Animal feeders
 Animal shearing or clipping equipment - Example: Electric animal clippers
 Animal transport cage - Example: Cat crates
 Animal watering machines - Example: Automatic watering devices
 Animal weighing scales - Example: Livestock scales
 Anodizing machine - Example: Pen platers
 Anoscopes or proctoscopes - Example: Anoscopes

Answering machines - Example: Telephone answering machines
 Antenna tester - Example: Antenna analyzers
 Anti cut gloves - Example: Cut resistant gloves
 Anti shock garments - Example: Medical anti-shock trousers MAST
 Anti static floor mats - Example: Rubber insulating mats
 Antistatic maintenance kits - Example: Static proof dust cleaners
 Antistatic wrist straps - Example: Wrist anti-static straps
 Anvils - Example: Tinsmithing anvils
 Apnea monitors or accessories - Example: Apnea monitors
 Apparatus for gait analysis - Example: Gait analysis equipment
 Applicator brushes - Example: Flux brushes
 Aquariums - Example: Fish tanks
 Aqueous cleaning and washing equipment - Example: Parts washers
 Archery arm guards - Example: Bow hunting arm guards
 Archery arrows - Example: Target shooting arrows
 Archery bow strings - Example: Bow stringers
 Archery gloves - Example: Bow hunting gloves
 Area lighting - Example: Airfield lighting equipment
 Arm orthopedic softgoods - Example: Upper extremity slings
 Arm traction supplies - Example: Bucks traction equipment
 Armature tester - Example: Bar-to-bar testers
 Art airbrushes - Example: Airbrushing devices
 Arterial blood gas monitors or accessories - Example: Arterial blood gas kits
 Arterial line catheters - Example: Intra-arterial catheters
 Arterial needles - Example: Brachial artery needles
 Articulating boom lift - Example: Monument lifts
 Artificial airway holders - Example: Endotracheal ET tube holddown devices
 Artificial inseminating machine - Example: Horse breeding chutes
 Artist knives - Example: Encaustic scrapers
 Asphalt finishers - Example: Asphalt mops
 Assistive listening devices - Example: Analog-to-digital converters
 Atmospheric effect apparatus - Example: Fog machines
 Atomic absorption AA spectrometers - Example: Graphite furnace atomic absorption GFAA spectrometers
 Atomizers - Example: Mercury/hybrid atomizers
 Attachments or replacement parts for dental instruments - Example: Ball bearing contra angle assemblies
 Attenuators - Example: Audio filters
 Audio amplifier - Example: Amplifiers
 Audio analog to digital AD converter - Example: Analog to digital audio converters
 Audio mixing consoles - Example: Digital mixing consoles
 Audio monitor - Example: Audio monitors
 Audio spectrum analyzer - Example: Audio spectrum analyzers
 Audio turntable - Example: Record turntables
 Audio video console - Example: Multimedia editing equipment

Audioconferencing systems - Example: Audioconferencing equipment
 Audiometers or accessories - Example: Audiometers
 Audiometric bone vibrators or middle ear analyzers - Example: Electronystagmographs ENG
 Audiometric booths or acoustic hearing test chambers - Example: Sound booths
 Auditory function screening units - Example: Auditory testing equipment
 Augers - Example: Stem augers
 Aural probes - Example: Ear probes
 Autocollimator - Example: Focus testers
 Automated attendant systems - Example: Voice broadcasting systems
 Automated cover slipping equipment - Example: Automatic coverslipper
 Automated external defibrillators AED or hard paddles - Example: Automated external defibrillators AED
 Automated film processor - Example: Automatic film processors
 Automated microscope stages - Example: Automated microscopes
 Automated optical inspection system - Example: White light confocal imaging profilers
 Automated storage or retrieval systems - Example: Automated filing systems
 Automatic bar machine - Example: Machine lathes
 Automatic call distributor ACD - Example: Emergency alert notification systems
 Automatic labeling systems - Example: Electric marking tools
 Automatic lathe or chucking machine - Example: Wood lathes
 Automatic pool cleaner - Example: Pool vacuums
 Automatic postal or mailing machine - Example: Document mailing equipment
 Automatic selective scale - Example: Automatic bulk weighing systems
 Automatic soldering machine - Example: Soldering stations
 Automatic teller machines ATMs - Example: Payment kiosks
 Automobiles or cars - Example: Passenger vehicles
 Automotive boring machine - Example: Motorcycle cylinder bores
 Automotive cleaners - Example: Fuel injection cleaners
 Automotive computer systems - Example: Event data recorders
 Automotive doors - Example: Powered service doors
 Automotive exhaust emission analyzers - Example: Exhaust analyzers
 Automotive honing machine - Example: Brake rotor hones
 Automotive hydraulic systems - Example: Bus kneeling systems
 Autopsy chisels or osteotomes - Example: Skull chisels
 Autopsy dissection forceps for general use - Example: Dissection forceps
 Autopsy fluid collection vacuum aspirators or tubing - Example: Autopsy fluid collection vacuum aspirators

Autopsy hanging scales - Example: Digital autopsy scales
 Autopsy head rests - Example: Head blocks
 Autopsy knives or blades - Example: Scalpels
 Autopsy saws - Example: Autopsy bone saws
 Autopsy specimen bags or containers - Example: Viscera bags
 Autopsy tables or accessories - Example: Body bridges
 Autotransfusion units - Example: Cell savers
 Auxiliary generator - Example: Dual power supplies
 Awls - Example: Hand awls
 Back or lumbar or sacral orthopedic softgoods - Example: Back support braces
 Back support belts - Example: Lifting belts
 Backhoe boom or boom sections - Example: Backhoe attachments
 Backpack water pump - Example: Backpack tanks
 Bacteria transformation kits - Example: Bacteria-based biosensors
 Bacterial removal equipment - Example: Air strippers
 Bag tag printer - Example: Mobile barcode printers
 Balance beams or boards or bolsters or rockers for rehabilitation or therapy - Example: Balance boards
 Balance equipment - Example: Dance barres
 Balance or gross motor equipment - Example: Play structures
 Baling press - Example: Baling equipment
 Ball peen hammer - Example: Ball peen hammers
 Ball pump - Example: Ball inflators
 Band printers - Example: Label printers
 Bandage scissors or its supplies - Example: Bandage scissors
 Banders - Example: Cable tie guns
 Banding machines - Example: Strapping machines
 Bands for dental matrix - Example: Amalgam bands
 Bandsaw wheel - Example: Vertical bandsaws
 Bar code labels - Example: Barcoding labels
 Bar code printer - Example: Label printers
 Bar code reader equipment - Example: Barcode scanners
 Bar or rod cutter - Example: Bar cutters
 Barber and salon hair cutting gown or cape - Example: Protective capes
 Bare printed circuit boards - Example: Field replaceable units FRU
 Barometers - Example: Barometric pressure sensors
 Barrettes - Example: Butterfly hair clamps
 Barricades - Example: Towable barricades
 Baseball bats - Example: Metal baseball bats
 Baseball batting aids - Example: T-ball equipment
 Baseball gloves - Example: Baseball catching gloves
 Basket strainer - Example: Basket strainers
 Basket stretchers or accessories - Example: Stokes baskets
 Basketball hoop - Example: Basketball hoops
 Basses - Example: Double basses
 Bassoon - Example: Bassoons
 Bastard cut file - Example: Bastard hand files
 Basters or basting brushes - Example: Basting brushes

Batching plants or feeders - Example: Wood feed systems
 Batons - Example: Relay race batons
 Battery acid hydrometers - Example: Battery hydrometers
 Battery chargers - Example: Battery booster cables
 Battery hydrometer - Example: Battery conductance testers
 Battery testers - Example: Battery test tools
 Bead accessories - Example: Beading needles
 Bearing fitting tool kits - Example: Cam bearing driver sets
 Bedpans for general use - Example: Patient bedpans
 Bedside pulmonary function screeners - Example: Bedside spirometers
 Bells - Example: Handbells
 Below the hook device - Example: Beam clamps
 Belt and disc sander - Example: Belt sanders
 Belt conveyors - Example: Belt conveyor systems
 Belt sander - Example: Belt sanders
 Bench clamp - Example: Bench clamps
 Bench dog - Example: Grinding dogs
 Bench drilling machine - Example: Bench drills
 Bench grinder - Example: Bench grinders
 Bench refractometers or polarimeters - Example: Interferometric refractometers
 Benchtop centrifuges - Example: Laboratory benchtop centrifuges
 Bending machines - Example: Steam bending tools
 Beta gamma counters - Example: Radioactive counters
 Beta gauge measuring systems - Example: Tritium/Noble gas monitors
 Bevels - Example: Sliding t-bevels
 Bi distillation units - Example: Distillation equipment
 Bi metallic sensors - Example: Bimetallic strip thermometers
 Bible reference guides - Example: Logos Bible Software Lexham Bible Dictionary
 Bill to coin changers - Example: Coin machines
 Bin handlers - Example: Bin stackers
 Binocular vision test sets or accessories - Example: Worth 4-dot tests
 Biofeedback device - Example: Biofeedback units
 Biological evidence collection kits - Example: Autopsy evidence collection kits
 Biological filter media - Example: Biological filters
 Biometric identification equipment - Example: Facial recognition systems
 Biopsy aspirator products or accessories - Example: Aspiration guns
 Biscuit jointers - Example: Biscuit joiners
 Bituminous material distributors - Example: Oil distributors
 Blackhead remover - Example: Spoon extractors
 Blade sharpener - Example: Tool sharpeners
 Blades or tooth or other cutting edges - Example: Stump cutters
 Blanching machinery - Example: Steam blanchers
 Blanket frames or lifters - Example: Foot cradles
 Blanket or solution warmer cabinets - Example: Blanket warmer cabinets
 Blaster tools - Example: Blast hole tubing
 Blasting caps - Example: Explosive blasting caps

Blocks or pulleys - Example: Snatch blocks
 Blood bank analyzers - Example: Agglutination viewers
 Blood bank cell washers - Example: Cell washing equipment
 Blood bank refrigerators - Example: Blood specimen refrigerators
 Blood coagulation multiple parameter monitor or meter - Example: Coagulation monitors
 Blood collection needle - Example: Blood collection needles
 Blood collection needle holders - Example: Needle holders
 Blood drawing or phlebotomy chairs or accessories - Example: Phlebotomy chairs
 Blood gas analyzers - Example: Blood gas machines
 Blood pressure cuff kits - Example: Sphygmomanometers
 Blood pressure measuring instrument accessories - Example: Non-invasive blood pressure NIBP simulators
 Blood pressure recording units - Example: Noninvasive automatic blood pressure machines
 Blood recovery and delivery systems - Example: Autologous blood recovery systems
 Blood transfusion administration kits - Example: Auto transfusion systems
 Blood transfusion filters or screens or accessories - Example: Blood transfusion drip regulators
 Blood warming or transfusion systems - Example: Blood warming equipment
 Blotting or transfer apparatus - Example: Electrophoresis apparatus
 Blow pipe - Example: Blowpipes
 Blow torch - Example: Propane torches
 Blowers or dryers - Example: Loader dryers
 Blowout preventer controls - Example: Accumulator systems
 Blowout preventers - Example: Blowout prevention equipment
 Board games - Example: Educational board games
 Boat Trailer - Example: Boat trailers
 Boathooks - Example: Boat hooks
 Bobbins or bobbin holders - Example: Thread bobbins
 Bodkin - Example: Ball point bodkins
 Body armour - Example: Protective body armor
 Body composition analyzer - Example: Body fat analyzers
 Body plethysmographs - Example: Plethysmography machines
 Bodyweight measuring scales - Example: Weight measurement scales
 Boiler or heater igniter - Example: Igniters
 Bone densitometer - Example: Bone densitometers
 Bongoes - Example: Bongo drums
 Book creasing machines - Example: Rounding and backing machines
 Book cutting machines - Example: Die cutting equipment
 Book folding machines - Example: Paper folding machines
 Book jogging machines - Example: Paper jogging machines
 Book punching machines - Example: Paper punching machines
 Book stitching machines - Example: Book stitching equipment

Boom bolters - Example: Boom roof bolters
 Borescope inspection equipment - Example: Fiberscopes
 Boring or sinking machinery - Example: Hand-operated boring machines
 Boring tool - Example: Bore tools
 Bouyancy compensators - Example: Buoyancy control devices
 Bowling equipment - Example: Bowling sets
 Box sealing tape dispensers - Example: Packaging tape dispensers
 Braille devices for the physically challenged - Example: Braille writers
 Brake drum lathe - Example: Brake drum lathes
 Brake repair kits - Example: Brake shoe adjusting gauges
 Brake tester - Example: Automatic air brake testers
 Braze welding machine - Example: Brazing machines
 Breast pumps or its accessories - Example: Breast pumps
 Breathing circuit bags - Example: Anesthesia breathing bags
 Bridge cranes - Example: Gantry cranes
 Bridles - Example: Horse bridles
 Broadband aggregators - Example: Broadband aggregation equipment
 Broadcast spreaders - Example: Mulch spreaders
 Bronchoscopes or accessories - Example: Fiberoptic bronchoscopes
 Brooms - Example: Push brooms
 Brush cutter - Example: Brush hooks
 Brushless motor DC - Example: Direct current DC power supplies
 Bubble columns - Example: Flotation columns
 Bubble machine - Example: Bubble machines
 Bucket conveyors - Example: Bucket elevators
 Buffing machine - Example: Buffing machines
 Building blocks - Example: Toy block sets
 Bulk material carriers - Example: Shuttle cars
 Bulk transporters - Example: Bulk liquid trucks
 Bullet pilot point - Example: Spade drill bits
 Bullet proof vests - Example: Bulletproof vests
 Bundling machines - Example: Bundling equipment
 Burners - Example: Kerosene burners
 Burnisher - Example: Burnishing tools
 Burnishing machine - Example: Burnishing wheels
 Busses - Example: Crew transport buses
 Butcher scissors - Example: Poultry shears
 Buttonhole machines - Example: Eyelet machines
 Cable accessories - Example: Cable verifiers
 Cable bender - Example: Bending irons
 Cable bolters - Example: Self-propelled bolting machines
 Cable clamp and staple - Example: Jumper clamps
 Cable reels - Example: Electrical cord reels
 Cable splicing kits - Example: Fiber optic cable splicers
 Cabling die - Example: Cable forming fixtures
 Cadaver carriers - Example: Cremation stands
 Cadaver lifter or transfer devices - Example: Casket carriages
 Cages or its accessories - Example: Fish holding pens

Cake decorating equipment or moulds - Example: Cake decorating combs
 Calcium hydroxide placement tools - Example: Dycal instruments
 Calibrated inductance coils or boxes - Example: Inductance testers
 Calibrated resistance measuring equipment - Example: Resistance meters
 Calibrating tanks - Example: Measuring tanks
 Calibration weights or weight sets - Example: Metric weights
 Calipers - Example: Vernier calipers
 Calorimeters - Example: Cone calorimeters
 Camera based vision systems for automated data collection - Example: Image capture devices
 Camera enclosures or covers - Example: Sound blimps
 Camera flashes or lighting - Example: Remote firing flashes
 Camera harnesses - Example: Mobile mountings
 Camera lens - Example: Colored camera filters
 Camera lens cleaners - Example: Camera cleaning brushes
 Camera lens filter - Example: Lens filters
 Camera tripods - Example: Photography tripods
 Camping or outdoor stoves - Example: Propane camping stoves
 Candle holder - Example: Candle cups
 Candlemaking accessories - Example: Wick setters
 Candlemaking forms - Example: Candle molds
 Canes or cane accessories - Example: Walking canes
 Canoes or kayaks - Example: Canoes
 Canvas bags - Example: Lint bags
 Capacitance meters - Example: Inductance capacitance resistance LCR meters
 Capacitor tester - Example: Capacitor checkers
 Capillary or hematocrit tubes - Example: Capillary tubes
 Capillary tube assemblies - Example: Cryoloops
 Cappuccino or espresso machines - Example: Cappuccino makers
 Capstan - Example: Capstan car pullers
 Capsule guns - Example: Perforating capsule guns
 Car seats - Example: Child car safety seats
 Carbon filtration equipment - Example: Absorption equipment
 Carbon monoxide analyzer - Example: Carbon monoxide detectors
 Carbon steel pipe spectacle blind flange - Example: Pipe covering blind flanges
 Carbonated beverage dispenser - Example: Carbonated beverage dispensers
 Carburetor balancer - Example: Carburetor synchronizers
 Carburization and nitrification electric furnace - Example: Carbonitriding equipment
 Card key lock - Example: Card readers
 Card tables - Example: Baccarat tables
 Cardiac output CO monitoring units or accessories - Example: Heart rate monitors
 Cardiac pacemaker generator or cardiac resynchronization therapy pacemaker CRT-P - Example: Defibrillator testing devices

Cardiac ultrasound or doppler or echo units or cardioscopes
- Example: Echocardiography systems

Carding machine - Example: Textile carding machines

Cardiopulmonary resuscitation CPR protective shields or masks - Example: One-way valve protective shields

Cardiovascular or thoracic retractors - Example: IMA retractors

Cardiovascular sheath kits - Example: Cardiovascular catheter sheaths

Cardiovascular system veterinary products - Example: Thoracic drainage catheters

Cargo handling equipment - Example: Container reach stackers

Cargo or container ships - Example: Bulk carriers

Cargo trucks - Example: Hay trucks

Carpet cleaning equipment - Example: Carpet shampooers

Carriages or perambulators or strollers - Example: Strollers

Carts - Example: Motorized food transportation carts

Carving tools - Example: Pneumatic carving equipment

Cash box trays - Example: Money drawers

Cash or ticket boxes - Example: Imprest banks

Cash registers - Example: Computerized cash registers

Casing guns - Example: Perforating casing guns

Casing head spool - Example: Adapter spools

Cassette players or recorders - Example: Audio tape recorders

Cast cutters or saws - Example: Cast removal saws

Cast or splint carts - Example: Cast carts

Casting machines - Example: Centrifugal casting machines

Catalytic combustion analyzers - Example: Heating system combustion analyzers

Cathode ray tube CRT monitors - Example: Display screens

Cathodes or emitters - Example: Silver recovery systems

Cell scrapers - Example: Ayre's spatula

Cement bulk material equipment - Example: Concrete chutes

Cement or ceramic or glass or similar material molding machines - Example: Compacting machines

Cement pumping units - Example: Concrete pumps

Cement retainers - Example: Form liners

Center gauge - Example: Edge finders

Center punch - Example: Automatic center punches

Central processing unit CPU processors - Example: Graphics processing unit GPU

Central venous catheters - Example: Subclavian lines

Central venous pressure CVP manometer - Example: Invasive blood pressure analysis equipment

Centrex phone console - Example: Centrex phone consoles

Centrifugal laundry extractor - Example: Centrifugal laundry extractors

Centrifugal pumps - Example: Centrifugal water pumps

Centrifugal separation equipment or parts or screens - Example: Rotary sifters

Centrifuges - Example: Electric centrifuges

Ceramic crucibles - Example: Gooch crucibles

Cervical collars or neck braces - Example: Cervical collars

Chain conveyors - Example: Drag conveyors

Chain saw - Example: Chainsaws

Chamfering machine - Example: Chamfer mills

Character displays - Example: Betting boards

Charcoal pencils - Example: Sketching pencils

Chart projectors or accessories - Example: Illuminated cabinets

Check endorsing machines - Example: Check and document signers

Check writing machines - Example: Checkwriters

Cheese making machine - Example: Centrifugal clarifiers

Cheesegrater file - Example: Wood files

Chemical absorption gas analyzers - Example: Gas absorbers

Chemical agent detector - Example: Explosives detectors

Chemical hose - Example: Charging hoses

Chemical or gas sterilizers - Example: Ultraviolet ozone cleaners

Chemical pumps - Example: Embalming machines

Chemical resistant gloves - Example: Protective gloves

Chemical tanks - Example: Pesticide tanks

Chemical test strips or papers - Example: Chemical detection testers

Chemiluminescence or bioluminescence analyzers - Example: Chlorophyll-a probes

Chemistry analyzers - Example: Mercury analysis equipment

Chemistry test kits or supplies - Example: Lead testing kits

Chest cuirass products - Example: Negative pressure ventilators

Chest freezers - Example: Bait freezers

Chest percussors - Example: Percussors

Chest tube - Example: Chest tube drainage systems

Chest tube kit - Example: Pleural decompression kits

Childrens science kits - Example: Science activity kits

Chilling units or cold water circulators - Example: Circulating water cooling systems

Chisel bit - Example: Spot weld breakers

Chlorine handling equipment - Example: Dechlorination equipment

Cholesterol monitors or meters - Example: Cholesterol analyzers

Chopping machinery - Example: Meat choppers

Chromatographic detectors - Example: Liquid chromatography detectors

Chromatographic scanners - Example: Chromatographic scanning equipment

Chromatography syringes - Example: Chromatography microsyringes

Chromatography tubing - Example: Absorption tubes

Chuck keys - Example: Chuck wrenches

Chucks - Example: Clip tightening chucks

Cinch rescue loops - Example: Rescue slings

Cinematographic cameras - Example: Pan-tilt-zoom cameras

Circle cutter - Example: Fabric hole cutters

Circle or oval paper cutters - Example: Circle cutters

Circlip pliers - Example: Upholstery pliers

Circuit breakers - Example: Electrical circuit breakers

Circuit tester - Example: Circuit testers

Circuit tracers - Example: Electrical circuit tracers
 Circulating baths - Example: Circulating water baths
 Clarinets - Example: Bb clarinets
 Claw hammer - Example: Claw hammers
 Clay or modeling tools - Example: Pug mills
 Cleaning cloths or wipes - Example: Tack cloths
 Cleaning dusters - Example: Dusters
 Cleaning machines for seed or grain or dried leguminous vegetables - Example: Seed tumblers
 Cleanroom apparel - Example: Clean room suits
 Cleanroom ovens - Example: Clean room ovens
 Climbing devices for rehabilitation or therapy - Example: Stair climbers
 Clinical hydraulic lifts or accessories - Example: Mechanical lift devices
 Clinical incubators or infant warmers - Example: Infant warmers
 Clinical trapeze bars - Example: Bed trapezes
 Clock timers - Example: Electric timing devices
 Closed circuit television CCTV system - Example: Closed circuit television CCTV monitoring systems
 Cloth cutting machines - Example: Industrial fabric cutting machines
 Clothes dryers - Example: Industrial clothes dryers
 Clothing hangers - Example: Multipurpose clothing hangers
 Clutch repair kits - Example: Clutch alignment sets
 Coagulation analyzers - Example: Coagulation machines
 Coating machines - Example: Anti-electrostatic coating machines
 Cocktail shakers or accessories - Example: 3-piece cocktail shakers
 Cognitive or dexterity or perceptual or sensory evaluation or testing products - Example: Auditory stimulation equipment
 Cognitive toys - Example: Educational toys
 Coil condenser resistance or ohm tester - Example: Coil function testers
 Coiled tubing injector heads - Example: Siphon proportioners
 Coiled tubing units - Example: Coil tubing units
 Coin banks - Example: Table chip trays
 Coin sorters - Example: Coin sorting setups
 Coin wrapper machines - Example: Automatic coin wrappers
 Cold chisels - Example: Straight chisels
 Cold planers - Example: Cold in-place recyclers
 Cold press - Example: Cold presses
 Cold pressure or contact welding machine - Example: Cold-welding machines
 Coliwesas - Example: Composite liquid waste samplers COLIWASA
 Collection tanks - Example: Manure storage tanks
 Collets - Example: Collet chucks
 Color perception testing lanterns - Example: Color vision testing devices
 Color sensors - Example: Color difference meters
 Colorimeters - Example: Colorimetric field sampling devices
 Colposcopes or vaginoscopes or accessories - Example: Colposcopes

Column and knee milling machine - Example: Knee mills
 Combination furniture sets for dental procedures - Example: Dental furniture units
 Combination pliers - Example: Half-round pliers
 Combination refractor keratometers - Example: Autorefractors
 Combination square - Example: Combination square sets
 Combine harvesters - Example: Grain combines
 Combustible or hazardous gas detectors for power generators - Example: Combustible gas monitors
 Commercial fish hooks - Example: Commercial fish or shark hooks
 Commercial fishing floats - Example: Acorn buoys
 Commercial fishing line tackle - Example: Dogbones
 Commercial fishing nets - Example: Dip nets
 Commercial fishing reels - Example: Seine reels
 Commercial passenger propeller aircraft - Example: Small propeller aircraft
 Commercial sinkers or weights - Example: Commercial fishing line sinkers
 Commercial use bain maries - Example: Bain maries
 Commercial use barbeque ovens - Example: Braziers
 Commercial use blenders - Example: Blenders
 Commercial use broilers - Example: Broilers
 Commercial use cake or pie pans - Example: Commercial cake pans
 Commercial use coffee grinders - Example: Commercial coffee grinders
 Commercial use coffee or iced tea makers - Example: Commercial coffeemakers
 Commercial use combination oven - Example: Commercial use combination ovens
 Commercial use convection ovens - Example: Convection ovens
 Commercial use conveyer toasters - Example: Conveyer ovens
 Commercial use cotton candy machines or accessories - Example: Cotton candy machines
 Commercial use cutlery - Example: Commercial kitchen knives
 Commercial use deep fryers - Example: Batch fryers
 Commercial use dishwashers - Example: Automatic dishwashing systems
 Commercial use dough machines - Example: Dough mixers
 Commercial use electric can openers - Example: Can openers
 Commercial use food choppers or cubers or dicers - Example: Food choppers
 Commercial use food grinders - Example: Meat grinders
 Commercial use food processors - Example: Food processors
 Commercial use food slicers - Example: Food slicers
 Commercial use food warmers - Example: Steam tables
 Commercial use graters - Example: Box graters
 Commercial use griddles - Example: Griddles
 Commercial use grills - Example: Grills
 Commercial use heat lamps - Example: Infrared heat lamps

Commercial use high pressure steamers - Example: Pressurized steam cookers

Commercial use hot dog grills - Example: Hot dog cookers

Commercial use icing sets or bags - Example: Cake decorating tools

Commercial use jacketed tilting kettle - Example: Tilting commercial cooking kettles

Commercial use juicers - Example: Juice extractors

Commercial use ladles - Example: Commercial baking ladles

Commercial use measuring cups - Example: Dry or liquid measuring cups

Commercial use microwave ovens - Example: Commercial microwave ovens

Commercial use mixers - Example: Food mixers

Commercial use molds - Example: Soap molds

Commercial use ovens - Example: Commercial kitchen ovens

Commercial use pasta cookers - Example: Pasta cookers

Commercial use pasta machines - Example: Pasta machines

Commercial use peelers - Example: Vegetable peelers

Commercial use pizza ovens - Example: Pizza ovens

Commercial use plastic shovels - Example: Food handling shovels

Commercial use popcorn machines - Example: Popcorn machines

Commercial use ranges - Example: Induction cooktops

Commercial use rice cookers - Example: Rice cookers

Commercial use rolling pins - Example: Rolling pins

Commercial use rotisseries - Example: Rotisserie units

Commercial use scales - Example: Food measuring scales

Commercial use scoops - Example: Metal ice cream scoops

Commercial use smokers or smoke ovens - Example: Food smokers

Commercial use steamers - Example: Steam kettles

Commercial use strainers - Example: 2-prong strainers

Commercial use toasters - Example: Toasters

Commercial use waffle irons - Example: Waffle makers

Commercial use whisks - Example: Commercial food whisks

Commercial use woks - Example: Woks

Commercial water heaters - Example: Water heaters

Compact disc CD or labeling printers - Example: Optical media printers

Compact disk players or recorders - Example: Compact disk CD recorders

Compact disks CDs - Example: Magneto optical discs

Compactors - Example: Walk-behind compacting equipment

Comparators - Example: Optical comparators

Complementary deoxyribonucleic acid cDNA synthesis kits - Example: Deoxyribonucleic acid DNA synthesizers

Completion bull plugs - Example: Hole savers

Completion hydraulic pumps - Example: Hydraulic pumping systems

Complex controlling devices - Example: Automatic land leveling systems

Composite placement tools - Example: Composite placing instruments

Composter - Example: Composting equipment

Compressed air gun - Example: Impact guns

Compression die adaptor - Example: Die changers

Compression pressure gauge - Example: Leakdown testers

Compression testers - Example: Material tension/compression testing devices

Compressor control panels - Example: Steam controls

Computed tomography CT or CAT radiotherapy simulators - Example: Maskless photolithography equipment

Computer display glare screens - Example: Anti-glare visors

Computer kiosk - Example: Bingo consoles

Computer mouse or trackballs - Example: Three-dimensional motion controllers

Computer workstation - Example: Computer clusters

Computerized medication dispensing cabinet - Example: Automated medicine dispensing machines

Concrete mixers or plants - Example: Concrete mixers

Concrete or cement testing instruments - Example: Concrete test hammers

Concrete paving strike offs - Example: Vibrating concrete screeds

Concrete pump truck - Example: Concrete boom pumps

Concrete spreaders - Example: Screeds

Concrete transport truck - Example: Mixer trucks

Condensing units - Example: Condensers

Conductivity cells - Example: Electrical conductivity cells

Conductivity meters - Example: Soil electrical conductivity measurement devices

Conductors batons - Example: Conducting batons

Conduit benders - Example: Cable benders

Cone crushers - Example: Cone crushing equipment

Contact lenses - Example: Colored contact lenses

Contact printer - Example: Contact print frames

Container trailers - Example: Powered trailers

Content delivery networking equipment - Example: High-speed networking testbeds

Continuous arteriovenous dialysis CAVHD units or related products - Example: Kidney dialysis equipment

Continuous mining equipment - Example: Continuous miners

Continuous passive motion CPM devices or accessories - Example: Continuous passive motion CPM machines

Control unit - Example: Digital playback machines

Control valves - Example: Flow control valves FCV

Conventional truck cranes - Example: Truck cranes

Conversation recording units - Example: Digital recording instruments

Convex security mirrors - Example: Security inspection mirrors

Conveyor feeders - Example: Electromagnetic vibratory feeders

Conveyor idlers - Example: Return idlers

Conveyor rails - Example: Monorails

Conveyor roller - Example: Mortuary roller systems

Conveyor screw - Example: Grain augers

Conveyor system - Example: Monorail conveyer systems

Conveyor weighting scale - Example: Belt conveyor scales

Cookie cutters - Example: Bakery cookie cutters

Cooking machinery - Example: Jet cooking systems
 Cool containers - Example: Refreshment carts
 Cooling exchangers - Example: Water chilling systems
 Cooling machine - Example: Cooling tunnels
 Coping saw - Example: Coping saws
 Core drills - Example: Core drill rigs
 Core drying ovens - Example: Drying systems
 Coring equipment - Example: Power coring devices
 Corneal camera - Example: Specular microscopes
 Corona treaters - Example: Cylindrical corona testers
 Coronary stent - Example: Coronary stents
 Corrosion testers - Example: Electrolytic corrosion testing equipment
 Cosmetic dentistry curing lights or accessories - Example: Curing lights
 Costumes or accessories - Example: Costumes
 Counter weight bag and counterweight - Example: Balance weights
 Counters - Example: Electronics counters
 Countersink tool or counterbore tool - Example: Countersinks
 Crane scale - Example: Crane scales
 Crankshaft grinder - Example: Crankshaft straighteners
 Crayons - Example: Lumber crayons
 Cream separator - Example: Commercial cream separators
 Crimping pliers - Example: Beading tools
 Cross and straight pein hammer - Example: Chasing hammers
 Cross cut chisels - Example: Criss-cross chisels
 Cross trainers - Example: Elliptical trainers
 Crown blocks - Example: Derrick crown blocks
 Crown or bridge removers - Example: Bridge removers
 Crows foot wrench - Example: Crowfoot wrenches
 Crucible furnaces - Example: Melt spinners
 Crucibles for dental casting machines - Example: Crucibles
 Crusher hammer - Example: Rock hammers
 Crushers - Example: Crushing machines
 Crushing machinery - Example: Food crushers
 Crutches or crutch accessories - Example: Crutches
 Cryogenic or liquid nitrogen freezers - Example: Biofreezers
 Cryogenic pumps - Example: Nitrogen pumps
 Cryogenic temperature controllers - Example: Temperature controllers
 Cryosurgery equipment or accessories - Example: Cryosurgical units
 Crystal growing equipment - Example: Crystal growers
 Cultivators - Example: Mechanized tilling equipment
 Curbing machines - Example: Slipform curbing pavers
 Curing machines - Example: Cure sprayers
 Currencies or coinage - Example: Sports flip coins
 Current meter - Example: Velocimeters
 Current sensors - Example: Amplifier probes
 Curves - Example: French curves
 Cutlery or utensils for the physically challenged - Example: Adaptive utensils
 Cutters - Example: Insulation trimmers
 Cutting die - Example: Metal cutting dies

Cutting disc - Example: Ball cutters
 Cutting machinery - Example: Meat saws
 Cutting machines - Example: Fiber cleavers
 Cutting or paring boards for the physically challenged - Example: Slicing guides
 Cutting or pinking machines - Example: Band knife cutting machines
 Cuvettes - Example: Plastic cuvettes
 Cyclone or vortex grinders - Example: Rotary grinders
 Cylinder gauge - Example: Ring gauges
 Cylindrical grinding machine - Example: Inside diameter outside diameter ID-OD grinders
 Cymbals - Example: Orchestral cymbals
 Cystourethroscopes - Example: Cystoscopes
 Dapping punches - Example: Chasing tools
 Darkfield microscopes - Example: Phase contrast microscopes
 Dart boards - Example: Dart board equipment
 Dating or numbering machines - Example: Numbering machines
 Deburring tool - Example: Deburring tools
 Decontamination shower - Example: Safety showers
 Decorticators - Example: Girdling tools
 Defense Digital Imaging Network DIN system equipment - Example: Defense digital imaging network-picture archiving and communications systems DIN-PACS
 Deflecting devices - Example: Deflectors
 Dehydrating machinery - Example: Drum dryers
 Dehydrators - Example: Dehydration equipment
 Deionization or demineralization equipment - Example: Demineralizers
 Delivery trucks - Example: Mail delivery trucks
 Demolition equipment kits - Example: Demolition saws
 Demolition hammers - Example: Chipping hammers
 Densitometers - Example: Nuclear densometers
 Density gradient fractionators - Example: Universal fractionators
 Density measurement instrument - Example: Density meters
 Dental absorbent holders - Example: Gauze packers
 Dental amalgam carvers - Example: Amalgam condensers
 Dental amalgamators - Example: Dental amalgamation equipment
 Dental anesthesia sets or accessories - Example: Anesthesia machines
 Dental articulators or accessories - Example: Adjustable articulators
 Dental bite blocks or wings or tabs - Example: Bite blocks
 Dental calipers - Example: Metric calipers
 Dental cord packers - Example: Dental cord packing instruments
 Dental cryosurgical units - Example: Dental cryosurgery units
 Dental cutting or separating discs - Example: Compass microsaws
 Dental dam supplies - Example: Rubber dam clamp forceps
 Dental dehydrators - Example: Dental aspirators
 Dental depth gauges - Example: Apex locators
 Dental drills or drill bits - Example: Dental drills

Dental elevators - Example: Cross-bar elevators	Dental materials dispensers - Example: Gutta percha dispensers
Dental examination chairs or related parts or accessories - Example: Dental patient chairs	Dental matrices or sets - Example: Amalgam retainers
Dental files or rasps - Example: Bone files	Dental mirrors or mirror handles - Example: Fiberoptic dental mirrors
Dental filler contouring instruments - Example: Filling instruments	Dental nippers - Example: Tissue nippers
Dental film processors - Example: Automatic film processing systems	Dental obturating points - Example: Endodontic obturating cones
Dental finishing or polishing discs - Example: Rotary abrasive instruments	Dental operatory retraction cords - Example: Retraction cords
Dental finishing or polishing kits - Example: Denture, acrylic and porcelain polishing kits	Dental pin drivers - Example: Dowel pin drills
Dental forceps - Example: Anterior forceps	Dental pressure indicating kits - Example: Occlusal force analysis systems
Dental formers - Example: Vacuum formers	Dental probes - Example: Dental picks
Dental gages or accessories - Example: Boone gauges	Dental prophylaxis kits - Example: Prophylaxis angles
Dental hand pieces or accessories - Example: Dental handpieces	Dental pulp or vitality testers - Example: Pulp testers
Dental hygiene instruments - Example: Electronic calculus detectors	Dental radiology film - Example: Periapical films
Dental impression material syringes or accessories - Example: Dental impression guns	Dental reamers - Example: Broaches
Dental impression material water baths or accessories - Example: Hygrobaths	Dental retainers - Example: Matrix retainers
Dental instrument sharpening accessories - Example: Sharpening stones	Dental retractors - Example: Dental fiberoptic retractors
Dental knives - Example: Plaster knives	Dental root tip picks - Example: Crane picks
Dental laboratory air abrasion units - Example: Dental air abrasion systems	Dental saliva ejectors or oral suction devices or supplies - Example: Dental suction units
Dental laboratory burners or torches - Example: Endodontic micro-torches	Dental scalers or accessories - Example: Ultrasonic scalers
Dental laboratory casting machines or its parts or accessories - Example: Denture model presses	Dental scissors - Example: Crown scissors
Dental laboratory curing units - Example: Dental laboratory curing lights	Dental shades - Example: Tooth shade guides
Dental laboratory dies - Example: Dental laboratory die mold fabrication systems	Dental spatulas - Example: Cement spatulas
Dental laboratory flasks - Example: Injection flasks	Dental spreaders - Example: Root canal spreaders
Dental laboratory furnaces - Example: Dental ovens	Dental stones - Example: Dental finishing stones
Dental laboratory gold platers or supplies - Example: Dental laboratory gold platers	Dental syringe accessory kits - Example: Air/water syringe tips
Dental laboratory lathes or accessories - Example: Dental laboratory lathes	Dental syringes or needles or syringes with needles - Example: Bulb irrigators
Dental laboratory model trimmers or accessories - Example: Dental laboratory model trimmers	Dental tongs - Example: Cotton pliers
Dental laboratory sandblasters or supplies - Example: Dental laboratory microblasters	Dental tooth separators - Example: Orthodontic separators
Dental laboratory soldering machines or supplies - Example: Dental laboratory solderers	Dental tweezers - Example: College tweezers
Dental laboratory vacuum units or supplies - Example: Stone vacuum mixers	Dental wedges or sets - Example: Dental wedges
Dental laboratory vibrators - Example: Plaster vibrators	Dental x ray apparatus parts or kits or accessories - Example: X ray machine cones
Dental laboratory waxing units - Example: Dental laboratory wax heaters	Dental x ray units - Example: Panoramic x ray machines
Dental lasers - Example: Dental laser equipment	Deoxyribonucleic acid DNA typing kits - Example: DNA typing kits
Dental marking devices - Example: Gothic arch tracers	Deoxyribonucleic acid sequence analyzers - Example: Deoxyribonucleic acid DNA sequencers
Dental material pluggers or tips or accessories - Example: Cement placing instruments	Depalletizers - Example: Automatic pallet unloaders
	Deposit bags - Example: Bank deposit bags
	Depth gauges - Example: Pit depth gauges
	Depth indicators - Example: Depth gauges
	Depth perception apparatus - Example: Randot stereo tests
	Derricks - Example: Digger derricks
	Desktop calculator - Example: 10-key calculators
	Desoldering Gun - Example: Desoldering tools
	Desoldering pump - Example: Desolder pumps
	Detection apparatus for non metallic objects - Example: Inductive clamps
	Detonator box - Example: Blasting machines
	Detonators - Example: Remote detonation systems

Developing tanks - Example: Darkroom developing tanks
 Developing tongs - Example: Printing tongs
 Developing trays - Example: Processing trays
 Dewatering equipment - Example: Sludge dryers
 Dewatering pumps - Example: Drainage pumps
 Diagnostic or interventional vascular catheter introducers or sets - Example: Brockenbrough needles
 Diagnostic or interventional vascular catheters or sets - Example: Angiocaths
 Diagonal cut pliers - Example: Flush cutters
 Dial calibrated intravenous flowmeters or regulators - Example: Infusion control devices
 Dial indicator or dial gauge - Example: Dial indicators
 Diaphragm pumps - Example: Test pumps
 Dicing machinery - Example: Dicers
 Dictation machines - Example: Dictation equipment
 Die casting die - Example: Die cast dies
 Die casting machine - Example: Cold chamber die casting machines
 Die stocks - Example: Heavy duty die stocks
 Diesel engines - Example: Rig diesel engines
 Diesel freight locomotives - Example: Diesel freight engines
 Diesel generators - Example: Diesel-powered generators
 Diesel passenger locomotives - Example: Diesel passenger engines
 Dietary guidelines or balanced diets educational resources - Example: Nutrition management software
 Digestion systems - Example: Digestion units
 Digging bars - Example: Bulb planters
 Digital audio workstation DAW - Example: Digital audio workstations
 Digital camcorders or video cameras - Example: Digital video equipment
 Digital duplicators - Example: Digital duplicating machines
 Digital Imaging Communications in Medicine DICOM standard system equipment - Example: Digital Imaging Communications in Medicine DICOM system equipment
 Digital pen - Example: Digital pens
 Digital readout recorders - Example: Baseband recorders
 Digital Signal Processor DSP - Example: Supervisory control and data acquisition SCADA equipment
 Digital telephones - Example: Voice over internet protocol VoIP systems
 Digital testers - Example: Bit error rate testers BERT
 Digital video disk players or recorders - Example: Digital video disk DVD players
 Digital video recorders - Example: Digital video recording equipment
 Digital voice recorders - Example: Digital audio recorders
 Dimmers and accessories - Example: Dimmers
 Dinghies - Example: Fishing dinghies
 Dip tanks - Example: Immersion tanks
 Direction finding compasses - Example: Navigational compasses
 Disc sander - Example: Power disc sanders
 Discus - Example: Throwing discus

Dish drainer - Example: Dish drying racks
 Displacement transducer - Example: Displacement transducers
 Dissection kits or supplies - Example: Dissecting tools
 Dissolution or disintegration testers - Example: Soil modulus failure testing devices
 Dissolved carbon dioxide analyzers - Example: Respirometers
 Dissolved oxygen meters - Example: Handheld dissolved oxygen meters
 Distillation pipings or columns or fittings - Example: Distillation columns
 Distortion meter - Example: Distortion analyzers
 Distribution or control board fixtures - Example: Panelboard switches
 Diving air pump - Example: Diving compressor systems
 Diving boards - Example: Diving platforms
 Diving boot - Example: Hard sole wet boots
 Diving instruments or accessories - Example: Self-contained underwater breathing apparatus SCUBA equipment
 Dock plates - Example: Bridge plates
 Dock ramps - Example: Dockboards
 Dock rings - Example: Bitts
 Document camera - Example: Document cameras
 Dog catching pole - Example: Animal catch poles
 Dollies - Example: Equipment dollies
 Domestic apple corer - Example: Apple corers
 Domestic baking pans - Example: Bakeware pans
 Domestic baking sheets - Example: Metal baking sheets
 Domestic biscuit cutters - Example: Biscuit dough cutters
 Domestic blenders - Example: Kitchen blenders
 Domestic bread slicing guide - Example: Pastry slicing jigs
 Domestic can or bottle openers - Example: Corkscrews
 Domestic clothes washers - Example: Washing machines
 Domestic clothing irons - Example: Pressing equipment
 Domestic coffee makers - Example: Electric coffeemakers
 Domestic convectional ovens - Example: Built-in ovens
 Domestic cooling racks - Example: Food cooling racks
 Domestic crock pot - Example: Kitchen crock pots
 Domestic cutting boards - Example: Cutting boards
 Domestic dish washers - Example: Commercial dishwashers
 Domestic double boilers - Example: Double boilers
 Domestic dough press - Example: Manual dough presses
 Domestic electric knives - Example: Electric knives
 Domestic electric skillets - Example: Tilt skillets
 Domestic food processors - Example: Kitchen food processors
 Domestic food scrapers - Example: Bench scrapers
 Domestic forks - Example: Carving forks
 Domestic freezers - Example: Deep freezers
 Domestic frying pans - Example: Kitchen skillets
 Domestic garbage disposals - Example: Disposal units
 Domestic garlic press - Example: Garlic presses
 Domestic garnishing tools - Example: Parisian cutters
 Domestic graters - Example: Food graters
 Domestic hair dryers - Example: Blowdryers

Domestic indoor electric grills - Example: Electric grills
Domestic kitchen funnels - Example: Funnels
Domestic kitchen or diet scales - Example: Digital scales
Domestic kitchen or food thermometers - Example:
Instant-read pocket thermometers
Domestic kitchen spatulas - Example: Fish spatulas
Domestic kitchen timers - Example: Digital kitchen timers
Domestic kitchen tongs - Example: Kitchen tongs
Domestic kitchen wire whips - Example: Wire whisks
Domestic knife sharpeners - Example: Knife sharpeners
Domestic knives - Example: Chef's knives
Domestic mandolin - Example: Mandolines
Domestic measuring cups - Example: Measuring cup sets
Domestic measuring spoons - Example: Measuring spoon
sets
Domestic melon or butter baller - Example: Melon ballers
Domestic microwave ovens - Example: Microwave ovens
Domestic mist or trigger sprayers - Example: Martini misters
Domestic mixers - Example: Stand mixers
Domestic mixing bowls - Example: Mixing bowls
Domestic muffin pans - Example: Muffin pans
Domestic pastry brush - Example: Pastry brushes
Domestic pet training kits - Example: Agility A-frames
Domestic pizza cutters - Example: Pizza cutters
Domestic ranges - Example: Electric ranges
Domestic refrigerators - Example: Refrigerators
Domestic rolling pins - Example: Rolling pins
Domestic saucepans - Example: Saucepans
Domestic saute pans - Example: Nonstick saute pans
Domestic serving utensils - Example: Ladles
Domestic sifter - Example: Sifters
Domestic spoons - Example: Perforated spoons
Domestic stock pots - Example: Stockpots
Domestic strainers or colanders - Example: Kitchen strainers
Domestic tortilla bakers - Example: Tortilla grills
Domestic trash compactors - Example: Garbage compactors
Domestic tumble dryers - Example: Dryers
Domestic vegetable brush - Example: Vegetable brushes
Domestic whipped cream maker - Example: Cream whippers
Domestic wooden oven paddle - Example: Bakers' peels
Domestic wooden spoons - Example: Wooden spoons
Door openers - Example: Door opening controls
Dosing droppers - Example: Eye droppers
Double arm kneading mixers - Example: Continuous
kneading machines
Double ended stud - Example: Shims
Dough knife - Example: Pastry cutters
Dovetail machine - Example: Dovetail jigs
Downhole fishing poles - Example: Downhole fishing tools
Drafting divider - Example: Drafting dividers
Drafting kits or sets - Example: Arm drafting machines
Drafting tables - Example: Drafting boards
Draglines - Example: Drag brooms
Drain or pipe cleaning equipment - Example: Pipe cleaners
Drain or toilet plunger - Example: Plungers
Drawworks - Example: Drilling draw works
Dredge pumps - Example: Water dredges

Dredgers - Example: Biological dredges
Dressing sticks for the physically challenged - Example:
Dressing sticks
Dressmakers ruler - Example: Sewing rulers
Drill bit set - Example: Drill bit sets
Drill collars - Example: Drilling collars
Drill gauge - Example: Drill point gauges
Drill hoses - Example: Mud hoses
Drill pipe - Example: Oil drilling pipes
Drill press or radial drill - Example: Bench drill presses
Drill rig elevators - Example: Casing elevators
Drill rig rotary tables - Example: Drilling rig rotary tables
Drill swivels - Example: Drilling swivels
Drill vise - Example: Bead drilling vises
Drilling casings - Example: Borehole casings
Drilling machines - Example: Drill presses
Drilling screens - Example: Dewatering screens
Drive pins - Example: Bull pins
Drop hammer forging machine - Example: Hydraulic drop
forging hammers
Dropping pipettes - Example: Laboratory dropping pipettes
Drug delivery system or accessories - Example: Micropumps
Drum grabs - Example: Barrel clamps
Drum openers - Example: Hopper gate openers
Drum sander - Example: Drum sanders
Drum stick - Example: Drum mallets
Drums - Example: Drum sets
Dry baths or heating blocks - Example: Heat blocks
Dry cleaning machines - Example: Dry cleaning equipment
Dry erase boards or accessories - Example: Whiteboards
Dry heat or hot air sterilizers - Example: Bactincinerators
Dry kiln fired clay - Example: Clay firing kilns
Dry wall single chamber carbon dioxide incubators -
Example: Carbon dioxide CO2 incubators
Drying cabinets or ovens - Example: Drying ovens
Drying racks - Example: Tobacco hanging racks
Drysuits - Example: Dry suits
Ductility testing machines - Example: Ductility testers
Dumbbells - Example: Fitness dumbbells
Dummy loads - Example: Dummy antennas
Dust brushes or pans - Example: Long-handled brushes
Dusters - Example: Power dusters
Dye sublimation printers - Example: Sublimation printers
Dyeing machines - Example: Beam dyeing machines
Dynamometers - Example: Push/pull dynamometers
Ear clamps - Example: Oetiker clamps
Ear muffs - Example: Protective ear muffs
Ear plugs - Example: Protective ear plugs
Earphone - Example: In-ear monitors IEM
Earthmoving buckets or its parts or accessories - Example:
Slurry buckets
Earthmoving shovels - Example: Fire plows
Eddy current examination equipment - Example: Eddy
current inspection equipment
Edge bander - Example: Edge banding machines
Edging tools - Example: Finish edging tools

Egg inspection or collecting equipment - Example: Egg gathering equipment

Electric actuators - Example: Electric switch controls

Electric freight locomotives - Example: Electric freight engines

Electric furnace - Example: Electric arc furnaces

Electric hair clipper - Example: Hair clippers

Electric passenger locomotives - Example: Electric passenger engines

Electric rotary converters - Example: Silicon controlled rectifiers SCR

Electric vehicle charging kit - Example: Refrigerant charging stations

Electric vibrators for rehabilitation or therapy - Example: Massage units

Electrical coil winding machine - Example: Armature winders

Electrical control panels for generators - Example: Pulsed width modulation PWM drives

Electrical frequency meters - Example: Noise figure meters

Electrical insulators - Example: Arc suppression blankets

Electrical jumper cable - Example: Jumper cable sets

Electrical or power regulators - Example: Rheostats

Electrical power sensors - Example: Wire locators

Electrical resistance or conductance sensors - Example: Ground testers

Electrician kits - Example: Alignment tools

Electro etcher marking machine - Example: Micro-etchers

Electro pneumatic transducers - Example: Pressure transducers

Electrocardiography EKG accessories - Example: Electrocardiography EKG tape reading scanners

Electrocardiography EKG electrode patch - Example: Electrocardiography EKG electrodes

Electrocardiography EKG transmitter or telemetry or accessories - Example: Telemetry monitors

Electrocardiography EKG unit analyzers - Example: Vector-cardiographs

Electrocardiography EKG units - Example: Electrocardiography EKG monitors

Electrocochleographs - Example: Electrocochleography ECOG equipment

Electroconvulsive device - Example: Electroconvulsive therapy ECT units

Electrode holder - Example: Electrode holders

Electrodes - Example: Oxygen electrodes

Electroencephalograph EEG or accessories - Example: Electroencephalography EEG equipment

Electroencephalographic spectrum analyser - Example: Electroencephalogram EEG signal spectrum analyzers

Electrogravimetry analyzers - Example: Electrochemical analyzers

Electrolytic bath machine - Example: Electroplating machines

Electromagnetic field meters - Example: Magnetic field meters

Electromagnetic geophysical instruments - Example: Magnetic locators

Electromagnets - Example: Laboratory electromagnets

Electrometers - Example: Biomedical device electrical safety testers

Electromyograph electrodes or sets - Example: Corkscrew needle electrodes

Electromyographs - Example: Electromyographs EMG

Electromyography EMG units or accessories - Example: Electromyographs EMG

Electron beam welding EBW machine - Example: Diffusion-welding machines

Electron guns - Example: Phosphorimagers

Electron microscopes - Example: Electron microprobe analyzers EMPA

Electronic actuators - Example: Motion actuators

Electronic blood pressure units - Example: Automatic blood pressure cuffs

Electronic charts or maps or atlases - Example: Appraisal, mapping, and comparison data reporting systems

Electronic counters - Example: Fish counters

Electronic encyclopedias - Example: Hardy Diagnostics HUGO

Electronic funds transfer point of sale equipment - Example: Money order terminals

Electronic instrument tuner - Example: Digital tuners

Electronic loads - Example: Load sensors

Electronic measuring probes - Example: Logic probes

Electronic media or data duplicating equipment - Example: Backup drives

Electronic medical thermometers - Example: Digital medical thermometers

Electronic multichannel pipettors - Example: 8-channel electronic pipettes

Electronic reader or E-reader - Example: E-readers

Electronic stethoscopes or accessories - Example: Pretracheal stethoscopes

Electronic viewfinder - Example: Lens finders

Electronic voting or vote-counting equipment - Example: Ballot marking devices

Electronics pliers - Example: Diagonal cutting electronics pliers

Electrophoresis system accessories - Example: Electrophoresis tanks

Electrophoresis system power supplies - Example: Electrophoresis power supplies

Electroporation cuvettes - Example: Electroporators

Electroretinogram systems - Example: Electroretinogram equipment

Electrostatic apparatus - Example: Excitation systems

Electrosurgical or electrocautery accessories or attachments - Example: Cauterizers

Electrosurgical or electrocautery equipment - Example: Electrosurgery devices

Electrotherapy combination units - Example: Electric stimulation machines

Elevating scrapers - Example: Box scrapers

Elevators - Example: New fuel elevators

Embalming cavity injectors - Example: Embalming bulb syringes

Embalming injecting tubes - Example: Arterial tubes

Embalming injector needles - Example: Needle injector guns

Embalming sinks or accessories - Example: Sink covers

Embalming vein drainage tubes - Example: Jugular drain tubes

Embossing tools - Example: Embossing machines

Embroidery hoops - Example: Hoop frames

Embroidery making machines - Example: Embroidery machines

Emergency dye signals - Example: Die markers

Emergency light unit - Example: Emergency lights

Emergency medical service intravenous IV kit - Example: Intraosseous kits

Emergency medical services cervical or extrication collars - Example: Emergency medical services cervical collars

Emergency medical services first aid kits - Example: Emergency first aid kits

Emergency medical services head immobilizers - Example: Head immobilizers

Emergency medical services obstetrics kits - Example: Obstetrical OB kits

Emergency medical services oxygen or resuscitation kits - Example: Self-inflating manual resuscitation devices

Emergency medical services rappel kits - Example: Rescue rappel equipment

Emergency medical services suction units or accessories - Example: Airway suction units

Emergency medical services torso immobilizers - Example: Torso immobilizers

Emergency medical services tourniquets or clamps - Example: Tourniquets

Emergency medical services tracheal tube or cricothyrotomy kits - Example: Cricothyrotomy devices

Emergency medical services triage tags - Example: Triage tags

Emergency or resuscitation carts - Example: Crash carts

Emergency response litters or stretchers or accessories - Example: Life support for trauma and transport LSTAT intensive care units

Emergency resuscitator or aspirator kits - Example: Resuscitation devices

Emergency vehicle exits - Example: Emergency exit doors

Enameling Kilns - Example: Burnout kilns

Encoder decoder equipment - Example: Encoders

End cut pliers - Example: Side-cutting pliers

End mills - Example: Center-cutting end mills

Endoscope maintenance units or accessories - Example: Endovascular stent-graft testing instruments

Endoscopic clamp or dissector or grasper or forceps - Example: Laparoscopic graspers

Endoscopic cytology or microbiology brushes - Example: Cytobrushes

Endoscopic dilators or inflation devices - Example: Inflation devices

Endoscopic equipment or procedure carts or accessories - Example: Endoscopy equipment

Endoscopic equipment sets - Example: Pediatric endoscopes

Endoscopic instrument packs or trays or kits - Example: Endoscopic procedure sets

Endoscopic instrument sets - Example: Arthroscopic surgical equipment

Endoscopic insufflation or distention units or accessories - Example: Endoscopic insufflators

Endoscopic or surgical light sources or accessories - Example: Surgical lights

Endoscopic printers or accessories - Example: Endoscopic image printers

Endoscopic snares or snare wires or accessories - Example: Endoscopic snares

Endoscopic suction or irrigation tips or coagulation probes or accessories - Example: Endoscopic suction pumps

Endoscopic video cameras or recorders or adapters or accessories - Example: Video endoscopy equipment

Endoscopic water bottles or accessories - Example: Endoscopic water bottles

Endotracheal or tracheotomy sets - Example: Tracheostomy sets

Endotracheal tubes - Example: Endotracheal ET tubes

Enema kits or accessories - Example: Enema equipment

Engine ignition systems - Example: Dwell meters

Engine injector tester - Example: Idle air control signal tester

Engine or component test stands - Example: Fuel cell test stands

Engine or vehicle stands - Example: Jack stands

Engine radiators - Example: Oil coolers

Engine tune up tester - Example: Engine analyzers

Engravers - Example: Engraving equipment

Engraving machines - Example: Laser engravers

Enteral feeding administration sets - Example: Enteral feeding equipment

Enteral feeding infusion pump tubing sets - Example: Infusion pump enteral feeding tubes

Enteral feeding infusion pumps - Example: Patient feeding pumps

Entomological catching equipment - Example: Aerial nets

Environmental test chamber - Example: Cyclical variations in adaptive conditioning CVAC pods

Enzyme analyzers - Example: Enzyme immunoassay kits

Epidiascopes - Example: Opaque projectors

Epidural anesthesia kit or tray - Example: Epidural catheters

Equalizers - Example: Audio equalizers

Ergometer - Example: Ergometers

Esophageal tubes - Example: Esophageal tracheal airway devices

Etching needles - Example: Underglaze applicators

Euphonium - Example: Euphoniums

Evaporative coolers - Example: Cooling towers

Evoked response detector - Example: Audio evoked potential testers
 Exercise balls - Example: Stability balls
 Exophthalmometers - Example: Diagnostic exophthalmometers
 Expanders - Example: Bead expanders
 Expansion valves - Example: Hand expansion valves
 Explosive initiators - Example: Pyrotechnic initiators
 Explosive loading machinery spare parts or accessories - Example: Loading poles
 Explosives fuses - Example: Detonating cords
 Extendable conveyors - Example: Radial stackers
 Extending clamp - Example: Cam clamps
 Extension pole - Example: Prism poles
 Exterior automobile lighting - Example: Bus warning lights
 Exterior ship or boat lighting - Example: Anchor lights
 Extracting equipment for laboratories - Example: Laboratory extraction equipment
 Extremities cradles - Example: Bed cradles
 Extremity hydrotherapy baths or tanks - Example: Fluidotherapy equipment
 Extremity restraints - Example: Patient leg restraints
 Extruders for modeling materials - Example: Modeling material extruders
 Eye bolts - Example: Galvanized thimbles
 Eye charts or vision cards - Example: Snellen eye charts
 Eye occluders - Example: Combined cover paddle occluders
 Eye shields - Example: Radiation protection eyewear
 Eyemagnets for ophthalmic surgery - Example: Eye magnets
 Eyewashers or eye wash stations - Example: Eyewash stations
 Fabric frame - Example: Quilting frames
 Fabric or cloth folding machines - Example: Bias tape machines
 Fabric or netting for entomology - Example: Insect swoop nets
 Fabric or tailors chalk holders - Example: Chalk pencil holders
 Faceting laps - Example: Lapidary units
 Facial shields - Example: Protective eye shields
 Fall protection lanyard - Example: Safety lanyards
 Fans - Example: Ventilation fans
 Farmers own file - Example: Knife files
 Fat extractors - Example: Specific gravity fat analyzers
 Fatigue testers - Example: Fatigue testing machines
 Feed mixers - Example: Animal feed mixers
 Feed or drive rollers - Example: Fiber reinforced polymer FRP rollers
 Feeder jig - Example: Push sticks
 Feeding bottles or accessories - Example: Baby bottles
 Felting machines - Example: Feltmaking machines
 Fencing sword or foil - Example: Fencing foils
 Fertilizer spreaders or distributors - Example: Fertilizer injectors
 Fetal or gynecological ultrasound or echo units - Example: Fetal doppler units
 Fiber optic test sources - Example: Optical power meters

Fiber sensors - Example: Silica-carbide fiber sensors
 Fids - Example: Row separators
 Field hockey sticks - Example: Regulation field hockey sticks
 Field strength measuring equipment - Example: Field strength meters
 Filing cabinets or accesories - Example: Check filing cabinets
 Filling machinery - Example: Piston filling machines
 Filling or sealing auger dose machines - Example: Sealing machines
 Film driers - Example: Film drying cabinets
 Film editors - Example: Film processors and editors
 Film splicers - Example: Splicing machines
 Film squeegee - Example: Print squeegees
 Film washers - Example: Force film washers
 Filtering machinery - Example: Particulate filters
 Filters or other spare parts for samplers - Example: Sounding reels
 Fine spinning machine - Example: Fine spinning machines
 Finger ring removers - Example: Ring cutters
 Fingerprint applicators or brushes - Example: Fingerprint brushes
 Fingerprint equipment - Example: Suspect fingerprinting equipment
 Fingerprint latent print kits - Example: Fingerprint evidence kits
 Finishing machines - Example: Textile finishing machines
 Fire alarm control panel - Example: Fire alarm monitoring systems
 Fire alarm systems - Example: Fire detection systems
 Fire blankets - Example: Fire suppression blankets
 Fire breathing apparatus - Example: Firefighting respirators
 Fire escape equipment - Example: Safety line evacuation kits
 Fire fighting watercraft - Example: Water rescue boats
 Fire hoses or nozzles - Example: Fire hoses
 Fire or rescue trucks - Example: High-pressure pumper units
 Fire pump sets - Example: Backpack fire pumps
 Fire retardant apparel - Example: Protective fire coats
 Fire retardant footwear - Example: Protective fire boots
 Fire suppression hand tools - Example: Fire rakes
 Fire suppression system - Example: Fire suppression sprinkler systems
 Fire tube boilers - Example: Biomass boilers
 Firewall network security equipment - Example: Firewall equipment
 First aid blankets - Example: Space blankets
 Fish tape - Example: Fish tapes
 Fishing boats - Example: Electroshocking boats
 Fishing lures - Example: Fish magnets
 Fishing net haulers - Example: Line haulers
 Fishing reels - Example: Sport fishing reels
 Fishing rods - Example: Fishing poles
 Fitness weights - Example: Free weights
 Fixed computer gaming console - Example: Video gaming equipment
 Fixed screens - Example: Screens

Flags or accessories - Example: Crime scene evidence flags
 Flame arrestor - Example: Backfire flame arrestors
 Flame cutting machine - Example: Flame cutting equipment
 Flame ionization analyzers - Example: Continuous flame ionization detectors FID
 Flare or vent stacks - Example: Enclosed flares
 Flares - Example: Road flares
 Flaring tool - Example: Cable flaring tools
 Flash butt welding machine - Example: Butt fusion machines
 Flash memory storage card - Example: Flash disks
 Flashback arrestor - Example: Flashback arrestors
 Flashlight - Example: Flashlights
 Flask or retort units - Example: Retort sterilization equipment
 Flat hand file - Example: Flat files
 Flat nose pliers - Example: Boot clamp pliers
 Flat taper file - Example: Vixen files
 Flatbed trailers - Example: Equipment transport trailers
 Flatbed truck - Example: Trailer moving trucks
 Flexible endoscopes or accessories or related products - Example: Flexible fiberoptic endoscopes
 Flexographic printer - Example: Flexographic plate processors
 Flexure or transverse testing machines - Example: Finger joint flexure testers
 Flight computer systems - Example: Aircraft data loaders
 Floats - Example: Concrete floats
 Flood light - Example: Flood lighting
 Floor centrifuges - Example: Laboratory floor centrifuges
 Floor grade forceps or hemostats - Example: Medical hemostats
 Floor grade nail nippers - Example: Medical nail nippers
 Floor grade needle holders - Example: Needle holders
 Floor grade scissors - Example: Medical scissors
 Floor or platform scales - Example: Grain scales
 Floor polishers - Example: Floor burnishers
 Floor scrapers - Example: Floor strippers
 Floor scrubbers - Example: Auto scrubbers
 Floor stands - Example: Model stands
 Floor washing machine - Example: Powered floor washers
 Floppy disks - Example: MS-DOS-bootable disks
 Flotation aids - Example: Flotation tanks
 Flotation or swimming aids for the physically challenged - Example: Kickboards
 Flow injection analysis equipment - Example: Impinging jet apparatus
 Flow sensors - Example: Flow indicators
 Flow sensors or regulators or components - Example: Oxygen flow meters
 Flow transmitters - Example: Flow tunnels
 Flowmeters - Example: Digital flowmeters
 Fluid regulators - Example: Gas pump controllers
 Fluorescent lamps - Example: Grow lights
 Fluorescent microscopes - Example: Fluorescence microscopes
 Flying insect control traps - Example: Light traps
 Foam tapes - Example: Replica Tape
 Focus spots - Example: Stage spotlights

Fog or mist generators - Example: Aerosol foggers
 Folding machines - Example: Automatic folding machines
 Follow spots - Example: Spotlights
 Food drying equipment - Example: Box barns
 Food grade sanitizers - Example: Sanitizing units
 Food sterilizing machine - Example: Food sterilizing machines
 Foot care products - Example: Foot rollers
 Foot switch - Example: Foot controls
 Football blocking sleds - Example: Football training sleds
 Football tackling dummies - Example: Football training dummies
 Footprint lifters - Example: Electrostatic dust print lifters
 Footwear covers - Example: Protective shoe covers
 Force or torque sensors - Example: Force transducers
 Forced air heating system - Example: Continuous baking furnaces
 Forced air or mechanical convection general purpose incubators - Example: Forced convection incubators
 Forensic chemical workstations - Example: Cyanoacrylate fuming chambers
 Forensic magnifiers - Example: Magnifying glasses
 Forestry increment borers - Example: Tree corers
 Forestry saws - Example: Crosscut saws
 Forestry skidders - Example: Mini skidders
 Forge die - Example: Forging dies
 Forklift or elevator accessories or supplies - Example: Boom lifts
 Form or fill or seal machinery - Example: Pillow packing machines
 Form tools or toolbits - Example: Twist drills
 Forming machine - Example: Molding presses
 Foundry blowers - Example: Core blowers
 Foundry crucibles - Example: Crucible furnaces
 Foundry ladles - Example: Foundry transfer ladles
 Foundry molds - Example: Metalsmith molds
 Foundry testing apparatus - Example: Foundry sand testing equipment
 Fountain pens - Example: Artists' fountain pens
 Fractionation apparatus - Example: Bubble-cap fractionating columns
 Franking or postage machines - Example: Postage meters
 Freeze dryers or lyophilizers - Example: Freeze dryers
 Freezedryers or lyophilizers - Example: Lyophilizers
 Freight rail cars - Example: Rail cargo cars
 French pressure cells - Example: French presses
 Frequency analyzers - Example: Spectrum analyzers
 Frequency calibrator or simulator - Example: Bio-signal simulators
 Frequency converters - Example: Current converters
 Frequency counters or timer or dividers - Example: Frequency counters
 Friction apparatus - Example: Slipmeters
 Front end loaders - Example: Multipurpose front end loaders
 Fuel pressure sensor - Example: Fuel pressure gauges
 Fuel pumps - Example: Gas pumps

Full body form or mannequin - Example: Dress forms
 Full body immersion hydrotherapy baths or tanks - Example: Therapeutic whirlpool baths
 Full body restraints - Example: Restraint chairs
 Fume hoods or cupboards - Example: Fume hoods
 Fundus camera - Example: Retinal cameras
 Funnels - Example: Reloading powder funnels
 Furnace control console - Example: Burner management systems
 Furnace soldering machine - Example: Soldering furnaces
 Furnaces - Example: Feed fired heaters
 Furniture moving discs - Example: Furniture skids
 Fuse pullers - Example: Fuse pulling tools
 Fused deposition modeling machine - Example: Fused deposition modeling FDM machines
 Gage block set - Example: Gauge blocks
 Gait belts for rehabilitation or therapy - Example: Gait belts
 Galvanic or faradic stimulators - Example: Skin conductance testing equipment
 Galvanometers - Example: Galvanostats
 Game pads or joy sticks - Example: Head operated joysticks
 Gamma counters - Example: Auto gamma counters
 Gantry milling machine - Example: Gantry mills
 Garden chainsaw - Example: Power pruners
 Garden forks - Example: Pitchforks
 Garden shredder - Example: Chipper shredders
 Garment brushes - Example: Fabric cleaning brushes
 Garment steamer - Example: Garment steamers
 Gas anesthesia apparatus - Example: Anesthesia gas concentration monitors
 Gas burners - Example: Counter-flow slot burners CSB
 Gas chromatographs - Example: Gas chromatography equipment
 Gas compressors - Example: Sprayer compressors
 Gas detector tubes - Example: Multi gas detector tubes
 Gas detectors - Example: Gas leak detectors
 Gas engines - Example: Gasoline engines
 Gas gauges - Example: Gas meters
 Gas generators - Example: Gas reciprocating engine generator sets
 Gas masks - Example: Canister gas masks
 Gas mixer - Example: Gas blending panels
 Gas or vapour concentration measuring instruments - Example: Gas flow control systems
 Gas power plants - Example: Glycol dehydration systems
 Gas recovery machinery - Example: Nitrogen rejection units
 Gas turbine control panels - Example: Power plant turbine control panels
 Gas welding or brazing or cutting apparatus - Example: Gas arc welding equipment
 Gasoline outboard motor - Example: Gas powered outboard motors
 Gastric decompression tubes - Example: Levine tubes
 Gastrostomy feeding tube kits - Example: Gastrostomy feeding tubes
 Gate barrier systems - Example: Traffic gates
 Gate valves - Example: Gate butterfly valves

Gauge block - Example: Gauge block sets
 Gavels or sounding blocks - Example: Gavels
 Gear cutting tool - Example: Gear shapers
 Gear pumps - Example: Water sampling gear pumps
 Geiger counters - Example: Geiger-Muller counters
 Gel boxes - Example: Electrophoresis chambers
 Gel documentation accessories - Example: Digital electrophoresis documentation and analysis systems
 Gel documentation systems - Example: Gel electrophoresis equipment
 Gel dryers - Example: Slab dryers
 Gel filtration equipment - Example: Gel chromatography equipment
 General cloning vectors - Example: Cloning kits
 General dental lights or its accessories - Example: Dental operating lights
 General purpose motor AC - Example: Alternating current AC power sources
 General purpose refrigerators or refrigerator freezers - Example: Laboratory refrigerators
 General purpose trays - Example: Multiwell trays
 General tool kits - Example: Computer repair tool kits
 Generator control or protection panels - Example: Hydroelectric power generator controls
 Generator test set - Example: Generator testers
 Geological prospecting apparatus - Example: Crown densitometers
 Geriatric chairs or accessories - Example: Geriatric chairs
 GFI circuit testers - Example: Ground fault testers
 Gin pole and accessories - Example: Gin poles
 Girder trolleys - Example: Beam trolleys
 Glass blowing instrument - Example: Bead shaping molds
 Glass crucibles - Example: Glass laboratory crucibles
 Glass cutters - Example: Glass cutting shears
 Glass injection moldings - Example: Glass micromolds
 Glass vacuum moldings - Example: Vacuum bags
 Global positioning system GPS receiver - Example: Global positioning system GPS receivers
 Globe valves - Example: Stop valves
 Glow stick or light stick - Example: Glow sticks
 Glucose monitors or meters - Example: Blood glucose monitoring equipment
 Glue guns - Example: Hot glue guns
 Glue roller spreader - Example: Folder gluers
 Go cart - Example: Go-carts
 Go or no go gauge - Example: Go/no-go gauges
 Goggles - Example: Safety goggles
 Grab hooks - Example: Climbing hooks
 Graders - Example: Motor graders
 Graders or land levelers - Example: Bed shapers
 Grading machines for seed or grain or dried leguminous vegetables - Example: Barley pearlers
 Grafting knife - Example: Floral grafting knives
 Grain analyzers - Example: Grain testers
 Graphic recorders - Example: Current versus voltage IV curve tracers

Graphics or video accelerator cards - Example: Graphics display cards
 Graphics tablets - Example: Drawing tablets
 Grapples - Example: Timber tongs
 Gravimeters - Example: Gravitational field indicators
 Gravity pump - Example: Airless gravity pumps
 Grease fitting - Example: Grease fittings
 Grease lubricator - Example: Cable lubers
 Greenhouse irrigation equipment - Example: Fertigation equipment
 Greenhouse pots - Example: Hydroponic equipment
 Greenhouse ventilation equipment - Example: Carbon dioxide systems
 Grinders - Example: Lapping wheels
 Grinding machines - Example: Disk grinding machines
 Grinding mills - Example: Rice millers
 Grinding or polishing machines - Example: Attritors
 Grinding wheels - Example: Knife sharpeners
 Grip strengthener - Example: Hydraulic hand dynamometers
 Grit blast machines - Example: Grit blasting cabinets
 Grit chambers - Example: Grit separators
 Ground power units for aircraft - Example: Electrical power unit
 Grounding devices or assemblies - Example: Running grounds
 Grounding hardware - Example: Copper grounding cables
 Grouting pump - Example: Grout pumps
 Growler tester - Example: Growler armature testers
 Guide jig - Example: Chain saw jigs
 Guitars - Example: Acoustic guitars
 Gun barrel - Example: Choke tubes
 Gun cases - Example: Holsters
 Gurneys or scissor lifts - Example: Medical gurneys
 Gymnastic bars or beams - Example: Balance beams
 Gymnastic pommel horse - Example: Pommel horses
 Gymnastic ropes or rings or climbing accessories - Example: Gymnastics grips
 Gymnastic trampolines - Example: Gymnastics trampolines
 Gymnastic vault springboard or beatboard - Example: Vaulting springboards
 Gymnastic vaulting equipment - Example: Gymnastics vaults
 Gyroscopic instruments - Example: Gyroscopes
 Hacksaw - Example: Hacksaws
 Hair care supplies - Example: Barber scissors
 Hair combs or brushes - Example: Hairbrushes
 Hair or curling iron - Example: Curling irons
 Hair scissors - Example: Barber scissors
 Half round file - Example: Half-round files
 Hammer drills - Example: Rotary hammers
 Hammer mills - Example: Hammermills
 Hammers - Example: Geological hammers
 Hand clamps - Example: Quick clamps
 Hand cultivator - Example: Plant removers
 Hand drill bit for wood - Example: Auger bits
 Hand held camcorders or video cameras - Example: Video cameras

Hand held doppler or accessories - Example: Doppler pulse measurement devices
 Hand held rock drills - Example: Rock drills
 Hand lapper - Example: Lapping tools
 Hand looms - Example: Inkle looms
 Hand or body lotion or oil - Example: Body lotions
 Hand or finger traction supplies - Example: Carpal traction systems
 Hand or push drill - Example: Braces and bits
 Hand pumps - Example: Hand sampling pumps
 Hand reamer - Example: Tube reamers
 Hand sander - Example: Fret dressing sticks
 Hand sewing needles - Example: Knitting needles
 Hand sprayers - Example: Handheld sprayers
 Hand trucks or accessories - Example: Handtrucks
 Hand vise - Example: Lens filter ring vises
 Handcuffs - Example: Metal handcuffs
 Handguns - Example: Law enforcement handguns
 Handheld refractometers or polarimeters - Example: Handheld refractometers
 Handheld thermometer - Example: Soil thermometers
 Handicraft tools or materials or equipment for the physically challenged - Example: Adaptive paint brushes
 Hanging rails or holders - Example: Border holdups
 Hard disk arrays - Example: Network storage arrays
 Hard disk drives - Example: Electronic storage devices
 Hardness testers - Example: Hardness testing devices
 Harnesses or its accessories - Example: Head halters
 Harvester parts or accessories - Example: Combine cylinders
 Harvesters - Example: Corn pickers
 Haymaking machinery - Example: Hay balers
 Hazardous material protective apparel - Example: Personal protective equipment
 Hazardous material protective footwear - Example: Chemical protective boots
 Hazardous materials cabinets - Example: Day boxes
 Hazardous waste container - Example: Hazardous material packaging
 Head mounted displays - Example: Virtual reality augmented cycling kits VRACK
 Head or neck traction supplies - Example: Cervical restoration traction systems
 Headphones - Example: Headphone amplifiers
 Headpointers or mouthsticks for the physically challenged - Example: Pointing devices
 Hearing aid analyzers or test systems - Example: Hearing aid analyzers
 Hearing aids for the physically challenged - Example: Hearing aid devices
 Heart and lung machines or accessories - Example: Cardiopulmonary bypass pumps
 Heat guns - Example: Heat gun blowers
 Heat resistant clothing - Example: Heat resistant suits
 Heat tracing equipment - Example: Digital infrared thermometers
 Heat treating age hardening furnace - Example: Bake ovens

Heated walk in environmental or growth chambers -
 Example: Thermal chambers
 Heater elements - Example: Electric knife heaters
 Heating mantles or tapes - Example: Heating mantles
 Heating or drying equipment or accessories - Example:
 Dessicators
 Heavy rail turnout switch - Example: Automatic switches
 Heavy truck tires - Example: Tractor tires
 Hedge clippers - Example: Hedge trimmers
 Hedge trimmer - Example: Brush cutters
 Heel grounding straps - Example: Anti-static heel grounders
 Height gauges - Example: Tire tread depth gauges
 Helical blade mixer - Example: Horizontal helical blade
 mixers
 Hemacytometer sets - Example: Molecular cytosensors
 Hematology analyzers - Example: Animal blood analyzers
 Hematology or chemistry mixers - Example: Peptide
 synthesizers
 Hematology test kits or supplies - Example: Hematology test
 kits
 Hemodialysis dialyzer reprocessing systems - Example:
 Photopheresis systems
 Hemodialysis units - Example: Dialysis machines
 HEPA filtered enclosures - Example: Biosafety cabinets
 Hex keys - Example: Allen wrenches
 Hickeys - Example: Rebar benders
 High branch shears - Example: Pole pruners
 High capacity removable media drives - Example: Universal
 serial bus USB flash drives
 High end computer servers - Example: Workstations
 High frequency electromagnetic wave stimulator - Example:
 Radio frequency generators
 High frequency induction vacuum melting furnace - Example:
 Vacuum heat treating furnaces
 High frequency ventilators - Example: High-frequency
 ventilators
 High pressure liquid chromatograph chromatography -
 Example: High pressure liquid chromatographs
 HPLC
 High pressure sodium lamp HID - Example: High pressure
 sodium lamps
 High throughput screening HTS systems in nucleic acid
 purification - Example: High throughput screening
 HTS systems
 High vacuum combustion apparatus - Example: Propellant
 combustion chambers
 High vacuum equipment - Example: Vacuum test chambers
 High voltage cable detection - Example: Contact testers
 Hip and ridge - Example: Power roof rippers
 Hipot testers - Example: High-pot testers
 Histological hones or straps or compounds - Example: Knife
 sharpeners
 Histological knives or knife holders or blades - Example:
 Anti-roll plates
 Histological staining apparatus - Example: Automated
 tissue/slide stainers
 Histology or cytology slide stainers - Example: Slide stainers

Histology or pathology specimen container - Example:
 Biopsy containers
 Histology or tissue cassette cabinets - Example: Tissue
 block storage drawers
 Histology paraffin - Example: Paraffin molds
 Histology sampling and dissecting stations - Example:
 Dissecting kits
 Histology tissue cassettes - Example: Histopathology block
 holders
 Hoeing machines - Example: Rotary hoes
 Hoes - Example: Garden hoes
 Hoists - Example: Hydraulic hoists
 Hold down clamps - Example: Hose clamps
 Hole diggers - Example: All terrain vehicle ATV post hole
 diggers
 Hole gauge - Example: Bore gauges
 Hole punching units - Example: Hole punchers
 Hole saws - Example: Hole cutters
 Hollow punch - Example: Hollow punch sets
 Holography apparatus - Example: Holography equipment
 Home care ventilators - Example: Portable ventilation
 devices
 Homogenizers - Example: Ultrasonic dismembrators
 Honing machine - Example: Cylinder hones
 Hook wrenches - Example: Damper rod hooks
 Hopper scale - Example: Hopper scales
 Horizontal boring machine - Example: Horizontal boring mills
 Horizontal machining center - Example: Horizontal
 machining tools
 Horizontal turning center - Example: Computerized
 numerical control CNC lathes
 Hose cutter - Example: Gasket cutters
 Hose or pipe clamps - Example: Pipe clamps
 Hose reel - Example: Hydraulic hose reels
 Hospital intercom systems - Example: Treatment room
 intercoms
 Hot air blowers - Example: Air dryers
 Hot cell remote handling equipment - Example: Master-slave
 manipulators
 Hot cell remote viewing device - Example: Hot cell remote
 viewing devices
 Hot rollers - Example: Heated hair curlers
 Hot stamp printer - Example: Hot foil stamping machines
 Hot water tank - Example: Water heating tanks
 Hour meter - Example: Engine hour meters
 Hula hoops or hoop equipment - Example: Hula hoops
 Humidifiers - Example: Guitar humidifiers
 Humidity sensor - Example: Digital humidity gauges
 Hurdles - Example: Track and field hurdles
 Hybridization ovens or incubators - Example: Hybridization
 chambers
 Hydraulic breaker chisel - Example: Rock breaking chisels
 Hydraulic classifier - Example: Pellet classifiers
 Hydraulic cylinder or component repair kits - Example:
 Hydraulic elevator cylinder repair kits
 Hydraulic extractor - Example: Automatic extractors

Hydraulic generators - Example: Hydraulic power generation equipment
 Hydraulic hand crimp tool - Example: Hand crimpers
 Hydraulic motor - Example: Hydraulic power units
 Hydraulic press brake - Example: Sheet metal brakes
 Hydraulic press frames - Example: Hydraulic presses
 Hydraulic pumps - Example: Hydraulic rams
 Hydraulic quick connectors - Example: Quick-disconnect hose couplers
 Hydraulic rock drills - Example: Rotary rock drills
 Hydraulic shears - Example: Hydraulic cutters
 Hydraulic truck cranes - Example: Hydraulic truck-mounted cranes
 Hydrocarbons analyzers or detectors - Example: Fuel fluorescence detectors FFD
 Hydroelectric engines - Example: Hydroelectric generating units
 Hydroponic fertilizer injector - Example: Tree injectors
 Hydrotherapy bath or tank accessories - Example: Lavage hydrotherapy equipment
 Hygrometers - Example: Humidity meters
 Hypodermic injection apparatus or accessories - Example: Vaccination syringes
 Hypodermic needle - Example: Needles
 Ice cream machines - Example: Ice cream freezers
 Ice cube makers - Example: Ice cube forming machines
 Ice dispensers - Example: Ice-making machines
 Ice shaver machines or accessories - Example: Ice shaving or crushing equipment
 Ice skates - Example: Figure skates
 Identification markers - Example: Photo markers
 Illuminators for microscopes - Example: Mercury lamp photolysis systems
 Immersion circulators - Example: Ultrasonic baths
 Immunology analyzers - Example: Cellular assay equipment
 Immunology or serology quality controls or calibrators or standards - Example: Immuno-sensors
 Immunology or serology test kits or supplies - Example: Serological kits
 Impact screwdriver - Example: Impact drivers
 Impact wrenches - Example: Electric impact wrenches
 Impedance meters - Example: Impedance analyzers
 Implantable intrathecal infusion pump and accessories - Example: Intrathecal pumps
 Impression and closed die forging press - Example: Hydraulic forging presses
 Incandescent lamps - Example: Adjustable task lamps
 Inclinator - Example: Inclinator
 Incubator accessories - Example: Incubator microscopes
 Incubators or brooders for poultry - Example: Poultry incubators
 Indoor air quality monitor - Example: Clean-room air particle analyzers
 Induction dryers - Example: Solvent dryers
 Induction heaters - Example: Heat treatment furnaces
 Induction heating machine - Example: Heat-treating equipment

Inductively coupled plasma ICP spectrometers - Example: Inductively coupled plasma ICP spectrophotometers
 Industrial drill bits - Example: Well drill bits
 Industrial funnels - Example: Funnels
 Industrial hydraulic press - Example: Hydraulic presses
 Industrial nucleonic moisture measuring systems - Example: Nuclear moisture/density gauges
 Industrial shrink wrap equipment - Example: Shrink wrap machines
 Industrial sign and label portable printer - Example: Sign printers
 Industrial work surfaces - Example: Paste tables
 Infant intensive care ventilators - Example: Volume limited infant ventilation devices
 Infant scales - Example: Baby scales
 Inflatable rubber boat - Example: Inflatable rubber motor boats
 Infra red or ultra violet absorption analyzers - Example: Infrared gas analyzers
 Infrared camera - Example: Thermal imaging cameras
 Infrared dryers - Example: Ultraviolet UV exposure units
 Infrared imagers - Example: Infrared thermography cameras
 Infrared spectrometers - Example: Fourier transfer infrared FTIR spectrometers
 Infrared thermometer - Example: Temperature guns
 Infusion pump kits or accessories - Example: Insulin pumps
 Injection molding machines - Example: Plastic injection molding machines
 Injectors - Example: Microinjectors
 Ink cartridges - Example: Edible-ink cartridges
 Ink or stamp pads - Example: Stamp pads
 Inkjet fax machine - Example: Inkjet facsimile machines
 Inkjet printer for commercial printing applications - Example: Photo printers
 Inoculating devices - Example: Inoculation tubes
 Insert carbide - Example: Carbide cutting inserts
 Insertion tool - Example: Punch down insertion tools
 Inspection mirror - Example: Inspection mirrors
 Instant messaging platform - Example: Yahoo! Messenger
 Instrument strings or picks - Example: Finger picks
 Instrument tables for surgical or obstetrical delivery use or accessories or related products - Example: Adjustable height instrument tables
 Instrument transformers - Example: Isolation transformers
 Instrument tripods - Example: Elevator tripods
 Instrumentation for capillary electrophoresis - Example: Electrophoresis equipment
 Insulated clothing for cold environments - Example: Thermal protective aids TPA
 Insulated or flotation suits - Example: Immersion suits
 Insulated scissors - Example: Electricians' scissors
 Insulated screwdriver - Example: Insulated screwdrivers
 Insulation resistance meters - Example: Insulation resistance testers
 Intaglio or lithography printing presses - Example: Printmaking presses

Intake structures - Example: Biomass screeners
Integrated circuit testers - Example: In circuit emulators ICE
Integrated maintenance information systems - Example: Aircraft maintenance management systems
Integrated motion control systems - Example: Motion control systems
Integrated services digital network ISDN access devices - Example: Robot automation tool
Integrated services digital network ISDN testers - Example: Integrated services digital network ISDN analyzers
Integrated tool carriers - Example: Pipe trailers
Intensive mixers - Example: Paddle blenders
Interactive voice recognition equipment - Example: Dispatch servers
Interactive whiteboards or accessories - Example: Wireless slates
Intermittent positive pressure breathing IPPB machines - Example: Internal positive pressure breathing IPPB machines
Intraaortic balloon pump and accessories - Example: Intra-aortic balloon pumps IABP
Intracranial pressure ICP monitoring units or accessories - Example: Intracranial pressure ICP monitors
Intrauterine catheters or catheterization kits - Example: Intrauterine catheters
Intravenous infusion pump analyzers or sensors - Example: Infusion control devices
Intravenous infusion pumps for general use - Example: Volumetric infusion pumps
Intravenous or arterial administration ports or injection sites or caps or protectors - Example: Needleless injection systems
Intravenous or arterial arm boards - Example: Long arm boards
Intravenous or arterial cannulas or accessories - Example: Arterial line stop-cocks
Intravenous or arterial catheter tray - Example: Catheter trays
Intravenous or arterial extension tubing - Example: Intravenous IV tubing
Intravenous or arterial fluid warmers or accessories - Example: Blood warmers
Intravenous or arterial infusion single port bags or containers - Example: Bag infusion systems
Intravenous or arterial tubing adapters or connectors or locks or caps or protectors - Example: Heparin locks
Intravenous syringe infusion pumps - Example: Intravenous syringe pumps
Intravenous tubing with catheter administration kits - Example: Intravenous tubing
Introducer or guide pin or guidewire or glidewire for non endoscopic surgical or open heart procedures - Example: Guidewires
Intubation forceps - Example: Adult Magill forceps
Intubation gauges or guides - Example: Esophageal intubation detectors

Intubator components or accessories - Example: Intubation equipment
Inverted microscopes - Example: Inverted compound microscopes
Ion analyzers - Example: Photoionization detectors PID
Ion exchange apparatus - Example: Deionizers
Ion exchange equipment - Example: Deionization water systems
Ion implantation equipment - Example: Reactive ion etch systems
Ion selective electrode - Example: Specific ion probes
Ion selective electrode ISE meters - Example: Ion selective electrode ISE testers
Ionization chambers - Example: Electron beam ion traps EBIT
Ionmeters - Example: Argon ionization detectors
IR 192 radiography examination equipment - Example: Gamma ray testing equipment
Ironing boards - Example: Portable ironing boards
Ironing machines or presses - Example: Clothes irons
Irradiation gamma sources - Example: Gamma ray irradiators
Irrigation overheads - Example: Field watering systems
Irrigation trickles - Example: Drip emitters
Isolation glove boxes - Example: Glove box systems
J hooks - Example: J-hook tools
Jacks - Example: Lab jacks
Javelins - Example: Competition javelins
Jewel appraising tester - Example: Diamond testers
Jeweler scissors - Example: Jewelry scissors
Jewellers pliers - Example: Jewelers' chain-nose pliers
Jewelry mandrels - Example: Ring mandrels
Jib crane - Example: Floor-mounted jib cranes
Jig block - Example: Bookbinding jigs
Jigsaw - Example: Jigsaws
Joint cleaning or refacing machines - Example: Shot blasters
Juicing machinery - Example: Dejuicers
Jump ropes - Example: Fitness jump ropes
Karaoke systems - Example: Karaoke machines
Kennels - Example: Animal crates
Keratoscopes - Example: Keratometers
Kerosene or propane or natural gas or butane lantern - Example: Lanterns
Kettle exchangers - Example: Fuel-burning kettles
Key seating machine - Example: Code key machines
Keyboards - Example: Alternative computer keyboards
Keys - Example: Depth keys
Kiln accessories for firing ceramics - Example: Kiln oxygen probes
Kiln furniture - Example: Ceramic bead bars
Kilns for firing ceramics - Example: Studio kilns
Kjeldahl nitrogen determination apparatus - Example: Macro kjeldahls
Knee brace or support - Example: Knee support braces
Knife blade sets or dispensers - Example: Razor blade dispensers
Knife blades - Example: Fixed blade knives

Knife file - Example: Nut files
 Knitting machines - Example: Circular knitting machines
 Knurling tool - Example: Knurling tool attachments
 Lab coats - Example: Protective gowns
 Label applying machines - Example: Pricing guns
 Label dispensers - Example: Price guns
 Label making machines - Example: Label makers
 Label making tapes - Example: Tie tape machines
 Label removing kits - Example: Label removers
 Laboratory adapters or connectors or fittings - Example:
 Glassware adapters
 Laboratory animal restraints or harnesses - Example: Avian
 restrainers
 Laboratory bailers - Example: Bottom fill bailers
 Laboratory balances - Example: Microbalances
 Laboratory beakers - Example: Glass beakers
 Laboratory benches - Example: Optical benches
 Laboratory blenders or emulsifiers - Example: Hot blenders
 Laboratory box furnaces - Example: Flame spread testers
 Laboratory burets - Example: Water burets
 Laboratory chillers - Example: Closed cycle refrigerators
 Laboratory cork borers - Example: Cork borer sets
 Laboratory crushers or pulverizers - Example: Laboratory
 pulverizers
 Laboratory diluters - Example: Automated diluters
 Laboratory dishes - Example: Evaporating dishes
 Laboratory enclosure accessories - Example: Dust chambers
 Laboratory evaporators - Example: Laboratory evaporaters
 Laboratory filtration hardware or accessories - Example:
 Filtration systems
 Laboratory flasks - Example: Reaction flasks
 Laboratory funnels - Example: Wide-mouthed funnels
 Laboratory general purpose tubing - Example: Plastic
 laboratory tubing
 Laboratory glass tube - Example: Glass tubing
 Laboratory graduated cylinders - Example: Glass graduated
 cylinders
 Laboratory heat exchange condensers - Example:
 Glassware condensers
 Laboratory heaters - Example: Radiant heaters
 Laboratory hotplates - Example: Hotplates
 Laboratory incubator thermometers - Example: Recording
 thermometers
 Laboratory insect containers - Example: Insect collection
 containers
 Laboratory mechanical convection ovens - Example: Gravity
 convection ovens
 Laboratory membrane filters - Example: Membrane filtration
 systems
 Laboratory microwave ovens - Example: Microwave
 digestion instruments
 Laboratory mills - Example: Ball mills
 Laboratory mixers - Example: Soil mixers
 Laboratory safety furnaces - Example: Annealing furnaces
 Laboratory safety ovens - Example: Infrared laboratory
 ovens
 Laboratory scissors - Example: Evidence scissors

Laboratory separators - Example: Electrostatic separators
 Laboratory sifting equipment - Example: Hand sieves
 Laboratory spatulas - Example: Stainless steel spatulas
 Laboratory spoon - Example: Wax spoons
 Laboratory sprayers - Example: Oscillating spray testers
 Laboratory staining dishes or jars - Example: Staining dishes
 Laboratory stirring rods - Example: Spreading rods
 Laboratory tools - Example: Plastic evidence tweezers
 Laboratory ultraviolet UV sterilizers - Example: Aquarium
 ultraviolet UV sterilizers
 Laboratory vacuum pumps - Example: Molecular vacuum
 pumps
 Laboratory vials - Example: Headspace vials
 Laboratory vibrators - Example: Vibration exciters
 Laboratory washing machines - Example: Laboratory
 glassware washers
 Lachrymal dilators or sets - Example: Lachrymal dilators
 Lacing or stringing accessories - Example: Lacing needles
 Ladders - Example: Extension ladders
 Laminar flow cabinets or stations - Example: Laminar flow
 hoods
 Laminate file - Example: Laminate files
 Laminated object manufacturing machine - Example:
 Laminated object manufacturing LOM systems
 Laminators - Example: Lamination systems
 Lancets - Example: Lancet needles
 Land drilling rigs - Example: Small-gauge surface drilling rigs
 Landing gear assemblies - Example: Landing gear control
 systems
 Lap mayo trays or mayo stands for surgical use or
 accessories - Example: Mayo stands
 Laparoscopes or laparoscopic telescopes - Example:
 Laparoscopes
 Lapping machine - Example: Reciprocating lapping
 machines
 Lariats - Example: Snake hooks
 Laryngoscopes or accessories - Example: Laryngoscopes
 Laser beam analyzers - Example: Laser beam profilers
 Laser cutting machine - Example: Laser ablation machines
 Laser disc players - Example: Laser disc playback machines
 Laser fax machine - Example: Laser facsimile machines
 Laser filters - Example: Cavity dumpers or drivers
 Laser measuring systems - Example: Handheld distance
 meters
 Laser printers - Example: Computer laser printers
 Laser welding machine - Example: Laser welders
 Latch - Example: Mortuary bier pins
 Lathe bit - Example: Cutoff tools
 Laundry type combined washing or drying machines -
 Example: Tunnel presses
 Laundry type washing machines - Example: Domestic
 washers
 Lawn scarifiers - Example: Lawn edgers
 Lawnmowers - Example: Lawn mowers
 Leak testing equipment - Example: Blower doors
 Leashes or leads - Example: Leashes
 Leather accessories - Example: Leather scissors

Leather cutting machines - Example: Bench trimmers
 Leather nailing machines - Example: Shoe nailers
 Leather presses - Example: Shoe repair presses
 Leather riveting machines - Example: Leather rivet settings
 Leather straps - Example: Game straps
 Leatherworking workshop equipment - Example: Hole punching equipment
 Ledger paper - Example: Ledger sheets
 Leg orthopedic softgoods or accessories - Example: Lower extremity braces
 Leg traction supplies - Example: Balanced suspension traction equipment
 Lens measuring equipment - Example: Lens clocks
 Lens polishing equipment - Example: Edge polishers
 Letter folders - Example: Paper folders
 Letter or symbol boards for the physically challenged - Example: Communication boards
 Lettering equipment - Example: Stencil machines
 Letterpress equipment - Example: Digital letterpresses
 Level generators - Example: Pulse generators
 Level meter - Example: Levelmeters
 Level sensors or transmitters - Example: Transit levels
 Levers - Example: Felling levers
 Lid plates for ophthalmic surgery - Example: Jaeger lid plates
 Life rings - Example: Life throw rings
 Life vests or preservers - Example: Life vests
 Lifeboats or liferafts - Example: Commercial fishing vessel lifeboats
 Lifelines or lifeline equipment - Example: Climbing ropes
 Lifter plate - Example: Granite surface plates
 Lifting cables - Example: Haul lines
 Lifting hooks - Example: Cant hooks
 Lifts - Example: Rotary vehicle lifts
 Light absorption meters - Example: Wave meters
 Light bulb changer - Example: Extension lamp extractors
 Light enhancing cameras or vision devices - Example: Night scopes
 Light scattering equipment - Example: Zeta potential analyzers
 Light stylus - Example: Light pens
 Light trucks or sport utility vehicles - Example: Utility trucks
 Lighters - Example: Drip torches
 Lighting pole or post and hardware - Example: Propane lanterns
 Lightmeters - Example: Light evaluation meters
 Lightning protection apparatus and accessories - Example: Lightning protection systems
 Limit switch - Example: Mechanical limit switches
 Limousines - Example: Hearses
 Linear position sensors - Example: Linear variable differential transformers LVDT
 Linemans pliers - Example: Linesman's pliers
 Lint removers - Example: Lint filters
 Liquid chromatographs - Example: Liquid chromatography equipment

Liquid chromatography fittings - Example: Photochemical reactors
 Liquid crystal display LCD panels or monitors - Example: Computer monitors
 Liquid crystal display projection panels - Example: Liquid crystal display LCD projection systems
 Liquid crystal display projector - Example: Liquid crystal display LCD video projectors
 Liquid leak detectors - Example: Liquid leak testing equipment
 Liquid level controls or instruments - Example: Coolant testers
 Liquid penetrant examination equipment - Example: Dye penetrant inspection equipment
 Liquid sensor - Example: Adhesive meters
 Lithographic equipment - Example: Lithographic presses
 Livestock identification equipment - Example: Branding equipment
 Livestock restraint chute - Example: Livestock restraint treatment stalls
 Livestock trailers - Example: Animal transportation trailers
 Load binders - Example: Chain boomers
 Load frame - Example: Load frames
 Loadcells - Example: Load cells
 Loading equipment - Example: Plate clamps
 Location based messaging service platforms - Example: Wireless communication and satellite positioning tools
 Lock cylinder accessory - Example: Key extractors
 Lockout devices - Example: Power lockouts
 Logging instruments for water wells - Example: Depth meters
 Long term continuous electrocardiography EKG or holter monitoring systems - Example: Holter monitors
 Longnose pliers - Example: Long nose pliers
 Lopper - Example: Power loppers
 Lottery machine - Example: Bingo blowers
 Loud speaker stand - Example: Speaker stands
 Loudspeakers - Example: Free-field speakers
 Low bed trailer - Example: Low bed trailers
 Low cab forward tractors - Example: Truck low-bed trailer combos
 Low temperature freezers - Example: Spiral freezers
 Lower body resistance machines - Example: Lower body weight machines
 Lower extremity prosthetic devices - Example: Above-the-knee prosthetics
 Lubricating oil testing kit - Example: Lubricant oil sampling kits
 Lubricator pump - Example: Roll lubrication systems
 Lug crimping tool dies - Example: Bayonet Neill-Concelman BNC crimpers
 Lumbering equipment - Example: Clearing hooks
 Luxmeters - Example: Digital luxmeters
 Machine end mill - Example: End mills
 Machine guarding - Example: Safety blocks
 Machine mounts or vibration isolators - Example: Vibration control systems

Machine reamer - Example: Valve guide reamers
Machine tending robot - Example: Loading robots
Macrame accessories - Example: Macrame boards
Magnetic particle examination equipment - Example:
Fluorescent penetrant inspection equipment
Magnetic pulse stimulator - Example: Magnetic pulse
stimulators
Magnetic spin bars or stir bars or stirring beads - Example:
Spinners
Magnetic stripe readers and encoders - Example: Credit card
processing machines
Magnetic tools - Example: Magnetic pickup tools
Magnetizer demagnetizer devices - Example: Magnetizers
Magneto optical MO drives - Example: Magneto optical
drives
Magnetometer geophysical instruments - Example: Magnetic
locators
Magnetometers - Example: Superconducting quantum
interference devices SQUID
Magnifiers - Example: Magnifying glasses
Magnifying glass - Example: Magnifiers
Magnifying lamp - Example: Magnifying table lamps
Mail opening machines - Example: Envelope opening
machines
Mail sealing machines - Example: Envelope sealing
machines
Mailboxes - Example: Mail relay boxes
Mailing bags - Example: Mail bags
Mainframe console or dumb terminals - Example: Testing
workstations
Makeup kits - Example: Blending brushes
Makeup tongs - Example: Breakout tongs
Male impotence gages - Example: Erectile dysfunction
analyzers
Manicure implements - Example: Cuticle scissors
Manifold ambient pressure sensor - Example: Manifold
gauges
Manipulators - Example: Hydrasets
Manlift or personnel lift - Example: Man lifts
Manostats - Example: Cartesian manostats
Manual meat tenderizer - Example: Meat tenderizing tools
Manual multichannel air displacement pipetters - Example:
Manual pipettes
Manual or electronic hematology differential cell counters -
Example: Coulter counters
Manual pencil sharpener - Example: Makeup pencil
sharpeners
Manual press brake - Example: Hand brakes
Manual resuscitators - Example: Manual resuscitation bags
Manual single channel air displacement pipetters - Example:
Single-channel pipettes
Manual single channel positive displacement pipetters -
Example: Manual single channel positive
displacement pipettes
Manual wire straighteners - Example: Lamination tooth
straighteners
Map measurers - Example: Planimeters

Marine craft communications systems - Example: Satellite
radios
Marine fenders - Example: Foam-filled marine fenders
Marine hatchery equipment - Example: Aquaculture tanks
Marine rudders - Example: Drogues
Marine signaling systems - Example: Distress flags
Marine steering gear - Example: Boat steering mechanisms
Mask or respirators filters or accessories - Example:
Breathing protection equipment
Masking equipment - Example: Striping tools
Masks or accessories - Example: Dust masks
Masks or fins or snorkels - Example: Snorkels
Mass spectrometers - Example: Gas chromatograph mass
spectrometers GC-MS
Mat cutter - Example: Mat cutters
Material handling hoses - Example: Material pumping hoses
Material handling racks - Example: General purpose mail
containers
Material lifting clamp - Example: Hand-held grab hooks
Mats or platforms for rehabilitation or therapy - Example:
High-lo manipulation tables
Measuring rods - Example: Digital measuring poles
Measuring tables - Example: Alidades
Measuring tapes - Example: Depth gauge tapes
Measuring wheels for distance - Example: Measure markers
Meat tyers - Example: Meat stringing machines
Mechanical balances - Example: Beam scales
Mechanical lock system - Example: Automated locks
Mechanical or ultrasonic metal cleaner - Example: Ultrasonic
jewelry cleaners
Mechanical rod pumps - Example: Mechanical lifting pumps
Media control systems - Example: Digital switchers
Medical acoustic stethoscope or accessory - Example:
Mechanical stethoscopes
Medical aspiration or irrigation syringes - Example: Bulb
syringes
Medical body bag - Example: Body bags
Medical c arm x ray units - Example: Flat panel c-arms
Medical carts or accessories - Example: Anesthesia carts
Medical charting systems components or accessories -
Example: Barcode attachment equipment
Medical cine fluoroscopy equipment - Example:
Fluoroscopes
Medical computed tomography CT or CAT 3 dimensional
system components - Example: Computed
tomography CT audio and visual
intercommunication systems
Medical computed tomography CT or CAT complete
stationary unit installation - Example: Computed
tomography CT systems
Medical computed tomography CT or CAT quality assurance
or calibration phantoms or devices - Example:
Positron emission tomography PET calibration
phantoms
Medical computed tomography CT or CAT scanners or tubes
- Example: Optical coherence tomography OCT
scanners

Medical computed tomography CT or CAT ultrafast system components - Example: Electron beam tomography EBT systems

Medical diagnostic pinwheels - Example: Pinwheels

Medical dynamometer - Example: Hand dynamometers

Medical equipment and instrument disinfectant washing equipment - Example: Washer sanitizers

Medical exam headlights or headlamps or accessories - Example: Headsets

Medical exam or non surgical procedure gloves - Example: Protective medical gloves

Medical exam or procedure tables for general use - Example: Medical examination tables

Medical exam penlights - Example: Diagnostic penlights

Medical exam transilluminators - Example: Vein locaters

Medical examining mirror headbands or accessories - Example: Headband magnifier lights

Medical gamma cameras for general use - Example: Large animal gamma cameras

Medical gas cylinders or related devices - Example: Oxygen tanks

Medical head hoods - Example: Oxygen hoods

Medical heat lamps or accessories - Example: Digital heat lamps

Medical hydrocollators or accessories - Example: Hydrocollator heating units

Medical hyperbaric chambers - Example: Hyperbaric oxygen chambers

Medical imaging contrast agent injectors or accessories - Example: Power injectors

Medical imaging dry laser printers or imagers - Example: Intraoral printers

Medical imaging wet darkroom or daylight processors - Example: Automatic x ray film developers

Medical incision drain accessories - Example: Drainage tubes

Medical incision drainage bags or reservoirs - Example: Incision drainage equipment

Medical incision drains - Example: Hemovac drains

Medical lamps - Example: Digital light bars

Medical linear accelerator intensity modulated radiation therapy IMRT collimators - Example: Linear accelerator compensation filters

Medical magnetic resonance imaging MRI 3 dimensional system components - Example: Magnetic resonance imaging MRI audio and visual intercommunication systems

Medical magnetic resonance imaging MRI coils - Example: Magnetic resonance imaging MRI coils

Medical magnetic resonance imaging MRI complete stationary unit installation - Example: Magnetic resonance imaging MRI equipment

Medical magnetic resonance imaging MRI monitors - Example: Magnetic resonance imaging MRI monitors

Medical magnetic resonance imaging MRI positioning aids - Example: Magnetic resonance imaging MRI positioning sandbags

Medical magnetic resonance imaging MRI primary or remote or secondary consoles - Example: Magnetic resonance imaging MRI consoles

Medical magnetic resonance imaging MRI quality assurance or calibration phantoms or devices - Example: Laser cameras

Medical magnetic resonance imaging MRI scanners - Example: 3T scanners

Medical magnetic resonance imaging MRI tables - Example: Medical magnetic resonance imaging MRI patient tables

Medical nasal cannulae - Example: Nasal airways

Medical nasal catheters or catheterization kits - Example: Nasal catheters

Medical oxygen masks or parts - Example: Oxygen masks

Medical oxygen tubing or connectors - Example: Oxygen tubing

Medical picture archiving computer systems PACS - Example: Medical image database systems

Medical positron emission tomography PET units - Example: Positron emission tomography PET scanners

Medical radiation films or badges - Example: Radiation detecting film badges

Medical radiographic equipment grids - Example: Grids

Medical radioisotope scanners - Example: Nuclear scintigraphy equipment

Medical radiological positioning aids for general radiological use - Example: Beam direction shells

Medical radiological shielding aprons or masks or drapes - Example: Lead aprons

Medical radiological shielding freestanding or portable screens - Example: Lead transport shields

Medical radiological shielding gloves - Example: Radiation shielding gloves

Medical radiological shielding portable containers for radioactive materials - Example: Beta vial shields

Medical radiological shielding wall or ceiling or floor installed panels - Example: Lead shielded drawing stations

Medical radiology and fluoroscopy RF equipment - Example: Fluoroscopes

Medical single photon emission computed tomography SPECT units - Example: Single photon emission computed tomography SPECT scanners

Medical staff aprons or bibs - Example: Protective medical aprons

Medical staff coveralls - Example: Protective coveralls

Medical staff isolation or cover gown - Example: Chemotherapy protective wear

Medical staff isolation or surgical masks - Example: Surgical masks

Medical staff scrubs - Example: Work scrubs

Medical staple or clip removers - Example: Medical staple removers

Medical stapler for external use - Example: Skin staplers

Medical stapler for internal use - Example: Medical staplers

Medical suction cannulas or tubes or accessories - Example: Cannula sets

Medical suction or vacuum appliances - Example: Suction machines

Medical suction sets or kits - Example: Pleuravacs

Medical syringe with needle - Example: Hypodermic syringes

Medical syringe without needle - Example: Syringes

Medical tape measures - Example: Medical measuring tapes

Medical ultrasound bone densitometers - Example: Bone ultrasound densitometers

Medical ultrasound ophthalmic scanners - Example: Ophthalmic ultrasound imaging scanners

Medical ultrasound or doppler or echo monitors - Example: Intraoperative ultrasound monitors

Medical ultrasound or doppler or echo printers - Example: Medical ultrasound printers

Medical ultrasound or doppler or echo probes - Example: Ultrasound indentation probes

Medical ultrasound or doppler or echo three dimensional components - Example: 3D sonography equipment

Medical ultrasound or doppler or echo transducers or accessories - Example: Ultrasound transducers

Medical ultrasound or doppler or pulse echo or echography units for general diagnostic use - Example: Ultrasonic testing apparatus

Medical x ray apparatus filters - Example: Medical x ray filters

Medical x ray darkroom equipment or supplies - Example: Darkroom equipment

Medical x ray film archiving system software - Example: Novarad NovaPacs

Medical x ray film or cassette - Example: X ray cassettes

Medical x ray intensifying screens - Example: Medical x ray image intensifiers

Medical x ray quality assurance or calibration devices - Example: X ray calipers

Medical x ray units for general diagnostic use - Example: Portable x ray machines

Medication or pill dispensers or accessories - Example: Medication pulling/dispensing systems

Medicine ball - Example: Medicine balls

Melting point measuring instrument - Example: Hot melt sensors

Melting point recorders - Example: Melting point apparatus

Mens athletic footwear - Example: Men's ballet flats

Mercury blood pressure units - Example: Manual blood pressure cuffs

Mercury vapor lamp HID - Example: Mercury vapor lamps

Metabolic disorder breathalyzer monitor or meter - Example: Ketone meters

Metal band sawing machine - Example: Band saws

Metal broaching machines - Example: Broaching machines

Metal cutters - Example: Aviation snips

Metal detectors - Example: Magnetic locaters

Metal engraving machine - Example: Automatic feeding eyelet machines

Metal fabric media - Example: Media filters

Metal folding machine - Example: Cleat benders

Metal inert gas welding machine - Example: Metal inert gas MIG welders

Metal markers or holders - Example: Electrochemical etching devices

Metal polishing machine - Example: Polishing machines

Metal shearing machine - Example: Sheet metal guillotines

Metal slitting saw - Example: Sheet metal slitters

Metal stamps - Example: Metal markers

Metal testing instruments - Example: Adhesion testers

Metallic bins - Example: Silage feeders

Metallic mirrors - Example: Signal mirrors

Metallurgical microscopes - Example: Inverted metallurgical microscopes

Meteorology instrument accessories - Example: Weather balloons

Metering or injection or proportioning pumps - Example: Depositing pumps

Metronomes - Example: Electronic metronomes

Microbiological aircontrol equipment - Example: Microbial monitoring systems

Microbiology analyzers - Example: Flow cytometers

Microbiology fermentation equipment - Example: Bioreactors

Microbiology inoculation loops or needles - Example: Inoculating loops

Microbiology slide stainers - Example: Automated gram stainers

Microcontrollers - Example: Programmable logic controllers PLC

Microfiche or microfilm viewer components or accessories - Example: Microfiche viewing machines

Microfiche or microfilm viewers - Example: Microfilm readers

Microfiche reader printers - Example: Microfilm printers

Microfilm processors - Example: Microfilm systems

Micrometer calipers - Example: Micro calipers

Micrometers - Example: Digital micrometers

Microphone stand - Example: Microphone podiums

Microphones - Example: Recording microphones

Microplate readers - Example: Automated microplate ELISA readers

Microplates - Example: Microplating equipment

Microprocessors - Example: Microcomputers

Microscope condensers - Example: Microscope filters

Microscope objectives - Example: Oil-immersion microscope lenses

Microscope slide cabinets - Example: Slide filing cabinets

Microscope slide racks - Example: Slide cassettes

Microscope stages - Example: Stage warmers

Microscopic structure estimation apparatus - Example: Microfluidic networks

Microtomes - Example: Cryocut microtomes

Microwave core equipment - Example: Microwave automatic load-pull tuners

Microwave leakage meters - Example: Microwave leakage detectors

Military rifles - Example: Police rifles

Milk cooling tanks - Example: Milk cooling equipment
 Milk dispensers - Example: Milk dispensing machines
 Milking machines - Example: Milking equipment
 Milkshake machines - Example: Milkshake and smoothie machines
 Mill saw file - Example: Mill files
 Milling machinery - Example: Ball mills
 Milling machines - Example: Computer-guided milling machines
 Milling vise - Example: Precision milling vises
 Mini pliers - Example: Bail shaping pliers
 Mining headlamp - Example: Headlamps
 Minivans or vans - Example: Mortuary vans
 Miscellaneous assembly machines - Example: Component insertion machines
 Miter saw - Example: Sliding compound miter saws
 Mitre box - Example: Mitre boxes
 Mixers or agitators - Example: Flocculators
 Mobile excavators - Example: Mini excavators
 Mobile or transportable medical linear accelerators - Example: Linear accelerators
 Mobile phones - Example: Smartphones
 Modulation meters - Example: Time interval analyzers
 Modulators - Example: Acousto-optic modulators
 Moist steam cabinet - Example: Facial steamers
 Moisture balances - Example: Laboratory moisture balances
 Moisture meters - Example: Moisture analyzers
 Molding machines - Example: Plaster molds
 Molecular sieve - Example: Carbon absorbers
 Money counting machines - Example: Coin counting machines
 Monocular microscopes - Example: Toolmaker's microscopes
 Mop wringer - Example: Mop wringers
 Morgue cabinet refrigerators - Example: Refrigerated body storage cabinets
 Mortar pump - Example: Variable speed mortar pumps
 Mortuary aspirators - Example: Electric mortuary aspirators
 Mortuary packs - Example: Mouth formers
 Motion analysis system - Example: 3D movement analysis systems
 Motion detectors - Example: Approach detection systems
 Motor drive or control integrated circuits - Example: Variable frequency drives VFD
 Motor starter controls - Example: Remote control pendants
 Motorcycles - Example: Trail motorbikes
 Mountain bicycles - Example: Mountain bikes
 Mower parts or accessories - Example: Tractor mowing decks
 Mowers - Example: Brush mowers
 MP3 players or recorders - Example: MP3 players
 Mud agitators - Example: Mud agitating equipment
 Mud cleaning equipment - Example: Mud cleaners
 Mud degassers - Example: Mud degassing equipment
 Mud manifolds - Example: Desander manifolds
 Mud mixers - Example: Mud guns
 Mud pumps - Example: Electric pumps

Mud tanks - Example: Drilling mud tanks
 Multi function printers - Example: License or identification card printers
 Multi gas monitors - Example: Multiple gas monitors
 Multi tool pliers - Example: Multi tools
 Multi-tasking or universal machining center - Example: Multi-axis computerized numerical control CNC machines
 Multichannel intravenous infusion pumps - Example: Multiple line infusion pumps
 Multimedia projectors - Example: Video projectors
 Multimeters - Example: Digital multimeters
 Multiparameter vital sign unit or accessories - Example: Transport cardiac monitors
 Multiple tip screwdriver - Example: Multi-bit screwdriver sets
 Multipurpose or general test tubes - Example: Test tubes
 Multiwell plates - Example: Well tissue culture plates
 Muscle stimulator lead sets - Example: Muscle stimulators
 Music or message on hold player - Example: On hold players
 Musical instrument digital interface MIDI interfaces - Example: Audio interfaces
 Musical instrument effects unit - Example: Experimental hyperinstruments
 Musical instrument stand - Example: Cymbal stands
 Musical instrument stands or sheet holders - Example: Sheet music stands
 Musical organs - Example: Electronic organs
 Mutes - Example: Instrument mutes
 Nail clippers - Example: Fingernail clippers
 Narcotic test kits - Example: Drug testing kits
 Nasal exam specula or dilators - Example: Nasal specula
 Nasopharyngeal tubes - Example: Nasopharyngeal airways
 Nasopharyngoscopes or accessories - Example: Rhinoscopes
 Nebulizer or accessories - Example: Handheld nebulizers
 Necropsy tables or accessories - Example: Necropsy equipment
 Needle file - Example: Precision needle file sets
 Needle guides - Example: Acupuncture needle guide tubes
 Needle or blade or sharps disposal container or cart - Example: Biohazard containers
 Needle protectors - Example: Safety needles
 Needle threader - Example: Drawstring threaders
 Needleless intravenous injection syringe set or injection cannula - Example: Interlink syringe cannulas
 Needleless vial or bag withdrawal cannulas or adapters or decanters - Example: Vacutainer adapters
 Nephelometers - Example: Benchtop nephelometers
 Netting - Example: Floral netting
 Network attached storage NAS device - Example: Storage area network equipment
 Network cable management panel assembly - Example: Network cabling systems
 Network channel or data service units - Example: Channel banks
 Network interface cards - Example: Network interface cards NIC

Network management or monitoring device - Example: Packet analysis equipment
 Network punchdown tool - Example: Battery-powered punchdown tools
 Network service concentrators or hubs - Example: Intelligent hubs
 Network traffic controller - Example: Wireless network controllers
 Networked wagering games - Example: Keno systems
 Neurologic sensor - Example: Bispectral index monitors BIS
 Neurological diagnostic sets - Example: Audio stimulators
 Neurological discriminators - Example: Variable two-point discriminators
 Neuromuscular stimulators or kits - Example: Grass stimulators
 Night sticks - Example: Nightsticks
 Nitrogen gas analyzers - Example: Brunauer-Emmett-Teller BET surface area analyzers
 Nitrogen or nitrate or nitrite analyzer - Example: Nitrate meters
 Nitroglycerin - Example: Nitroglycerin tablets
 Non carbonated beverage dispenser - Example: Juice dispensers
 Non contact sensors - Example: Profiling equipment
 Non invasive bi level machines - Example: Bilevel positive airway pressure BiPAP ventilators
 Non invasive continuous positive air pressure machines - Example: Mechanical ventilators
 Non metallic baskets - Example: Mail sorting trays
 Non metallic bins - Example: Mail bins
 Non sparking hammer or mallet - Example: Brass face hammers
 Non temperature controlled tanker trailers - Example: Tanker trucks
 Non vacuum blood collection tubes or containers - Example: Sterile screw-cap cups
 Notary seals - Example: Notary public seal presses
 Notebook computers - Example: Laptop computers
 Nuclear fuel element failure detection systems - Example: Nuclear plant hazard alarm systems
 Nuclear fuel rod - Example: Fuel handling systems
 Nuclear magnetic resonance NMR spectrometers - Example: Nuclear magnetic resonance NMR spectroscopes
 Nuclear reactor control rod systems - Example: Reactivity computer systems
 Nuclear reactor earthquake instrumentation - Example: Seismic monitoring instruments
 Nuclear tools - Example: Nuclear wireline logging instruments
 Nylon fabric sling - Example: Synthetic web slings
 Nylon rope - Example: Self-rescue ropes
 Nystagmograph - Example: Video nystagmography testing equipment
 Offset darkroom equipment - Example: Film pickers
 Offset film processors - Example: Automatic photo printers
 Offset printing plate processors - Example: Offset printing plate processing equipment

Offset printing presses - Example: Vendercook presses
 Offset screw driver - Example: Offset screwdrivers
 Oil can - Example: Oil dispensing cans
 Oil changer - Example: Oil fillers
 Oil content monitors analyzers - Example: Oil water interface meters
 Oil country thread protectors - Example: Drill pipe thread protectors
 Oil field water oil centrifuges - Example: Drilling fluid centrifuges
 Oil gauges - Example: Oil level gauges
 Oil gun - Example: Oilers
 Oil lubricator - Example: Bench oilers
 Oil pumps - Example: Oil extractors
 Oil samplers - Example: Petroleum sampling equipment
 Oil storage tanks - Example: Oil retention tanks
 Oil tank truck - Example: Petroleum trucks
 Oil water separators - Example: Oil separation tools
 Oil well heater treaters - Example: Heat treaters
 Oilfield cementing tools - Example: Well cementing units
 Oilfield production spoolers - Example: Catheads
 Opacity or dust or visibility sensors - Example: Opacity meters
 Open die forging press - Example: Computerized numerical control CNC turret punching machines
 Open stream current meters - Example: Stream flow gauges
 Open stream water level recorders - Example: Water level recorders
 Operating room patient fracture tables or orthopedic tables or accessories or related products - Example: External fixators
 Operating room patient positioning devices or accessories - Example: Mayfield headrests
 Operating room patient procedure tables or accessories or related products - Example: Andrews tables
 Operational amplifiers - Example: Audio amplifiers
 Ophthalmic drums or its accessories - Example: Optokinetic drums
 Ophthalmic eye test lenses or accessories - Example: Clear 20 diopter condensing lenses
 Ophthalmic instrument tables or accessories - Example: Adult fixation targets
 Ophthalmic irrigation or aspiration supplies or accessories - Example: Lachrymal cannulae
 Ophthalmic laser lens - Example: Eye surgery lasers
 Ophthalmic lens holders - Example: 4-well lens holders
 Ophthalmic lensometers - Example: Optometric lensometers
 Ophthalmic medical instrument sets - Example: Scleral depressors
 Ophthalmic needle irrigating or aspirating tips - Example: Irrigation-extraction cannulas
 Ophthalmic prisms - Example: Horizontal prism bars
 Ophthalmic retinoscope accessories - Example: Retinoscopy racks
 Ophthalmic retinoscopes - Example: Retinoscopes
 Ophthalmic slit lamps - Example: Biomicroscopes

Ophthalmic spectrophotometers - Example: Brightness acuity testers
 Ophthalmic specula - Example: Eye speculums
 Ophthalmic spoons or curettes - Example: Evisceration scoops
 Ophthalmic surgery instrument sets - Example: Vitrector sets
 Ophthalmic surgical knives or blades or scissors or accessories - Example: Golf club spuds
 Ophthalmic tonometers or accessories - Example: Tonometers
 Ophthalmic visual field plotters - Example: Visual field testers
 Ophthalmic visual function analyzers - Example: Matrix visual field instruments
 Ophthalmodynamometers - Example: Venous ophthalmodynamometers
 Ophthalmoscopes or otoscopes or scope sets - Example: Otosopes
 Optical beamsplitters - Example: Optical beamsplitting devices
 Optical breadboards - Example: Optical tables
 Optical calibration sets - Example: Tribachs
 Optical character recognition systems - Example: Optical scanners
 Optical diffraction apparatus - Example: Particle size analyzers
 Optical diffusers - Example: Autocollimators
 Optical mounts - Example: Optical alignment scopes
 Optical or compact disc juke box - Example: Juke boxes
 Optical rails or bases - Example: Optical rails
 Optical vacuum coating equipment - Example: Vacuum coating systems
 Opticians tools or accessories - Example: Half nylon gripping pliers
 Oral liquid medication syringes - Example: Medicine dosing syringes
 Oral retractors - Example: Oral surgical retractors
 Orbital sander - Example: Orbital sanders
 Orbital shakers - Example: Shakers
 Orbital shaking water baths - Example: Temperature regulated shaking water baths
 Organic carbon analyzers - Example: Volatile organic compound VOC measurement devices
 Organic light emitting displays - Example: Anti-lock braking system ABS/air bag scan tools
 Orifice plate - Example: Orifice-plate flowmeters
 Orthodontic appliance clasps - Example: Headgear
 Orthodontic ligature cartridges - Example: Ligature instruments
 Orthodontic pliers - Example: Angled pliers
 Orthodontic setter bands - Example: Band setters
 Orthopedic splint systems - Example: Wrist splints
 Orthopedic traction hardware or weights - Example: Traction weights
 Orthopedic traction softgoods for general use - Example: Traction belts
 Orthotics or foot care products - Example: Foot orthotics
 Oscillographs - Example: Sweep oscillators

Oscilloscopes - Example: Digital oscilloscopes
 Ostomy appliances - Example: Ostomy equipment
 Ostomy starter kits - Example: Ostomy products
 Otological instruments or accessories - Example: Ear curettes
 Output stackers - Example: Bindery stackers
 Outside broadcasting van - Example: Satellite broadcasting trucks
 Overhead crane - Example: Electric overhead traveling crane EOT
 Overhead projectors - Example: Overhead display projectors
 Overhead track conveyor - Example: Overhead conveyor racks
 Oxidation reduction tester - Example: Digital oxidation reduction potential ORP meters
 Oxygen air blenders - Example: Air-oxygen blenders
 Oxygen concentrators - Example: Oxygen delivery concentrators
 Oxygen delivery connectors or adapters - Example: Christmas tree adapters
 Oxygen gas analyzers - Example: Oxygen analyzers
 Oxygen generators - Example: Zero air generators
 Oxygen insufflator or its accessories - Example: Transtracheal jet insufflators
 Oxygen monitors or supplies - Example: Oxygen uptake measurement devices
 Oxygen sensors - Example: Oxygen meters
 Oxygen therapy delivery system products accessories or its supplies - Example: Nitrous oxide administration equipment
 Ozone analyzers - Example: Ozonators
 Ozone generator - Example: Ozone bubble contactors
 Ozone water treatment equipment - Example: Ozone generators
 Package stops - Example: Belt diverters
 Packaged water treatment systems - Example: Anaerobic treatment equipment
 Packaging compactors - Example: Cardboard balers
 Packaging vacuum - Example: Vacuum packagers
 Packers or tubing anchors - Example: Well packers
 Packing hooks - Example: String hooks
 Pad or keyhole saw - Example: Keyhole saws
 Pad printer - Example: Pad printing machines
 Paddles - Example: Duck boat paddles
 Page turners for the physically challenged - Example: Page turners
 Paging controllers - Example: Restaurant guest and server paging systems
 Paint application system - Example: Paint booths
 Paint brushes - Example: Artists' paint brushes
 Paint mixers - Example: Power mixers
 Paint robots - Example: Robotic paint equipment
 Paint rollers - Example: Paint application rollers
 Paint sprayers - Example: Paint guns
 Paint strainers - Example: Paint brush cleaner spinners
 Paint systems ovens - Example: Curing ovens
 Paint tester - Example: Lead surface sampling kits

Palette knives - Example: Artists' palette knives
 Palettes for paint or ink mixing - Example: Artists' palettes
 Pallet trucks - Example: Pallet jacks
 Palletizers - Example: Automatic palletizing equipment
 Paper cutters or refills - Example: Paper cutters
 Paper cutting machines or accessories - Example:
 Decollating equipment
 Paper drilling machines - Example: Paper drills
 Paper jogging machines - Example: Paper joggers
 Paper machine - Example: Corrugated paper machines
 Paper or pad holder or dispensers - Example: Copyholders
 Paper press machine - Example: Paper padding presses
 Paper punching or binding machines - Example: Binding
 machines
 Paper shaping tools - Example: Edge punches
 Paper shredding machines or accessories - Example: Paper
 shredders
 Paper sorting machines - Example: Paper collaters
 Parabolic mirrors - Example: Concave mirrors
 Parachute equipment - Example: Parachutes
 Parallel bars for rehabilitation or therapy - Example: Parallel
 bars
 Parallel pin punch - Example: Parallel pin punches
 Paramagnetic susceptibility analyzers - Example:
 Microsusceptometers
 Parcel wrapping machines - Example: Packaging machines
 Parking barrier gate - Example: Barrier gates
 Parking meters - Example: Analog parking meters
 Particle size measuring apparatus - Example: Differential
 mobility analyzers
 Parts of guns or pistols - Example: Ammunition magazines
 Passenger or automobile ferries - Example: Tour boats
 Passive infrared sensor - Example: Hotbox detectors
 Pasteur or transfer pipettes - Example: Pasteur pipettes
 Patient bed or table scales for general use - Example:
 Patient bed scales
 Patient carbon dioxide detectors - Example: Capnographs
 Patient care beds or accessories for general use - Example:
 Hospital beds
 Patient care beds or accessories for specialty care -
 Example: Tilt tables
 Patient ceiling hoists - Example: Hoists
 Patient chairs - Example: Cardiac chairs
 Patient controlled analgesia infusion pumps - Example:
 Patient controlled analgesia PCA pumps
 Patient floor scales - Example: Medical scales
 Patient height rulers - Example: Height measurement rulers
 Patient identification and information products - Example:
 Positive patient identification PPID systems
 Patient lifts or accessories - Example: Hoyer lifts
 Patient motion sensors or alarms or accessories - Example:
 Infant security sensors
 Patient restraint boards or accessories - Example: Arm
 board stabilizers
 Patient scooters - Example: Motorized scooters
 Patient shifting boards or accessories - Example: Sliding
 boards

Patient stabilization or fall prevention devices or accessories
 - Example: Patient restraints
 Patient stretchers or stretcher accessories - Example:
 Stretchers
 Patient temperature continuous or trend monitors - Example:
 Fluoroptic thermometry systems
 Patient urinals for general use - Example: Urinals
 Pattern cutting mats or boards - Example: Cutting pads
 Pattern notcher - Example: Sewing pattern notchers
 Paving breaker tools or accessories - Example: Mounted
 pavement breakers
 Paving breakers - Example: Ride-on concrete breakers
 Paving material mixers - Example: Asphalt mixing equipment
 Pawls - Example: Riding pawls
 PCR enclosures - Example: Polymerase chain reaction PCR
 hoods
 Peak flowmeters - Example: Peak flow meters
 Pedal exercisers for rehabilitation or therapy - Example:
 Elliptical trainers
 Pediatric or microflow or scalp vein intravenous or arterial
 catheters - Example: Arterial line catheters
 Pedicure implements - Example: Callus shavers
 Pelvis or back traction supplies - Example: Cervical traction
 units
 Pen or flash drive - Example: External hard drives
 Penetrometers - Example: California bearing ratio CBR
 testing devices
 Percussion instrument accessory - Example: Digital
 drumsticks
 Perforating machines - Example: Perforators
 Perfusion oxygen or hematocrit saturation monitors or
 accessories - Example: Venous oxygen saturation
 SVO2 monitors
 Perfusion oxygenators or accessories - Example: 3, 4, and 5
 stopcock manifolds
 Pericardiocentesis needles or kits or accessories - Example:
 Pericardiocentesis kits
 Periodontal chisels - Example: Dental chisels
 Periodontal hoes - Example: Periodontal hoe scalers
 Peripheral controller cards - Example: Industry standard
 architecture/peripheral component interconnect
 ISA/PCI cards
 Peripheral intravenous catheters for general use - Example:
 Peripherally inserted central catheters PICC
 Peristaltic pumps - Example: Groundwater sampling
 peristaltic pumps
 Peritoneal dialysis administration or catheterization sets -
 Example: Permacaths
 Permeability or porosity estimation apparatus - Example:
 Porometers
 Permeability testing apparatus - Example: Consolidometers
 Personal digital assistant PDAs or organizers - Example:
 Personal digital assistants PDA
 Personal finance or money management education
 instructional materials - Example: Money
 management software
 Personal motorized watercraft - Example: Jet skis

Pestle or mortars - Example: Motorized mortars/pestles
 Pet grooming products - Example: Animal grooming brushes
 Petri plates or dishes - Example: Petri dishes
 pH electrodes - Example: Electrode bevelers
 pH meters - Example: pH analyzers
 pH test strips or papers - Example: pH testing strips
 Phacoemulsification or extrusion equipment or accessories for ophthalmic surgery - Example: Phaco apparatus
 Phantom dosimeters - Example: Radiation measurement phantoms
 Pharmaceutical filters or ultra filters - Example: Filters for glass containers/ampoules
 Pharyngeal airways or airways kits - Example: Laryngeal mask airways LMA
 Phase modulation circuit - Example: Frequency shifters
 Phasemeters - Example: Phase shift indicators
 Phlebotomy trays or accessories - Example: Vacutainer sleeves
 Phone headsets - Example: Communications headsets
 Phoropter units - Example: Phoroptors
 Photo attachments for microscopes - Example: Charge-coupled device CCD cameras
 Photo cutters or trimmers - Example: Photo scissors
 Photo print dryer - Example: Flashdryers
 Photo print washer - Example: Rapid photo print washers
 Photo tubes - Example: Photoelectric cells
 Photocopiers - Example: Photocopying equipment
 Photoelastic testing instruments - Example: Photoelastic testing machines
 Photoelectric sensors - Example: Photocells
 Photographic enlargers - Example: Photo enlargers
 Photographic timer - Example: Enlarger timers
 Photography light reflector - Example: Board reflectors
 Photogravure printing machines - Example: Gravure cylinder engravers
 Photometers - Example: Differential photometers
 Photosensitive diodes - Example: Silicon photodiodes
 Photosynthesis measurement apparatus - Example: Plant photosynthesis meters
 Physical therapy massage table - Example: Therapeutic massage tables
 Physiological recorders - Example: Activity monitoring devices
 Piccoloes - Example: Piccolos
 Pick or place robots - Example: Articulated robots
 Piezo electric crystals - Example: Piezoelectric sensors
 Pilates machines - Example: Pilates training equipment
 Pile driver tools or its parts or accessories - Example: Diesel hammers
 Pile drivers - Example: Excavator mounted pile drivers
 Pill crushers or splitters for the physically challenged - Example: Pill crushers
 Pilot valves - Example: Cut-off valves
 Pin gauge - Example: Pin gauges
 Pinball games - Example: Pinball machines

Pipe and tube cleaning machine - Example: Clean in place CIP systems
 Pipe bending mandrel - Example: Pipe bending mandrels
 Pipe bending tools - Example: Pipe benders
 Pipe handling equipment - Example: Stuck pipe tools
 Pipe layer - Example: Pipelayers
 Pipe or tube cutter - Example: Tubing cutters
 Pipe reamer - Example: Pipe reamers
 Pipe vises - Example: Pipe clamps
 Pipe wrench or stillson wrench - Example: Pipe wrenches
 Pipette bulbs - Example: Pipette aids
 Pipette washers - Example: Automatic buret cleaners
 Pipetter inserts or accessories - Example: Rechargeable electronic pipette fillers
 Pipettes for paint or dye mixing - Example: Paint mixing pipettes
 Pisciculture supplies - Example: Fish traps
 Piston ring compressor - Example: Piston ring compressors
 Piston ring expander - Example: Piston ring expanders
 Pitch measuring instruments - Example: Inclinometers
 Pivotal traction therapy supplies - Example: Cervical pivots
 Planer style milling machine - Example: Metal planers
 Planes - Example: Block planes
 Planing machines - Example: Planers
 Plant samples analysis equipment - Example: Sample ports
 Plasma arc welding machine - Example: Plasma cutters
 Plasma cutting machine - Example: Track burning machines
 Plasma screens - Example: Plasma televisions
 Plaster or mortar mixers - Example: Cement mixers
 Plastic cutting machinery - Example: Rubber slab cutters
 Plastic injection moldings - Example: Micromolding lithography equipment
 Plastic welder - Example: Thermoplastic welders
 Plate incubators - Example: Bacterial plate incubators
 Platelet mixers - Example: Platelet rockers
 Platemakers - Example: External drum imagesetters
 Platen covers - Example: Platen presses
 Platform lift - Example: Lifting platforms
 Platform step ladder - Example: Portable stepladders
 Playground merry go rounds - Example: Carousels
 Pleural cavity drainage unit or container or accessories - Example: Chest drains
 Plotter printers - Example: Color plotters
 Ploughs - Example: Plows
 Plumb bobs - Example: Laser plumb bobs
 Plunger lift equipment - Example: Plunger lifts
 Pneumatic actuators - Example: Servopneumatic actuators
 Pneumatic aircraft accumulators - Example: Pneumatics systems
 Pneumatic drill - Example: Air drills
 Pneumatic grinders - Example: Air grinders
 Pneumatic hammer - Example: Jackhammers
 Pneumatic impact wrenches - Example: Pneumatic ratchets
 Pneumatic lubricators - Example: Lubrication systems
 Pneumatic nail drivers - Example: Pneumatic nailers
 Pneumatic nail puller - Example: Power nail pullers
 Pneumatic press - Example: Pneumatic panel crimpers

Pneumatic riveter - Example: Rivet presses
 Pneumatic rock drills - Example: Powered rock-coring drills
 Pneumatic sanding machines - Example: Sanding machines
 Pneumatic screwdriver - Example: Pneumatic screwdrivers
 Pneumatic vacuum equipment - Example: Vacuum stations
 Pneumatic vacuum generator - Example: Vacuum wands
 Pocket calculator - Example: Handheld calculators
 Pocket watches - Example: Stop watches
 Point drivers or accessories for picture frames - Example:
 Point drivers
 Point of sale payment terminal - Example: Card readers
 Point of sale POS terminal - Example: Point of sale POS
 systems
 Point plotting recorders - Example: Point plotters
 Pointers - Example: Optical pointing devices
 Poker or slot machines - Example: Slot machines
 Polariscopes - Example: Reflection polariscopes
 Polarizers - Example: Solar telescope filters
 Police or security shotguns - Example: Police shotguns
 Police vehicles - Example: Law enforcement vehicles
 Polishing machines - Example: Superfinishing machines
 Polishing wheels - Example: Car polishers
 Pollination equipment or supplies - Example: Detassellers
 Porosimeters - Example: Porosity indicators
 Portable computer gaming console - Example: Video game
 consoles
 Portable data input terminals - Example: Handheld
 computers
 Portable hard disk storage device - Example: External hard
 drives
 Portable seismic apparatus - Example: Seismic stations
 Portable stereo systems - Example: Portable stereo
 equipment
 Positioning devices - Example: Stabilizers
 Positioning jig - Example: Holding jigs
 Positive displacement pumps - Example: Charging pumps
 Post hole digger - Example: Post hole diggers
 Post operative shoes or accessories - Example: Cast boots
 Postal scales - Example: Digital postal scales
 Postmortem animal dissection tables or accessories -
 Example: Microdissection systems
 Postmortem blood detection kits or supplies - Example:
 Postmortem blood drawing syringes
 Postmortem fingerprint or impression materials - Example:
 Postmortem fingerprint equipment
 Postmortem incision clips - Example: Calvarium clamps
 Postmortem needles - Example: Postmortem suturing
 needles
 Posture evaluation kit - Example: Posture scale analyzers
 Potentiometers - Example: Scanning potentiostats
 Potters wheels for hand made ceramics - Example: Pottery
 wheels
 Powder boards for rehabilitation or therapy - Example:
 Powder boards
 Power blowers - Example: Leaf blowers
 Power buggies - Example: Ride-on concrete buggies
 Power caulking guns - Example: Pneumatic caulking guns

Power chippers - Example: Chipping equipment
 Power clamp - Example: Mold clamps
 Power drills - Example: Cordless power drills
 Power feeder - Example: Fabric feeders
 Power flaring tool - Example: Flaring tools
 Power grease gun - Example: Handheld grease guns
 Power grinders - Example: Centerless grinders
 Power meters - Example: Power monitors
 Power nibbler - Example: Cordless power nibblers
 Power riveter - Example: Rivet guns
 Power routers - Example: Heavy duty fixed base routers
 Power sanders - Example: Oscillating spindle sanders
 Power saws - Example: Chain saws
 Power scissors - Example: Disc cutters
 Power screwguns - Example: Power screwdrivers
 Power shears - Example: Power metal shears
 Power steering tuning cable - Example: Power steering
 pump pulleys
 Power supply transformers - Example: Power transformers
 Power trimmers - Example: String trimmers
 Powered instrument cleaning devices or accessories -
 Example: Computerized scope washers
 Powered platform truck - Example: Powered industrial trucks
 Precipitation or evaporation recorders - Example:
 Precipitation gauges
 Precision file - Example: Precision files
 Precision screwdriver - Example: Link removal tools
 Precision surface plate - Example: Precision surface plates
 Preduster - Example: Doughnut tumblers
 Premise branch exchange PBX systems - Example: Private
 automatic branch exchange PABX systems
 Presses - Example: Cold isostatic presses
 Pressure calibrator - Example: Dead weight testers
 Pressure controllers - Example: Pressure control devices
 Pressure gauge - Example: Ball gauges
 Pressure or steam cleaners - Example: Pressure cleaners
 Pressure or vacuum recorders - Example: Pounds per
 square inch PSI test gauges
 Pressure regulator - Example: Air pressure regulators
 Pressure sensors - Example: Pressure gauges
 Pressure stylus - Example: Digital pens
 Pressure transducer - Example: Fluid pressure transducers
 Printed circuit board making system - Example: Reduction
 cameras
 Printer calculator - Example: Printing calculators
 Printing assemblers - Example: Folding equipment
 Printing awls - Example: Bookbinding awls
 Printing collators or decollators - Example: Paper collators
 Printing cutters - Example: Cutting equipment
 Printing guillotines - Example: Power paper cutters
 Printing plates - Example: Film plates
 Printing presses - Example: Manual production printing
 presses
 Printing punches - Example: Push drills
 Printing trimmers - Example: Hydraulic trimmers
 Prisms - Example: Double right-angle prisms
 Process air heaters - Example: Air heaters

Processing tanks - Example: Mixing tanks
 Profile gauge - Example: Transfer gages
 Profile projectors - Example: Electronic mass comparators
 Profiling and duplicating milling machine - Example:
 Multi-axis mills
 Programmable Logic Controller Programming Device -
 Example: Hearing aid programming interfaces
 Programmable tube furnaces - Example: Graphite furnaces
 Progressive cavity pumps - Example: Progressive cavity
 sampling pumps
 Projection screens or displays - Example: Projector screens
 Protective aprons - Example: Chemical protective aprons
 Protective coats - Example: Protective laboratory coats
 Protective gloves - Example: Safety gloves
 Protective hood - Example: Protective head coverings
 Protective knee pads - Example: Hunting knee pads
 Protective pants - Example: Firefighters' pants
 Protective shirts - Example: Protective sleeves
 Protein analyzers - Example: Protein sequencers
 Proton spectrometers - Example: Electrical particle detectors
 Proximity sensors - Example: Radio interference detection
 RID devices
 Pruning saw - Example: Pole pruners
 Psychrometers - Example: Dew point meters
 Public address systems - Example: Public address PA
 systems
 Pull spring balances - Example: Spring scales
 Pulled scrapers - Example: Manure scrapers
 Pullers - Example: Slide hammers
 Pulleys or accessories for rehabilitation or therapy -
 Example: Shoulder pulleys
 Pulmonary function calculators - Example: Computerized
 lung analyzers
 Pulmonary functioning tubing or accessories - Example:
 Capillary catheters
 Pulse oximeter unit accessories - Example: Pulse oximetry
 test systems
 Pulse oximeter units - Example: Pulse oximeters
 Pulverizing machinery - Example: Grinding mills
 Pumice stone - Example: Pumice stones
 Punch card readers - Example: Punch card voting systems
 Punches or nail sets or drifts - Example: Punchdown tools
 Punching pliers - Example: Hole-punching pliers
 Pupillometer - Example: Pupillary distance rulers
 Pushcarts - Example: Housekeeping carts
 Puzzles - Example: Educational puzzles
 Q Meters - Example: Quantum-based switching applications
 Q-switch electron waveguides
 Quench machine - Example: Horizontal cooling tanks
 Quick disconnects - Example: Hydraulic disconnects
 Racing bicycles - Example: Bicycle motocross BMX bikes
 Radar reflectors - Example: Marine radar reflectors
 Radar speed gun - Example: Speed measuring radar guns
 Radarbased surveillance systems - Example: Laser imaging
 detection and ranging LIDAR systems
 Radiators - Example: Thermal fluid systems

Radio access equipment - Example: Citizen's band CB
 radios
 Radio beacon - Example: Emergency position indicating
 radio beacons EPIRB
 Radio core equipment - Example: Audio signal processors
 Radio equipment tester - Example: Radio function testers
 Radio frequency data communication equipment - Example:
 Radio frequency handheld terminals
 Radio frequency identification devices - Example: Radio
 frequency identification RFID devices
 Radio frequency RF cable - Example: Radio frequency
 cables
 Radio frequency scanners - Example: Radio frequency
 identification RFID scanners
 Radio frequency transmitters or receivers - Example: Animal
 transmitters
 Radio navigation instruments - Example: Radio direction
 finders RDF
 Radio receivers - Example: Radio frequency RF meters
 Radioactive waste disposal systems - Example: Spent fuel
 handling machines
 Radiobiological effect microdosimeters - Example:
 Microdosimeters
 Radiographic film or cassette changers - Example: Rapid
 film changers
 Radiographic locators - Example: Cones
 Radiometer - Example: Radiometers
 Radios - Example: Weather alert radios
 Radiosonde apparatus - Example: Radiosonde launchers
 Radiosurgical gamma knife units or scintillators - Example:
 Radiosurgical gamma knives
 Radiotherapy teletherapy cobalt 60 equipment - Example:
 Cobalt radiation therapy machines
 Radiowave propagation measuring equipment - Example:
 Standing wave ratio SWR meters
 Radius gauge - Example: Radius gauges
 Radon detectors - Example: Radon monitors
 Rafts - Example: Rubber rafts
 Rail couplers - Example: Car coupling devices
 Rail joint gap gauge - Example: Switch obstruction gauges
 Rail switching systems - Example: Switch controls
 Railway lift table for engine and component - Example:
 Locomotive drop table
 Railway or tramway maintenance or service vehicle -
 Example: Automated car movers
 Railway rolling stock lifting jack - Example: Bogie testing
 benches
 Railway signaling systems - Example: Centralized traffic
 control units
 Rainfall recorders - Example: Rain gauges
 Rakes - Example: Hand rakes
 Rangefinders - Example: Digital laser rangefinders
 Rapid amplification or complementary deoxyribonucleic acid
 ends RACE technology products - Example:
 Polymerase chain reaction PCR equipment
 Rasps - Example: Riffler rasps
 Ratchet tie down strap - Example: Cargo tiedown straps

Ratchets - Example: Air ratchets
 Razor knives - Example: Box cutters
 Razors - Example: Safety razors
 Reachers for the physically challenged - Example: Reachers
 Reactors - Example: Plasma reactors
 Reactors or fermenters or digesters - Example: Flow reactors
 Read write digital versatile disc DVD - Example: Optical disk drives
 Reagent kits for use with air samplers - Example: Chemical agent detectors
 Reamer - Example: Precision reamers
 Reamer blade - Example: Bell reamers
 Receipts or receipt books - Example: Receipt books
 Reciprocating saw - Example: Sabre saws
 Reciprocating shaking water baths - Example: Reciprocating shaker water baths
 Recreational motorboats - Example: Small power boats
 Recreational sailboats - Example: Competition sailboats
 Reeling or unreeling machines - Example: Textile reeling machines
 Reflective apparel or accessories - Example: Reflective gloves
 Reflectometers - Example: Optical time domain reflectometers OTDR
 Reflex hammers or mallets - Example: Reflex hammers
 Reforestation equipment - Example: Brush hooks
 Refrigerant compressors - Example: Refrigerant reclamation equipment
 Refrigerated and heated reach in environmental or growth chambers - Example: Environmental testing chambers
 Refrigerated and heated walk in environmental or growth chambers - Example: Environmental chambers
 Refrigerated baths - Example: Refrigerated recirculating water baths
 Refrigerated benchtop centrifuges - Example: Benchtop refrigerated centrifuges
 Refrigerated cooling modules - Example: Refrigerated coolers
 Refrigerated tanks - Example: Refrigeration systems
 Reins - Example: Horse reins
 Relationship building or family life skills instructional materials - Example: Human development software
 Relay tester - Example: Relay test sets
 Relief valves - Example: Defrost relief valves
 Remote automatic meter reading system - Example: Automatic meter reading systems
 Remote control - Example: Tablet computer remote controls
 Remote reading thermometers - Example: Temperature probes
 Removal devices of diagnostic or interventional vascular catheters or sets - Example: Transluminal extraction catheters
 Removal jig - Example: Radio removal tools
 Repetitive impact systems - Example: Rock splitters

Rescue light - Example: Visual distress signals
 Rescue ships or boats - Example: Police boats
 Resin guns - Example: Resin spray guns
 Resistance bands - Example: Exercise bands
 Resistance thermometers - Example: Digital resistance thermometers
 Resistance tubes - Example: Exercise tubing
 Resistive exercise bands or putty or tubing or accessories for rehabilitation or therapy - Example: Resistive exercise bands
 Resistivity geophysical instruments - Example: Earth resistivity meters
 Respiration air supplying self contained breathing apparatus or accessories - Example: Self-contained breathing apparatus
 Respirators - Example: Dust and particulate respirators
 Respiratory aspirator products or accessories - Example: Meconium aspirators
 Respiratory humidifiers or vaporizers - Example: Humidifiers
 Respiratory manometer kits - Example: Manometers
 Respiratory monitoring kits or its accessories - Example: Respiration measurement equipment
 Respiratory therapy compressors - Example: Air compressors
 Restraint straps or buckles or accessories or supplies - Example: Leather restraints
 Restraint vests and jackets - Example: Vest restraints
 Restraints - Example: Calf restraints
 Resuscitation kits - Example: Pulmonary resuscitators
 Resuscitation masks or accessories - Example: Ambu bags
 Retaining ring pliers - Example: External snap ring pliers
 Reverse osmosis equipment - Example: Low pressure reverse osmosis water treatment systems
 Rhythm band sets - Example: Rhythm instruments
 Rice cleaning or hulling equipment - Example: Rice shellers
 Ring sizers - Example: Ring rollers
 Ring wrench or spanner - Example: Chainring nut wrenches
 Riot batons - Example: Side-handle batons
 Riot helmets - Example: Riot protection helmets
 Rivet tools - Example: Riveting tools
 Road pavers - Example: Asphalt paving machines
 Road rooters - Example: Concrete groovers
 Road surface heater planers - Example: Road heater-planers
 Road sweeper - Example: Sweeper vehicles
 Road wideners - Example: Self-propelled road wideners
 Roadway or highway lighting - Example: Navigation lights
 Roasting machinery - Example: Roasting equipment
 Robot machines - Example: Biomimetic robots
 Robotic or automated liquid handling systems - Example: Vial handling systems
 Rock breakers - Example: Tractor drills
 Rock crushers - Example: Quarry hammers
 Rock cutters - Example: Rock saws
 Rod pumps - Example: Continuous sucker rods
 Roll forging machines - Example: Automatic roll forging machines

Roller conveyors - Example: Scale conveyors
 Roller skates or roller blades - Example: In-line skates
 Rollers - Example: Road rollers
 Rollers for lawn or sports grounds - Example: Turf rollers
 Rolling press - Example: Beading machines
 Roofing brush - Example: Roofers' brushes
 Roofing mop - Example: Tar mops
 Root cutter - Example: Root pruners
 Rope float lines - Example: Heaving life lines
 Rotary compressors - Example: Rotary vane compressors
 Rotary drills - Example: Mud rotary drills
 Rotary paper or fabric cutter - Example: Fabric cutters
 Rotary position sensors - Example: Boom angle indicators
 Rotary tiller mixers - Example: Paddle mixers
 Rotating piston pumps - Example: Reciprocating piston sampling pumps
 Rotating shakers - Example: Floor shakers
 Rough terrain cranes - Example: Rough-terrain cranes
 Roughness measuring instruments - Example: Stylus profilometers
 Round file - Example: Round metal files
 Router bits - Example: Router bit sets
 Row boat - Example: Sculling boats
 Rowing machines - Example: Row machines
 Rubber mallet - Example: Rubber mallets
 Rubber or plastic extrusion dies - Example: Braiders
 Rubber or plastic mills - Example: Two-roll mills
 Rubber or plastic presses - Example: Mold presses
 Rubber stamping stamps - Example: Notary public stamps
 Rulers - Example: Precision rulers
 S hooks - Example: S-hooks
 Saddles - Example: Horse saddles
 Safety boots - Example: Non-slip boots
 Safety chains - Example: Postal vehicle tire chains
 Safety harness winders - Example: Inertia reels
 Safety harnesses or belts - Example: Fall arrest systems
 Safety helmets - Example: Sports helmets
 Safety hoods - Example: Protective hoods
 Safety hooks - Example: Roof hooks
 Safety horns - Example: Air horns
 Safety pins - Example: Coiless safety pins
 Safety signs - Example: Stop sign paddles
 Safety sleeves - Example: Bite sleeves
 Safety valves - Example: Pressure valves
 Safety vests - Example: Stab proof vests
 Sail booms - Example: Booms
 Salinity meter - Example: Salinity meters
 Salt bath furnace - Example: Automated salt bath furnaces
 Salvage ships - Example: Logging boats
 Sample changers - Example: Folsom plankton splitters
 Sample holders - Example: Sample bottles
 Sample oxidizer - Example: Biological oxidizers
 Sample preparation bombs - Example: Bacon bomb samplers
 Sampling manifolds - Example: High-vacuum manifolds
 Sampling pumps - Example: Bladder pumps
 Sampling syringes - Example: Laboratory bulb syringes

Sand blasting machine - Example: Sand blasters
 Sand control screens - Example: Desanders
 Sand or water tables or activity centers - Example: Sand tables
 Sand testing apparatus - Example: Sand grain size gauges
 Sandbags or sandbag sets for rehabilitation or therapy - Example: Therapeutic sandbags
 Sanding machines - Example: Edge sanders
 Sash clamp - Example: Fingerboard band clamps
 Satellite core equipment - Example: Mobile broadcast units
 Satellite phone - Example: Satellite telephones
 Satellite receivers - Example: Integrated receiver decoders IRD
 Saw blades - Example: Dado blades
 Saw guide - Example: Miter gauges
 Sawing and cut-off machine - Example: Coil cut-off machines
 Sawing machines - Example: Computerized numerical control CNC band saws
 Saws - Example: Handsaws
 Saxophones - Example: Alto saxophones
 Scaffolding handrail - Example: Roofing guardrails
 Scaffolding stabilizers - Example: Ladder levelers
 Scanners - Example: Computer data input scanners
 Scanning electron microscopes - Example: Multi-photon microscopes
 Scanning light or spinning disk or laser scanning microscopes - Example: Confocal laser scanning microscopes
 Scanning probe microscopes - Example: Atomic force microscopes
 Scarifiers - Example: Scarifier attachments
 Scientific calculator - Example: Financial calculators
 Scintillation crystal assemblies - Example: Gamma ray scintillometers
 Scissor lift or lift table - Example: Scissor lifts
 Scissors - Example: Ribbon scissors
 Scrapers for paint application - Example: Paint scrapers
 Screens - Example: Roof screens
 Screw clamps - Example: Edging clamps
 Screw compressors - Example: Rotary screw compressors
 Screw conveyor - Example: Conveyor augers
 Screw extractors - Example: Screw extractor sets
 Screw hooks - Example: Tree steps
 Screw Pumps - Example: Incline screw pumps
 Screwdriver accessories and supplies - Example: Flat screwdriver tips
 Screwdriver bits - Example: Screwdriver bit sets
 Screwdriver set - Example: 3-way screwdrivers
 Scroll saw - Example: Scroll saws
 Scrubbing machines - Example: Power sweepers
 Scuba regulators - Example: Scuba air regulators
 Scuba tanks - Example: Air tanks
 Sculpture accessories - Example: Clay carving tools
 Sealant adhesive robots - Example: Adhesive application robots
 Seam gauge - Example: Seam gauges
 Seam ripper - Example: Seam rippers

Seam welder - Example: Seam finishing machines
 Seatbelts - Example: Vehicle seat belts
 Secateurs or pruning shears - Example: Extended pole pruners
 Second cut file - Example: Double-sided files
 Security cameras - Example: Surveillance cameras
 Security metal detector - Example: Handheld metal detectors
 Security or access control systems - Example: Lenel Onguard
 Security tag detacher - Example: Security device removers
 Security tags - Example: Sensormatic systems
 Sedimentological analyzing unit - Example: Settleometers
 Seed drills - Example: Grain drills
 Seed treating equipment - Example: Seed mixers
 Seeder attachment - Example: Air clutches
 Seismic geophones - Example: Geophones
 Seismic receivers - Example: Ground vibration sensing equipment
 Seismic recorders or seismographs - Example: Seismic activity recorders
 Selective laser sintering machine - Example: Selective laser sintering SLS systems
 Semen collection instrument - Example: Artificial vaginas
 Semen packaging instrument - Example: Semen collection containers
 Semiconductor process systems - Example: Electron beam evaporators
 Semiconductor testers - Example: Teradyne Catalyst
 Serrated pattern tracing wheel - Example: Serrated pattern tracing wheels
 Server load balancer - Example: Load balancers
 Setting jig - Example: Setting jigs
 Sewing kits - Example: Point turners
 Sewing machines - Example: Commercial sewing machines
 Sewing needles - Example: Punch needles
 Sewing patterns - Example: Garment templates
 Sextants - Example: Marine sextants
 Sexual assault determination kits - Example: Sexual assault evidence collection kits
 Shackle - Example: Shackles
 Shackles - Example: Beef shackles
 Shaking incubators - Example: Orbital incubating shakers
 Shale shakers - Example: Drilling mud shale shakers
 Shaper cutter - Example: Shaping machines
 Sharpening stones or tools or kits - Example: Tool sharpening stones
 Shear strength testers - Example: Direct shear testing devices
 Shears - Example: Power shears
 Sheaves or pulleys - Example: Cable sheaves
 Sheet metal forming machine - Example: Slip rollers
 Sheet metal grooving machine - Example: Roll groovers
 Sheet metal pliers - Example: Hand seamers
 Shielded metal arc welding or stick welding machine - Example: Shielded arc welding tools
 Shock testing apparatus - Example: Bump testers
 Shoe heelpiece machine - Example: Heel-nailing machines

Shoe shining machine - Example: Shoe cleaning machines
 Shoe stretcher - Example: Shoe stretchers
 Shoring equipment - Example: Bracing equipment
 Short wave diathermy units - Example: Short wave diathermy devices
 Shot blasting machine - Example: Abrasive blasting machines
 Shot peen machine - Example: Shot peening equipment
 Shot peening machine - Example: Shot blasters
 Shotcrete spraying equipment - Example: Guniting machines
 Shotputs - Example: Competition shot puts
 Shovels - Example: Gardening shovels
 Shower or bath chairs or seats for the physically challenged - Example: Shower chairs
 Shuffleboard - Example: Shuffleboard sets
 Side slip tester - Example: Kingpin gauges
 Sifters - Example: Dirt sifters
 Sifting machinery - Example: Combination feeders
 Sight flow windows - Example: Boiler gauge glasses
 Signal cable - Example: Multi-conductor cables
 Signal converters - Example: Pneumatic electric converters
 Signal Flare - Example: Warning flares
 Signal generators - Example: Tone generators
 Signal mirror - Example: Signaling mirrors
 Silencer sections - Example: Silencers
 Silk screen arc lamps - Example: Silk screen exposure units
 Silk screen printing machines - Example: Screen printing presses
 Silk screen screens - Example: Aluminum silkscreening screens
 Silk screen squeegees - Example: Silk-screening squeegees
 Silk screen vacuum printing frames - Example: Silk-screening roller frames
 Silkscreen accessories - Example: Ink scoops
 Silkscreen screens or printing stations - Example: Silkscreen machines
 Simple harmonic oscillator - Example: Non linear effects equipment
 Sine bar - Example: Sine bars
 Single gas monitors - Example: Chlorine testers
 Single screw mixers - Example: Fork mixers
 Sinker drills - Example: Underwater sinker drills
 Sinks - Example: Three-compartment sinks
 Sirens - Example: Warning sirens
 Sitz baths for the physically challenged - Example: Portable sitz baths
 Skateboard - Example: Competition skateboards
 Skid steer loaders - Example: Skid steer machines
 Skinfold calipers - Example: Body fat calipers
 Skis - Example: Snow skis
 Sledge hammer - Example: Sledgehammers
 Sleep study monitors or accessories - Example: Pneumogram equipment
 Slicing machinery - Example: Meat and cheese slicing machines
 Slickline chemical cutters - Example: Chemical casing cutters

Slickline jet cutters - Example: Jet casing cutters
 Slickline severing tools - Example: Slickline severance tools
 Slide dryers - Example: Slide drying ovens
 Sliders - Example: Appliance sliders
 Slings - Example: Rigging equipment
 Slip or groove joint pliers - Example: Arc-joint pliers
 Slitters - Example: Paper slitter machines
 Sloped reading tables - Example: Reading stands
 Sludge collectors - Example: Clarifiers
 Sludge disposal equipment - Example: Sludge injectors
 Sludge or sewage digesters - Example: Aerobic digesters
 Sludge or sewage handling trucks - Example: Sewer cleaner
 vactors
 Sludge or sewage removal equipment - Example: Scum
 ejectors
 Sludge pelletizers - Example: Filter belt presses
 Sludge shredders - Example: Manure chopper pumps
 Slush machines - Example: Frozen drink machines
 Smoke detectors - Example: Battery powered smoke
 detectors
 Smoke signal device - Example: Floating smoke signals
 Smoking machinery - Example: Smokehouses
 Smooth cut file - Example: Flat smooth cut files
 Snack or small package goods display machines - Example:
 Snack vending machines
 Snap pliers - Example: Reversible snap ring pliers
 Snowboards - Example: Competition snowboards
 Snowmobiles or snow scooter - Example: Snowmobiles
 Soap dispenser - Example: Latherizing machines
 Soap dispensing brush - Example: Dish-cleaning brushes
 Socket attachments and accessories - Example: Socket
 drive extensions
 Socket sets - Example: Socket wrench sets
 Sockets - Example: Socket wrenches
 Soft serve machines - Example: Soft-serve ice cream
 machines
 Soil core sampling apparatus - Example: Power augers
 Soil probe - Example: Augers
 Soil testing kits - Example: Soil resistivity test kits
 Solar radiation surface observing apparatus - Example:
 Pyranometers
 Soldering iron - Example: Soldering irons
 Solid milling cutter - Example: Solid milling cutters
 Solid phase extraction preparations - Example: Fusion fluxes
 Solid phase extraction SPE columns - Example: Magnetic
 particle processors
 Solution strength estimation apparatus - Example: Torsion
 gelometers
 Sonars - Example: Side scan sonars
 Sonometers - Example: Single-beam echo sounders
 Sorters - Example: Mail sorting equipment
 Sorting machinery - Example: Vibrating tables
 Sorting machines for seed or grain or dried leguminous
 vegetables - Example: Agricultural dividers
 Sound detector - Example: Automotive stethoscopes
 Sound measuring apparatus or decibel meter - Example:
 Acoustic emissions systems

Space heaters - Example: Salamanders
 Spacers or standoffs - Example: Hammer butt spacers
 Spanner wrenches - Example: Hook spanner wrenches
 Spark plug gap gauge - Example: Spark plug feeler gauges
 Spark plug tester - Example: Ignition testers
 Spark plug wrench - Example: Spark plug sockets
 Spatulas - Example: Encaustic spatulas
 Special hoses - Example: Siphon hoses
 Special purpose telephones - Example: Multi-line telephone
 systems
 Specialty assembly - Example: Wire-routing tools
 Specialty brushes - Example: Oil painting brushes
 Specialty plates for bacteria - Example: Agar plates
 Specialty wrenches - Example: Bleeder wrenches
 Specimen collection container - Example: Specimen
 collection containers
 Specimen collection or transport bags - Example:
 Phlebotomy transport bags
 Specimen holders - Example: Anaerobic specimen transport
 systems
 Spectrofluorimeters or fluorimeters - Example: X ray
 fluorescence XRF spectrometers
 Spectrographs - Example: Imaging spectrographs
 Spectrophotometer accessories - Example: Deuterium lamps
 Speech mirror - Example: Speech therapy mirrors
 Speed sensors - Example: Radar guns
 Speed stoppers - Example: Tire deflation devices
 Speedometers - Example: Speed indicators
 Spice or salt or pepper shakers - Example: Sugar shakers
 Spill kits - Example: Hazardous material spill kits
 Spinal anesthesia kit or tray - Example: Lumbar puncture
 needles
 Spine or neuro retractors - Example: Cervical spine
 retractors
 Spinning machines - Example: Roving machines
 Spirit burners - Example: Alcohol lamps
 Spirometers or its accessories or its supplies - Example:
 Spirometers
 Splices or splice plates - Example: Marlinspikes
 Sport goals - Example: Soccer goals
 Sport nets or netting - Example: Tennis nets
 Sport safety equipment other than headgear - Example:
 Elbow pads
 Sport safety headgear - Example: Protective sports helmets
 Sport scoreboards - Example: Electronic display boards
 Sporting decoys - Example: Dog training dummies
 Sporting rifles - Example: Hunting rifles
 Sporting shotguns - Example: Animal control shotguns
 Sporting traps - Example: Culvert traps
 Sports timer - Example: Countdown timers
 Spot welding machine - Example: Portable welding
 equipment
 Spray booth - Example: Negative pressure spray booths
 Spray gun - Example: Automated sprayers
 Spray hose - Example: Mechanical spray nozzles
 Spray truck - Example: Truck mounted sprayers
 Sprayers - Example: Chemical sprayers

Sputum collection apparatus or containers - Example:
Sputum traps

Square file - Example: Thread repair files

Squeegees or washers - Example: Squeegees

Stackers - Example: Log stackers

Stage or projection or studio lighting system - Example:
Lighting grids

Stage or studio lamps - Example: General stage lighting

Stained glass tools or accessories - Example: Painting
bridges

Stair climbers - Example: Power stairclimbers

Stamp affixers - Example: Stamping equipment

Stamp canceling machines - Example: Postage canceling
machines

Stamping die - Example: Metal stamping dies

Stamping dies or punches - Example: Stamping sets

Standalone telephone caller identification - Example: Calling
line identification equipment

Standard fermentation units - Example: Fermentation
processing vessels

Standers or standing aids - Example: Standing aids

Stapler units - Example: Stapling machines

Staplers - Example: Electric tabletop staplers

Starting block - Example: Race starting blocks

Stationary bicycles - Example: Stationary exercise bicycles

Stationary separation equipment or parts or screens -
Example: Screen separators

Steam autoclaves or sterilizers - Example: Steam sterilizers

Steam condenser - Example: Evaporative condensers

Steam engines - Example: Steam turbines

Steam generators - Example: Heat recovery steam
generators

Steam pressing machines - Example: Fabric steamers

Steaming machinery - Example: Steam air retorts

Steel bar bending machine - Example: Bar benders

Steel bridge - Example: Electric drawbridges

Steel holding tank - Example: Dye water tank farm systems

Steering wheel puller - Example: Steering wheel column
pivot pin pullers

Stencils or lettering aids - Example: Type lettering sets

Step aerobic equipment - Example: Step aerobics equipment

Step drive or stepper drive or step indexer - Example:
Steppers

Step stool - Example: Step stools

Stereo or dissecting light microscopes - Example: Stereo
light microscopes

Stereolithography machine - Example: Stereolithography
prototyping machines

Sterile or aseptic processing or filling machines - Example:
Automated drug dispensing equipment

Sterilization biological kit - Example: Spore strips

Sterilization cabinets - Example: Sterilizer chambers

Sterilization cleaning brushes - Example: Cleaning or
sterilizing scrubbing brushes

Sterilization heat sealers - Example: Heat-sealer machines

Sterilization indicator strips - Example: Chemical sterilization
indicators

Sterilization sets - Example: Sterilization-in-place equipment

Sterilization test packs and accessories - Example: Bowie
Dick test packs

Sternum retractors - Example: Sternal retractors

Stethoscopic phonocardiographs - Example:
Phonocardiographs

Still cameras - Example: 35 millimeter cameras

Stirring hotplates - Example: Hot plate stirrers

Stitch bonding machines - Example: Stitch bonders

Stonemason chisel - Example: Stone carving chisels

Stonemason hammer - Example: Brick hammers

Stool collection containers without media - Example: Occult
blood kits

Stop watch - Example: Digital stopwatches

Storage area network SAN switch - Example: Storage area
network SAN switches

Storage racks or shelves - Example: Mail distribution cases

Storage tanks - Example: Preheat tanks

Storm lights - Example: Spotlights

Straight edges - Example: Parallel bars

Strain gauges - Example: Strain gauge balances

Strapping dispenser - Example: Strapping machines

Strapping tensioners or sealers - Example: Strappers

Streetcars or tramway cars - Example: Cable cars

Striking hammers - Example: Rotary hammer systems

String or twine - Example: String lines

Stripping tools - Example: Fiber optic cable strippers

Strobe or warning lights - Example: Strobe lights

Stud finders - Example: Stud locators

Stuffed animals or puppets - Example: Hand puppets

Stuffing box - Example: Stuffing boxes

Stunner - Example: Captive bolt stunners

Submerged arc welding machine - Example: Submerged arc
welding tools

Substation load control switchgears - Example: Electrical
switch gear

Suction cups - Example: Vacuum cups

Sulfur dioxide analyzers or detectors - Example: Sorbent
dosimeters

Sump pumps - Example: Portable sump pumps

Surface data logging sensors - Example: Data logging
pressure/temperature sensors

Surface data logging units - Example: Well/surface water
dataloggers

Surface gauge - Example: Surface profile gauges

Surface grinding machine - Example: Surface grinding
machines

Surface tension measuring instruments - Example: Pulsating
bubble surfactometers PBS

Surface testers - Example: Profilometers

Surface thermometers - Example: Field thermometers

Surfboards - Example: Competition surfboards

Surge protector panel - Example: Surge protectors

Surgeon caps or hoods - Example: Protective caps

Surgical bolt or cable or pin or wire cutter instruments -
Example: Pin and wire cutters

Surgical bone biopsy mills or related products - Example: Bone crushers

Surgical bone biopsy trephines - Example: Bone marrow puncture needles

Surgical bone cutting forceps - Example: Bone-cutting forceps

Surgical bone hand saws or wire saws or saw handles - Example: Surgical hand saws

Surgical burr or its accessories - Example: Surgical bone burs

Surgical calipers or rulers - Example: Pelvimeters

Surgical chisels or gouges - Example: Bone chisels

Surgical clamps or clips or forceps or accessories - Example: Ligators

Surgical controller instruments - Example: Master control units or manipulators

Surgical curettes or loops - Example: Dermal curettes

Surgical depressors - Example: Uterine depressors

Surgical dermatomes or dermabraders or dermameshers or accessories - Example: Dermatomes

Surgical dilators or accessories - Example: Uterine dilators

Surgical dissectors - Example: Endoscopic dissectors

Surgical drains or sets or accessories - Example: Surgical drains

Surgical drivers or its parts or accessories - Example: Surgical hand drivers

Surgical elevators or levers - Example: Sinus lift instruments

Surgical equipment stands or accessories - Example: Surgical trays/tables

Surgical extractors - Example: Stone extractors

Surgical hammers or mallets - Example: Surgical mallets

Surgical hand or twist drills or drill kits or accessories - Example: Surgical hand drills

Surgical impactors or packers - Example: Bone packers

Surgical instrument holders or positioners - Example: Instrument positioning equipment

Surgical irrigation or suction handpiece or cannula or tip - Example: Suction tips

Surgical irrigation sets or accessories - Example: Peristaltic water pumps

Surgical isolation suits or helmets or facemasks or accessories - Example: Surgical suits

Surgical lasers or accessories - Example: Medical lasers

Surgical lighted fiberoptic retractors - Example: Surgical fiberoptic retractors

Surgical lithotripters or accessories - Example: Ultrasonic lithotripters

Surgical manipulating instruments - Example: Uterine manipulators

Surgical microscopes or loops or magnifiers or accessories - Example: Dental loupes

Surgical mouth gags or accessories - Example: Veterinary surgical mouth gags

Surgical needle holders for general use - Example: Needle holders

Surgical nerve stimulators or accessories - Example: Peripheral nerve stimulators

Surgical or endoscopic catheters or catheterization kits or drainage bags - Example: Endoscopic catheters

Surgical perfusion catheters or connectors or accessories - Example: Balloon perfusion catheters

Surgical pliers - Example: Dental tissue pliers

Surgical pneumatic or battery or electric saws or drills or pin drivers or accessories - Example: Craniotome drills

Surgical pneumatic or electric tourniquets or accessories - Example: Surgical tourniquets

Surgical power equipment sets or accessories - Example: Surgical robots

Surgical probes or directors - Example: Surgical probes

Surgical punches or punch holder or accessories - Example: Biopsy punches

Surgical purstring devices - Example: Suture devices

Surgical rake retractors - Example: Rigid rake retractors

Surgical retraction hooks - Example: Skin hooks

Surgical retractors for general use - Example: Sinus retractors

Surgical rongeurs - Example: Oral surgery ronguers

Surgical scalpels or knives or blades or trephines or accessories - Example: Surgical scalpels

Surgical scissors - Example: Episiotomy scissors

Surgical shave kits or prep razors or clippers - Example: Surgical razors

Surgical smoke evacuators or accessories - Example: Operating room smoke evacuators

Surgical sounds - Example: Uterine sounds

Surgical spatulas - Example: Packer and spatula tools

Surgical spreaders - Example: Rib spreaders

Surgical sterile instrument brushes or instrument stylets or instrument wipes - Example: Stylets

Surgical suction machines or vacuum extractors or ultrasonic surgical aspirators or regulators or accessories - Example: Fiberoptic aspirators

Surgical suction or irrigation tubing or accessories - Example: Surgical tubing or irrigation tubing

Surgical suture or wire passers or related products - Example: Suture passers

Surgical tomes - Example: Mucotomes

Surgical tourniquets or vascular occluders or ligators or accessories - Example: Vascular occluders

Surgical trocars for general use or accessories - Example: Trocars

Surgical urology retractors or its accessories - Example: Urology retractors

Surgical vacuum extraction devices or curettes or related products - Example: Vacuum extractors

Surveillance video or audio recorders - Example: Audio recording equipment

Suture needles - Example: Curved suture needles

Suture removal kits or trays or packs or sets - Example: Suture removal kits

Suture removers - Example: Suture scissors

Suturing kits or trays or packs or sets - Example: Suturing kits

Swab collection or transport containers - Example: Swab transports

Swim goggles or swim fins - Example: Swim flippers

Switchyard disconnect switches - Example: Switch yard equipment

Swivel base vise - Example: Swivel head vises

Swivel carabiner - Example: Swivel carabiners

Swiveling barber chair - Example: Shampoo chairs

Synthesizer - Example: Computerized synthesizers

T squares - Example: T-squares

Table gambling management systems - Example: Player tracking system software

Table looms - Example: Rigid heddle looms

Table tennis paddles - Example: Ping-pong paddles

Tables - Example: Manicure tables

Tablet counters - Example: Capsule counters

Tablet crushers or accessories - Example: Pill crushers

Tactile toys - Example: Pegboards

Tag guns - Example: Fish tag guns

Taglines - Example: Rope taglines

Tampers - Example: Compaction tampers

Tangent bender - Example: Hosfield metal benders

Tangent screen test objects kits or accessories - Example: Tangent screens

Tankers - Example: Chemical tankers

Tape arrays - Example: Quarter inch cartridge QIC tapes

Tape drive libraries - Example: Robotic tape libraries

Tape drives - Example: Computer tape drives

Tape duplicator - Example: Portable tape reproducers

Tape guide - Example: Automatic taping tools

Taper gauge - Example: Taper gauges

Taper pin reamer - Example: Precision tapered reamers

Taper punch - Example: Lining-up punches

Tapping machine - Example: Tapping machines

Tapping machine attachment - Example: Tapping tools

Taps - Example: Bottoming taps

Target or reconnaissance drones - Example: Unmanned aerial vehicles UAV

Tarpaulins - Example: Ground tarps

Teeth cleaning devices or accessories - Example: Dental air water syringes

Telecommunication devices TDD or teletypewriters TTY for the physically challenged - Example: Telecommunication devices TDD

Teleconference equipment - Example: Teleconferencing equipment

Telegraph sounders - Example: Electric telegraphs

Telemetry systems - Example: Telemetry equipment

Telephone test set - Example: Telephone function test sets

Telephony equipment service observing units - Example: Telephone test sets

Telescoping boom lift - Example: Telescoping lifts

Telescoping gauge - Example: Telescoping gauges

Teletype input devices - Example: Teletype terminals

Television tuners - Example: Channel frequency tuners

Televisions - Example: Closed circuit television systems

Temperature and humidity walk in environmental chamber - Example: Humidity test chambers

Temperature calibrator or simulator - Example: Temperature simulators

Temperature controlled container trailers - Example: Refrigerated trailers

Temperature cycle chamber - Example: Temperature testers

Temperature cycling chambers or thermal cyclers - Example: Rapid thermal annealers RTA

Temperature gauge - Example: Temperature gauges

Temperature humidity testers - Example: Humidity indicators

Temperature indicating stick - Example: Temperature sticks

Temperature or humidity surface observing apparatus - Example: Electronic hygrothermometers

Temperature regulators - Example: Temperature monitors

Temperature transmitters - Example: Electronic temperature sensors

Templates - Example: Architectural templates

Tennis racquets - Example: Tennis rackets

Tenoner or tenoning machine - Example: Mortise and tenon jigs

Tensile strength tester - Example: Burst testers

Tensiometers - Example: Tension gauges

Tension testers - Example: Prosthetic limb testers

Tensioners - Example: Carpet tucking tools

Tents - Example: Camping tents

Terminations - Example: Termination tools

Test sieves - Example: Mole sieves

Textile testing instruments - Example: Twist testers

Theodolites - Example: Total stations

Therapeutic balls or accessories - Example: Medicine balls

Therapeutic cryo compression therapy system and accessories - Example: Sequential pump equipment

Therapeutic heating or cooling blankets or drapes - Example: Therapeutic cooling blankets

Therapeutic heating or cooling pads or compresses or packs - Example: Therapeutic cold packs

Therapeutic heating or cooling units or systems - Example: Veterinary patient warming systems

Therapeutic ice packs or pillows - Example: Therapeutic ice packs

Therapeutic paraffin baths or accessories - Example: Paraffin baths

Therapeutic pegboards or activity boards - Example: Pegboards

Thermal binding machine - Example: Book presses

Thermal book binding machines - Example: Thermal book binders

Thermal conductivity analyzers - Example: Thermal conductivity detectors

Thermal differential analyzers - Example: Dynamic mechanical analyzers DMA

Thermal engines - Example: Geothermal binary turbines

Thermal imager - Example: Thermal cameras

Thermal spray machine - Example: Metal spray equipment

Thermal tape printers - Example: Heat transfer printers

Thermal transfer printer for commercial printing applications - Example: Newspaper platesetters

Thermistor - Example: Thermistor chains

Thermo gravimetry analyzers - Example: Thermogravimetric analyzers

Thermocouple probes - Example: Thermocouple temperature probes

Thermoelectric cooler - Example: Recirculators

Thermographs - Example: Temperature profile recorders

Thermometer probes - Example: Electronic thermometer probes

Thermostatic baths - Example: Chemical baths

Thermostats - Example: Immersion thermostats

Thickness measuring devices - Example: Anthropometers

Thin client computers - Example: On-board computers

Thin layer chromatography tanks - Example: Developing tanks

Thinlayer chromatographs - Example: Thin layer chromatography equipment

Thoracentesis set or tray - Example: Thoracentesis trays

Thread counters or gauges - Example: Thread gauges

Thread pitch gauge - Example: Screw thread pitch gauges

Thread repair kits - Example: Split dies

Thread unravelling machine - Example: Yarn splicers

Threading die - Example: Threading machine die heads

Threading dies - Example: Pipe threaders

Threading insert - Example: Hand taps

Threading machine - Example: Pipe threading machines

Threading machine attachment - Example: Threading tools

Threading taps - Example: Thread cleaning tools

Three dimensional printing machine - Example: Three-dimensional prototyping printer

Threshing machines - Example: Threshers

Throttle - Example: Engine throttles

Through tubing perforation guns - Example: Well tubing perforation guns

Throwing hammer - Example: Hammer throws

Ticket dispensing machines - Example: Lottery ticket machines

Tie down anchors - Example: Tie-down equipment

Tile cutter - Example: Tile cutters

Tile power saw - Example: Cordless tile saws

Tillers - Example: Boat tillers

Tilt trucks - Example: Dumper riders

Time card machines - Example: Time clocks

Time card or time clock machine accessories - Example: Time clocks

Time delay fuses - Example: Explosives time delay fuses

Time relay - Example: Time delay relay panel boxes

Time stamping machines - Example: Date stamps

Timing light - Example: Engine timing lights

Timpanies - Example: Timpani

Tinners snips - Example: Hand snips

Tire depth gauge - Example: Tread depth gauges

Tire pressure gauge - Example: Tire pressure gauges

Tire repair kit - Example: Valve core removal tools

Tire spreader - Example: Tire spreaders

Tissue culture apparatus - Example: Soft materials in-vitro simulation system

Tissue culture coated plates or dishes or inserts - Example: Polymer matrices

Tissue culture flasks - Example: Culture bottles

Tissue culture incubators - Example: Bioreactors

Tissue embedding stations - Example: Paraffin embedding consoles

Tissue processors - Example: Vibratome tissue sectioning systems

Titration equipment - Example: Titrators

Tongs - Example: Cable tongs

Tongue depressors or blades or sticks - Example: Tongue depressors

Tool holders - Example: Hexagon bit adaptors

Tool template sets - Example: Sheet metal templates

Torque converters - Example: Torsional converters

Torque screwdriver - Example: Digital torque screwdrivers

Torque tools - Example: Hydraulic torque machines

Torque wrenches - Example: Manual torque wrenches

Torsion testers - Example: Torsion meters

Torso and belt restraints - Example: Upper body restraints

Torx keys - Example: Torx drivers

Touch pads - Example: Haptic devices

Touch screen monitors - Example: Interactive whiteboards

Tow trucks - Example: Winch trucks

Tower cranes - Example: Material moving cranes

Towing hook - Example: Boat towing hooks

Toxicology analyzers - Example: Toxic gas analyzers

Toxicology test kits or supplies - Example: Toxic mold test kits

Toy balloons or balls - Example: Beeper balls

Tracer or duplicating or contouring lathe - Example: Lathes

Tracheostomy accessories - Example: Tracheostomy collars

Tracheotomy surgical instrument sets - Example: Tracheotomy kits

Track bulldozers - Example: Tracked bulldozers

Track cranes - Example: Overhead cranes

Track excavators - Example: Amphibious excavators

Track loaders - Example: Knuckleboom loaders

Traction splint sets - Example: Lower extremity traction devices with ankle hitches

Tractor mounted crane - Example: Mobile cranes

Traffic cones or delineators - Example: Traffic cones

Traffic signals - Example: Remote traffic signal controllers

Trailer hitches - Example: Sliding fifth wheels

Train braking systems - Example: Retarders

Train defrosting or defogging systems - Example: Railcar defrosting systems

Training ramps for rehabilitation or therapy - Example: Rehabilitation training ramps

Training stairs for rehabilitation or therapy - Example: Stair climbers

Training weight - Example: Weight plates

Transcutaneous electric nerve stimulation units - Example: Transcutaneous electric nerve stimulation TENS equipment

Transilluminators - Example: Ultraviolet UV transilluminators

Transistor circuit testers - Example: Universal microwave transistor test fixtures

Transistor transistor logic TTL - Example: Pattern generator systems

Transmission electron microscopes - Example: Micromanipulation microrheology microscopes

Transplanters - Example: Transplanting equipment

Transport ventilators - Example: Portable ventilators

Trapshooting equipment - Example: Skeet shooting equipment

Traveling column milling machine - Example: Computer numerical controlled CNC milling machines

Trawlers - Example: Seiners

Treadmill exercisers for rehabilitation or therapy - Example: Therapeutic treadmill exercisers

Treadmills - Example: Exercise treadmills

Tree protection rod - Example: Protection tubes

Treedozers - Example: Forestry crawler dozers

Trenching machines - Example: Trenchers

Trim or molding tools - Example: Door panel fastener removal tools

Trim press - Example: Easy edgers

Trowels - Example: Brickmasons' trowels

Truck or rail scales - Example: Vehicle weight scales

Tuba - Example: Tubas

Tube bending machine - Example: Hydraulic tubing benders

Tube brushes - Example: Condenser brushes

Tube end finisher - Example: Tube end facers

Tube furnaces - Example: Doping tubes

Tube rotators - Example: Serology tube rotators

Tube wrenches - Example: Tube pullers

Tuberculin syringes - Example: Tuberculin TB skin test equipment

Tubing head adapter - Example: Double studded adapters

Tug boats - Example: Tugboats

Tugger - Example: Electric material moving tractors

Tumblers or polishers - Example: Chemical mechanical polishing CMP systems

Tungsten carbide abrasive wheels - Example: Emery wheels

Tungsten inert gas welding machine - Example: Tungsten inert gas TIG welding equipment

Tuning bars - Example: Tuning hammers

Tuning forks - Example: Instrument tuning forks

Tuning pins - Example: Piano tuning pin cranks

Tunneling machinery - Example: Tunneling machines

Turbine engines - Example: Impulse turbines

Turbine pumps - Example: Turbine water pumps

Turning machines - Example: Computerized numerical control CNC turning centers

Turntables - Example: Programmable logic controller PLC controlled turntables

Turret lathe - Example: Vertical turret lathes VTL

Turret milling machine - Example: Vertical milling machines

Tweezers - Example: Fiber optic tweezers

Twin screw extruder - Example: Balling drums

Twisting machines - Example: Textile twisting machines

Two way radios - Example: Mobile radios

Tying machines - Example: Package tying machines

Tympanometers or accessories - Example: Tympanometers

Typewriters - Example: Electric typewriters

Ultra cold or ultralow upright cabinets or freezers - Example: Freezers

Ultra pure water systems - Example: Ion exchange purification systems

Ultra violet water purification units - Example: Ultraviolet water purification systems

Ultrafiltration equipment - Example: Plate filter presses

Ultrasonic cleaning equipment - Example: Ultrasonic cleaners

Ultrasonic disintegrators - Example: Sonicators

Ultrasonic examination equipment - Example: Ultrasonic inspection equipment

Ultrasonic therapy apparatus or supplies - Example: Ultrasound machines

Ultrasonic welding machine - Example: Ultrasonic welding equipment

Ultraviolet crosslinkers - Example: Ultraviolet UV crosslinkers

Ultraviolet disinfection equipment - Example: Ultraviolet light UV water disinfection systems

Ultraviolet sterilizer - Example: Ultraviolet UV sterilizers

Ultraviolet UV lamps - Example: Ultraviolet UV lights

Underwater communication system - Example: Wireless communication systems

Underwater lighting - Example: Aquarium lighting

Unit cooler - Example: Coolant chillers

Universal milling machine - Example: Combination milling machines

Upper body resistance machines - Example: Upper body weight machines

Upper extremity prosthetic devices - Example: Arm prosthetics

Urethral urinary catheters - Example: Foley catheters

Urethrotome - Example: Urethrotomes

Urinalysis analyzer accessories or supplies - Example: Urine strainers

Urinalysis analyzers - Example: Urine testing kits

Urinary catheterization kit - Example: Indwelling catheters

Urological procedure trays or packs or kits - Example: Catheter trays

Urological sheaths or sets - Example: Urological sheaths

Urological surgical instrument sets - Example: Optical urethrotomes

Uterine devices or accessories - Example: Hysteroscopes

Vacuum blood collection tubes or containers - Example: Evacuated blood collection tubes

Vacuum cleaner supplies or accessories - Example: Vacuum cleaner micro-tools

Vacuum desiccators - Example: Drying pistols

Vacuum hose - Example: Suction hoses

Vacuum impregnation or porosity sealing device - Example: Vacuum impregnators

Vacuum molding machines - Example: Vacuum molders

Vacuum or centrifugal concentrators - Example: Sample concentrators

Vacuum or mercury vapour equipment - Example: Vacuum systems

Vacuum or rotary evaporators - Example: Rotavapors

Vacuum ovens - Example: Vacuum furnaces

Vacuum truck - Example: Vacuum trucks

Vacuum tube needles - Example: Fine biopsy needles

Vaginal ultrasound or echo probes or accessories - Example: Vaginal ultrasound probes

Valve refacer - Example: Valve seat grinders

Valve seat cutter - Example: Valve seating equipment

Valve spring compressor - Example: Valve spring compressors

Var meter - Example: Core-loss testers

Variable message sign - Example: Dynamic message signs

Variable resistors or varistors - Example: Metal-oxide varistors MOV

Vascular filter - Example: Bird's nest inferior vena caval filters

Vascular imaging guidewire - Example: Radi pressure wires

Vascular or compression apparel or support - Example: Pneumatic boots

Vascular sequential compression devices or tubing - Example: Sequential compression devices

Vectorscope - Example: Vectorscopes

Vee block - Example: V-blocks

Vegetable peeler - Example: Swivel peelers

Vehicle horns - Example: Warning horns

Vehicle jack - Example: Vehicle jack stands

Vehicle lift - Example: Air lifts

Vehicle navigation systems - Example: Navigation equipment

Vehicle parts washing machine - Example: Automatic part cleaners

Vehicle traction control systems - Example: Snow chains

Vehicular global positioning system GPS - Example: Global positioning systems GPS

Vein harvest kit or system - Example: Endoscope vein harvesting equipment

Ventilation dampers - Example: Exhaust dampers

Ventilator accessories - Example: Lung simulators

Ventricular assist devices - Example: Ventricular assist devices VAD

Venturis - Example: Orifice plates

Vertical machining center - Example: Computerized numerical control CNC vertical milling machines

Vertical turning center - Example: Vertical spindle mills

Vestibular motion devices for rehabilitation or therapy - Example: Computerized dynamic posturography (CDP) balance test systems

Veterinary blood pressure testers - Example: Ultrasonic blood pressure monitors

Veterinary castration instruments - Example: Livestock castration equipment

Veterinary clinical thermometers - Example: Digital veterinary thermometers

Veterinary electrocardiograph ECG - Example: Animal electrocardiograph ECG units

Veterinary injection or suction units or accessories - Example: Animal blood collection syringes

Veterinary nail trimmers or cutters - Example: Hoof knives

Veterinary speculums - Example: Veterinary oral specula

Vibrating conveyors - Example: Vibratory conveyors

Vibration testers - Example: Vibration analysis equipment

Vibratory or barrel finishing machine - Example: Barrel finishing machines

Vibratory plates - Example: Kneading compactors

Vibratory separation equipment or parts or screens - Example: Vibrating screens

Video attachments for microscopes - Example: Stereoscopes

Video cassette players or recorders - Example: Video cassette recorders VCR

Video conference cameras - Example: Web conferencing cameras

Video editors - Example: Video editing equipment

Video games - Example: Music video games

Video monitors - Example: Video surveillance systems

Video standards converter - Example: Video converters

Video streaming system - Example: YouTube.com

Video tape rewinders - Example: Film rewinders

Videoconferencing systems - Example: Video teleconferencing systems

Videoscopes - Example: Digital imaging microscopes

Viola - Example: Violas

Violoncellos - Example: Cellos

Viscosimeters - Example: Viscometers

Visible light radiator - Example: Phototherapy units

Vision testing stereoscopes - Example: Vision screening equipment

Visual filters - Example: Optical filters

Visual presenters - Example: Video magnifiers

Voice data video cable tester - Example: Communication cable testers

Voice synthesizers for the physically challenged - Example: Voice output communication aids

Voltage and current meter calibrator - Example: Universal calibrators

Voltage comparator integrated circuits - Example: Analog to digital converters

Voltage or current meters - Example: Voltage testers

Volumeters - Example: Dilatometers

Volumetric pipettes - Example: Variable volume pipettes

Vortex mixers - Example: Two-vortex mixers

Vulcanizing machines - Example: Hot vulcanizing plates

Wafer wire bonder - Example: Die bonders

Wagons - Example: Auger wagons

Walk in freezers - Example: Industrial freezing equipment

Walk in refrigerators - Example: Floral storage coolers

Walkers or rollators - Example: Walkers

Wall anchors - Example: Wheelchair clamping devices

Wallpaper roller - Example: Hand rollers

Warming cabinets - Example: Plasma thawers

Warping machine - Example: Warping mills
 Watch or clock case openers - Example: Case knives
 Watch or clock repair kits - Example: Beat setters
 Water analysis systems - Example: Water activity meters
 Water analyzers - Example: Water test kits
 Water based paints - Example: Water-based face paints
 Water conditioners - Example: Liquid conditioners
 Water cooled condensor - Example: Water-cooled
 condensers
 Water filters - Example: Screen filters
 Water jacketed single chamber three gas incubators -
 Example: Water jacketed incubators
 Water jet cutting machine - Example: Water jet cutters
 Water level regulator - Example: Dam water flow controls
 Water meters - Example: Water level monitors
 Water pumps - Example: Large volume water pumps
 Water purification equipment - Example: Condensate
 demineralizers
 Water skis or accessories - Example: Competition water skis
 Water softening accessories - Example: Water softeners
 Water sprinklers - Example: Impact sprinklers
 Water storage tanks - Example: Water reservoirs
 Water testing and sampling kits - Example: Ammonia test
 kits
 Water treatment dryers - Example: Water treatment
 evaporators
 Water trucks - Example: Tanker trucks
 Water tube boiler - Example: Steam boilers
 Watercolor brushes - Example: Watercolor paintbrushes
 Wave generators - Example: Arbitrary waveform generators
 Wave soldering machine - Example: Soldering equipment
 Weapon or explosives detectors and supplies - Example:
 Explosive detectors
 Wear testers - Example: Spinal disk implant wear testers
 Wearable computing devices - Example: Pen-based
 computers
 Weather stations - Example: Portable meteorological
 stations
 Weaving accessories - Example: Latch hooks
 Weaving machines - Example: Air jet weaving machines
 Web cameras - Example: Webcams
 Web clamp - Example: Band clamps
 Weeders - Example: Weedeaters
 Weigh belt feeder - Example: Feed scales
 Weight benches or racks - Example: Glute-ham benches
 Weight machines for rehabilitation or therapy - Example:
 Upper extremity testing/strengthening systems
 Weight measuring instrument accessories - Example: Belt
 scales
 Weights or sets or accessories for rehabilitation or therapy -
 Example: Dumbbells
 Welder gloves - Example: Welding gloves
 Welder torch - Example: Brazing equipment
 Welding electrode - Example: Stick electrodes
 Welding generator - Example: Welding distribution panels
 Welding masks - Example: Welding hoods

Welding or brazing tip cleaner file - Example: Welding tip
 cleaning files
 Welding or cutting tip - Example: Welding tips
 Welding or soldering kit - Example: Stud welder kits
 Welding positioner and manipulator - Example: Magnetic
 torch guides
 Welding regulator oxygen - Example: Welding oxygen
 regulators
 Welding robots - Example: Robotic welders
 Welding tip dresser or accessories - Example: Welding tip
 dressers
 Welding wire - Example: Electrode wires
 Well logging downhole test equipment - Example: Borehole
 cameras
 Well pumps - Example: Natural gas lifts
 Well testing downhole tools - Example: Free point tools
 Well testing separators - Example: Test separators
 Wellhead beam pumps - Example: Wellhead drives
 Wellhead flow lines - Example: Lease automatic custody
 transfer LACT units
 Wellhead production chokes - Example: Drilling chokes
 Wellhead tees or crosses - Example: Drilling crosses
 Wet mops - Example: Cleaning mops
 Wet or dry combination vacuum cleaners - Example: Shop
 vacuums
 Wetsuits - Example: Scuba suits
 Wheel alignment equipment - Example: Wheel aligners
 Wheel balancing equipment - Example: Wheel balancers
 Wheel bulldozers - Example: Bulldozers
 Wheel chocks - Example: Chock blocks
 Wheel clamps - Example: Wheel locks
 Wheel excavators - Example: Rubber-tired excavators
 Wheel nut or lug wrench - Example: Lug wrenches
 Wheelchair accessories - Example: Wheelchair restraint
 systems
 Wheelchair ramps - Example: Wheelchair exit or entrance
 ramps
 Wheelchairs - Example: Patient wheelchairs
 Whips - Example: Dressage whips
 Whirlpool tub - Example: Portable whirlpools
 Whistle - Example: Referee whistles
 Wind surface observing apparatus - Example: Wind vanes
 Wind vane - Example: Wind vanes
 Winding or reeling or spooling machines - Example:
 Respooling machines
 Wing bender - Example: Wing benders
 Wire and cable pulling device - Example: Cable pullers
 Wire brushes - Example: Bronze brushes
 Wire cathode electrode discharge machine - Example: Wire
 electrical discharge machines
 Wire connectors - Example: Surface connector blocks
 Wire cutters - Example: Jack termination tools
 Wire drawing machine - Example: Wire pulling machines
 Wire gauge - Example: Jewelers' wire gauges
 Wire labeling tool and printer - Example: Labeling kits
 Wire lug crimping tool - Example: Wire crimpers
 Wire mills - Example: Jump ring makers

Wire or cable cutter - Example: Cable cutters
 Wire rope - Example: Wire ropes
 Wire scissors - Example: Floral wire cutters
 Wire twister - Example: Safety wire pliers
 Wire wrapping tool - Example: Wire wrap guns
 Wire-stripping pliers - Example: Wire strippers
 Wireless microphone and instrument amplification system -
 Example: Wireless microphones
 Wireless network interface cards - Example: Mobile adapters
 Wireline grabs - Example: Slickline fishing tools
 WLAN wireless access network equipment and components -
 - Example: Wireless access points WAP
 Womens athletic footwear - Example: Pointe shoes
 Wood auger bit - Example: Auger bits
 Wood burning tools - Example: Woodburning tool sets
 Wood chisels - Example: Woodworking chisels
 Wood easels - Example: Wood art easels
 Wood gouge - Example: Wood carving gouges
 Wood mannequins - Example: Modeling stands
 Woodworking jointer - Example: Woodworking jointers
 Wool comb - Example: Wool combs
 Work benches - Example: Bench blocks
 Work tables or stations or accessories for rehabilitation or
 therapy - Example: Upper body ergometers
 Wrapping machinery - Example: Strapping machines
 Wrecking or crow bar - Example: Crowbars
 Wrench accessories and supplies - Example: Camshaft
 bearing drivers
 Wrist exercisers for rehabilitation or therapy - Example: Hand
 grips
 Writing aids for the physically challenged - Example: Word
 prediction software
 X ray and fluoroscopy RF radiotherapy planning simulators -
 Example: X ray lithography equipment
 X ray baggage inspection system - Example: X ray
 inspection equipment
