

## Nassau County

# Nitrogen Smart Communities Toolkit

The NSC Toolkit provides all resources needed to complete Worksheets 1-4. Municipalities may also have some of the required information internally.

### Step 1

Required Information	Link
DEC Permit and Regulations Compliance	<a href="#">Permits and Regulations List</a>
NSC Pledge	<a href="#">NSC Pledge</a>
Municipal Resolution	<a href="#">Sample Resolution</a>

### Step 2

Required Information	Link
Creation of Advisory Taskforce	<a href="#">Advisory Taskforce Guide</a> <a href="#">Advisory Taskforce FAQ</a>
Creation of Community Outreach Plan	<a href="#">Sample Community Outreach Plan</a>

### Step 3

Required Information Table 3.1A	Link
Source Percentage of Nitrogen	Information Provided by DEC/LIRPC
Total Number of Parcels Connected to Sewer System	Information Provided by DEC/LIRPC
<ul style="list-style-type: none"> <li>Wastewater Treatment Plant (WWTP) Name</li> <li>WWTP Owner</li> <li>WWTP Address</li> <li>SPDES ID</li> <li>Receiving Waterbody</li> <li>Total Permitted Flow</li> </ul>	<a href="#">DECinfo Locator</a> Total permitted flow can be found on the WWTP permit on <a href="#">DECinfo Locator</a> .
<ul style="list-style-type: none"> <li>WWTP Average Nitrogen in Effluent</li> <li>Summary of Facility Compliance</li> </ul>	<a href="#">EPA ECHO</a>
Required Information Table 3.1B	Link
Name of Private Sewage Treatment Plant (Private STP)	<a href="#">Nassau County Sewered Areas Map</a> <a href="#">DECinfo Locator</a> Municipality GIS Map

Private STP Information – SPDES ID	<a href="#">EPA ECHO</a>
<a href="#">Required Information Table 3.1C</a>	<a href="#">Link</a>
Source Percentage of Nitrogen	Information provided by LIRPC/DEC
Number of Septic Systems/Cesspools	Information provided by LIRPC/DEC
Number of I/A OWTS Installed	Derek Betts at <a href="mailto:516-364-5860/dbetts@nassauswcd.org">516-364-5860/dbetts@nassauswcd.org</a>
Additional Information	Any municipality-specific wastewater management programs
<a href="#">Required Information Table 3.1D</a>	<a href="#">Link</a>
Name of Marina/Pumpout Station	<a href="#">EFC Clean Vessel Assistance Program</a>
Additional Information	 municipality-specific marine pumpout information
<a href="#">Required Information Table 3.2A</a>	<a href="#">Link</a>
Source Percentage of Nitrogen Lawns	Information provided by LIRPC/DEC
Total Acres of Fertilized Land	Information provided by LIRPC/DEC
Acres of Municipal Fertilized Land	Sum of the areas of municipally owned land (owner is towns and villages within the boundary) from Real Property Tax Data
Additional Information (optional)	Any information regarding fertilizer management programs specific to the municipality
<a href="#">Required Information Table 3.2B</a>	<a href="#">Link</a>
Source Percentage of Nitrogen	Information provided by LIRPC/DEC
Total acres of Golf Courses	Information provided by LIRPC/DEC
<ul style="list-style-type: none"> <li>Name</li> <li>Address</li> <li>Acres of Golf Course</li> <li>Waterfront</li> </ul>	Real Property Tax Data (tax code 552 and 553) <a href="#">Nassau County GIS Viewer</a>
<a href="#">Required Information Table 3.2C</a>	<a href="#">Link</a>
Source Percentage of Nitrogen	Information provided by LIRPC/DEC
Total acres of Agriculture	Information provided by LIRPC/DEC
<ul style="list-style-type: none"> <li>Name</li> <li>Acres</li> <li>Type of Farm</li> <li>Crops</li> <li>Livestock</li> <li>Waterfront</li> </ul>	Real Property Tax Data (100 series) <a href="#">Property type classification codes</a>
<a href="#">Required Information Table 3.3</a>	<a href="#">Link</a>
Registered MS4	<a href="#">DECinfo Locator</a>
Acres of Impervious Surface	GIS Map

Additional Information	Any information regarding stormwater management programs specific to municipality
<a href="#">Required Information Table 3.4</a>	<a href="#">Link</a>
Source Percentage of Nitrogen	Information Provided by DEC/LIRPC
Presence of Pets	General description of Town's BMP for pet waste
Other Animals	General description of Town's BMP for pet waste
<a href="#">Required Information Table 3.5</a>	<a href="#">Link</a>
Source Percentage of Nitrogen	Information Provided by DEC/LIRPC
Atmospheric Deposition as a potential source	General description

## Step 4

Resource	Link
Activity List	<a href="#">NSC Activity List</a>
Plan and Schedule	<a href="#">Sample Plan and Schedule</a>
