

# Nitrogen Smart Communities Toolkit

The NSC Toolkit provides resources necessary to complete each Step and associated Worksheet of the NSC program. Other information that is required can be obtained directly from the individual municipality.

## Step 1

Resource	Link	Additional Information
NSC Pledge	<a href="#">View PDF</a>	
Model Resolution	<a href="#">View PDF</a>	
Permits and Regulations List	<a href="#">View PDF</a>	

## Step 2

Resource	Link	Additional Information
Advisory Taskforce Members Guide	<a href="#">View PDF</a>	

## Step 3

Resource	Link	Additional Information
Nassau County Subwatershed Plan	<a href="#">Nassau County Nine Element Plan Webpage</a>	Elements A, B, and C of the Nassau County Nine Element Plan provide information on the nitrogen loads across the subwatersheds of Nassau County.
Suffolk County Subwatershed Wastewater Plan	<a href="#">Suffolk County Subwatershed Wastewater Plan</a>	Sections 5, 6, and 7 of the Suffolk County SWP summarize the findings for each of the

		major estuaries in Suffolk County.
NYS GIS Clearinghouse	<a href="#">NYS GIS Clearinghouse</a>
